**Re: AT&T Communications v. Verizon Northwest Inc.
Docket No. UT-020406**

Dear Ms. Washburn:

On Friday, April 25, 2003, Verizon Northwest Inc. filed a Motion for Reconsideration of the Ninth Supplemental Order to allow Verizon to submit the surrebuttal testimony of Heuring, Trimble and Simmons on the issue of earnings. Verizon inadvertently failed to include portions of Orville D. Fulp's surrebuttal testimony in that motion. For the reasons stated in that Motion, Verizon also requests that page 4, line 12 through and including page 10, line 2 of Orville D. Fulp's surrebuttal testimony that deal with earnings also be allowed.

In Paragraph 16 of the Ninth Supplemental Order, the Commission stated, "The Commission ruled that portions of Mr. Fulp's prefiled testimony should not be rejected." Verizon requests clarification as to this statement that suggests that the above-identified portions of Mr. Fulp's testimony related to earnings should not be rejected.

Sincerely,

GRAHAM & DUNN PC
