RE: *Washington Utilities and Transportation Commission v. Cascade Natural Gas Corporation*, Docket UG-210755

TO ALL PARTIES:

On September 30, 2021, Cascade Natural Gas Corporation (Cascade or Company) filed with the Washington Utilities and Transportation Commission (Commission) revisions to its currently effective Tariff WN U-3 for natural gas service the Company provides in Washington. The effect of these filings would increase rates and charges for natural gas service. The Commission suspended the as-filed tariffs on October 13, 2021.

On October 26, 2021, the Commission entered Order 03, Prehearing Conference Order; Notice of Virtual Hearing (Order 03), which established a procedural schedule that included a hearing set for June 1-2, 2022, at 9 a.m.

On May 25, 2022, parties submitted a table of witness time estimates to the presiding officer. Based on the estimates provided, the Commission determines that the hearing should begin at 9:30 a.m. rather than 9 a.m.

THE COMMISSION GIVES NOTICE That the evidentiary hearing scheduled to begin on June 1, 2022, in docket UG-210755 will begin at 9:30 a.m.
