Dear Ms. Washburn:

Subject: **AT&T Communications of the Northwest v. Verizon Northwest Inc.**
Docket No. UT-020406

Pursuant to the Eighth Supplemental Order in the above docket, please find the following:

1. An original and 14 copies of the revised testimony of Douglas Fulp, Terry Dye, Nancy Heuring and Dr. Carl Danner. This revised testimony contains deletions ordered by the Commission in ruling on outstanding motions to strike, testimony withdrawn by the Company in light of those rulings and corrections to testimony due to other testimony being withdrawn. We will request that these revised exhibits be assigned a new exhibit number at the May 1, 2003 prehearing conference to minimize confusion with the testimony previously marked.
2. A statement indicating cross examinations times and order of witnesses. We request that the Commission allow Verizon witness, Nancy Heuring, to testify on Thursday, May 8, 2003, after Staff witness Betty Erdahl.
3. We are also enclosing a revised exhibit list that reflects the revised testimony identified in paragraph 1 above, includes an errata sheet showing all changes to the testimony and identifying additional cross examinations exhibits.

Please contact Joan Gage on 425/261-5238 if you have any questions.

Very truly yours,
