

**SUPPLEMENT, DATED MARCH 18, 2013, TO REOFFERING CIRCULAR, DATED MAY 25, 2010**

The opinion of Chapman and Cutler delivered on January 17, 1991, stated that, subject to compliance by the Company and the Issuer of Bonds with certain covenants, under then-existing law (a) interest on the Bonds is not includible in gross income of the Owners thereof for federal income tax purposes, except for interest on any Bond for any period during which such Bond is owned by a person who is a substantial user of the Project or any person considered to be related to such person (within the meaning of Section 103(b)(13) of the Internal Revenue Code of 1954, as amended) and (b) interest on the Bonds will not be treated as an item of tax preference in computing the alternative minimum tax for individuals and corporations. Such interest will be taken into account, however, in computing an adjustment used in determining the alternative minimum tax for certain corporations. Such opinion of Bond Counsel was also to the effect that under then-existing law such interest will be exempt from certain Wyoming taxes. Such opinion has not been updated as of the date hereof. In the opinion of Bond Counsel to be delivered in connection with the delivery of the Replacement Letters of Credit, the delivery of the Replacement Letter of Credit will not adversely affect the status of interest on the Bonds as not includible in the gross income of the owners thereof for federal income tax purposes. See "TAX EXEMPTION" herein for a more complete discussion.

**GENERAL INFORMATION**

**THIS SUPPLEMENT TO REOFFERING CIRCULAR DOES NOT CONTAIN COMPLETE DESCRIPTIONS OF DOCUMENTS AND OTHER INFORMATION WHICH IS SET FORTH IN THE REOFFERING CIRCULAR DATED MAY 25, 2010, A COPY OF WHICH IS ATTACHED HERETO AS APPENDIX C (THE “ORIGINAL REOFFERING CIRCULAR” AND, TOGETHER WITH THIS SUPPLEMENT TO REOFFERING CIRCULAR, THE “REOFFERING CIRCULAR”), EXCEPT WHERE THERE HAS BEEN A CHANGE IN THE DOCUMENTS OR MORE RECENT INFORMATION SINCE THE DATE OF THE ORIGINAL REOFFERING CIRCULAR. THIS SUPPLEMENT TO REOFFERING CIRCULAR SHOULD THEREFORE BE READ ONLY IN CONJUNCTION WITH THE ORIGINAL REOFFERING CIRCULAR.**

This Supplement to Reoffering Circular is provided to furnish certain information with respect to the reoffering of the Pollution Control Revenue Refunding Bonds (PacifiCorp Project) Series 1991, the “Bonds”) in the aggregate principal amount of \$45,000,000, issued by Lincoln County, Wyoming (the “Issuer”).

The Bonds were issued pursuant to a Trust Indenture, dated as of January 1, 1999 (the “Indenture”), between the Issuer and The Bank of New York Mellon Trust Company, N.A. (successor in interest to The First National Bank of Chicago), as Trustee (the “Trustee”), as further amended and restated by a Fourth Supplemental Trust Indenture, dated as of June 1, 2010 (the “Fourth Supplemental Indenture”), between the Issuer and the Trustee, and under a resolution of the governing body of the Issuer. The Trust Indenture, as amended and restated by the Fourth Supplemental Indenture, is sometimes referred to herein as the “Indenture.” Pursuant to a Loan Agreement dated as of January 1, 1991, as heretofore amended, supplemented and restated (the “Original Loan Agreement”), between PacifiCorp (the “Company”) and the Issuer, as further amended and restated by a Second Supplemental Loan Agreement, dated as of June 1, 2010 between the Company and the Issuer (the “Second Supplemental Loan Agreement”), the Issuer has lent the proceeds from the original sale of the Bonds to the Company. The Original Loan Agreement, as amended and restated by the Second Supplemental Loan Agreement, is sometimes referred to herein as the “Loan Agreement.” Under the Agreement, the Company is unconditionally obligated to pay amounts sufficient to provide for payment of the principal of, premium, if any, and interest on the Bonds (the “Loan Payments”) and for payment of the purchase price of the Bonds. The proceeds of the Bonds, together with certain other moneys of the Company, were used for the purposes set forth in the Original Reoffering Circular.

**The Bonds, together with premium, if any, and interest thereon, are limited and not general, obligations of the Issuer not constituting or giving rise to a pecuniary liability of the Issuer nor any charge against its general credit or taxing powers nor an indebtedness of or a loan of credit thereof, shall be payable solely from the Revenues (as defined in the Indenture and which includes moneys drawn under the Letter of Credit) and other moneys pledged therefor under the Indenture, and shall be a valid claim of the respective holders thereof only against the Bond Fund (as defined in the Indenture), Revenues and other moneys held by the Trustee as part of the Trust Estate (as defined in the Indenture). The Issuers shall not be obligated to pay the purchase price of any of the Bonds from any source.**

**No recourse shall be had for the payment of the principal of, or premium, if any, or interest on any of the Bonds or for any claim based thereon or upon any obligation, covenant or agreement contained in the Indenture, against any past, present or future officer or employee of the Issuer, or any incorporator, officer, director or member of any successor corporation, as such, either directly, or through the Issuer or any successor corporation, under any rule of law or equity, statute or constitution or by the enforcement of any assessment or penalty or otherwise, and all such liability of any such incorporator, officer, director or member as such was expressly waived and released as a condition of and in consideration for the execution of the Indenture and the issuance of the Bonds.**

The Company has exercised its right under the Agreement and the Indenture to terminate the Letter of Credit dated June 1, 2010 (the "Existing Letter of Credit") and issued by Wells Fargo Bank, National Association (the "Prior Bank") with respect to the Bonds, which has supported payment of the principal, interest and purchase price of the Bonds since the date the Existing Letter of Credit was issued. Pursuant to the Indenture, the Company has elected to replace the Existing Letter of Credit with an Irrevocable Transferrable Direct Pay Letter of Credit (the "Letter of Credit") to be issued by The Bank of Nova Scotia, a bank organized under the laws of Canada, acting through its New York Agency (the "Bank"). The Letter of Credit will be delivered to the Trustee on March 26, 2013 (the "Effective Date") and, after such date, the Bonds will not have the benefit of the Existing Letter of Credit.

With respect to the Bonds, the Trustee will be entitled to draw under the Letter of Credit up to (a) an amount sufficient to pay (i) the outstanding unpaid principal amount of the Bonds or (ii) the portion of the purchase price of such Bonds corresponding to such unpaid principal amount plus (b) an amount sufficient to pay (i) up to 48 days' accrued interest on the Bonds (calculated at the maximum rate of 12% per annum and on the basis of a year of 365 days) or (ii) the portion of the purchase price of the Bonds corresponding to such accrued interest. The Letter of Credit will only be available to be drawn on with respect to the Bonds bearing interest at a daily rate or a weekly rate under the Indenture.

After the date of delivery of the Letter of Credit, the Company is permitted under the Agreement and the Indenture to provide a substitute letter of credit (the "Substitute Letter of Credit"), which is issued by the same Bank that issued the then existing Letter of Credit and which is identical to such Letter of Credit except for (i) an increase or decrease in the Interest Coverage Rate (as defined in the Indenture), (ii) an increase or decrease in the Interest Coverage Period (as defined in the Indenture) or (iii) any combination of (i) and (ii). As used hereafter,

“Letter of Credit” shall, unless the context otherwise requires, mean such Substitute Letter of Credit from and after the issuance date thereof. The Company also is permitted under the Agreement and Indenture to provide for the delivery of an alternate credit facility, including a letter of credit of a commercial bank or a credit facility from a financial institution, or any other credit support agreement or mechanism arranged by the Company (which may involve a letter of credit or other credit facility or first mortgage bonds of the Company or an insurance policy), the administration provisions of which are acceptable to the Trustee (an “Alternate Credit Facility”), to replace a Letter of Credit or provide for the termination of a Letter of Credit or any Alternate Credit Facility then in effect. See “THE LETTER OF CREDIT” and the Reoffering Circular under the caption “THE BONDS—Purchase of Bonds.”

Prior to the delivery of the Letter of Credit, the Bonds were bearing interest at a Weekly Interest Rate. Following the delivery of the Letter of Credit, the Bonds will continue to bear interest at a Weekly Interest Rate, subject to the right of the Company to cause the interest rate on the Bonds to be converted to other interest rate determination methods as described in the Reoffering Circular.

Reference is hereby made to the Bonds in their entirety for the detailed provisions thereof.

Brief descriptions of the Issuer, the Bonds, the Letter of Credit, the Reimbursement Agreement, the Agreement and the Indenture are included in this Supplement to Reoffering Circular, including the Original Reoffering Circular attached as Appendix C hereto. Information regarding the business, properties and financial condition of the Company is included in Appendix A attached hereto. A brief description of the Bank is included as Appendix B hereto. Copies of such documents may be obtained from the principal corporate trust office of the Trustee in Chicago, Illinois and at the principal offices of the Remarketing Agent in New York, New York. The letter of credit described in the Original Reoffering Circular is no longer in effect as of March 26, 2013 and the information in the Original Reoffering Circular with respect thereto should be disregarded.

## **THE LETTER OF CREDIT AND THE REIMBURSEMENT AGREEMENT**

*The following is a brief summary of certain provisions of the Replacement Letter of Credit and that certain Letter of Credit and Reimbursement Agreement, dated March 26, 2013, as amended and supplemented, between the Company and The Bank of Nova Scotia (together with all related documents, the “Reimbursement Agreement”). With respect to a drawing by the Trustee for the payment of interest only on the Bonds, the amount that may be drawn under the Replacement Letter of Credit will be automatically reinstated on the eighth (8<sup>th</sup>) business day following the Bank's honoring of such drawing by the amount drawn, unless the Trustee has received notice (the "Non-Reinstatement Notice") from the Bank by the seventh (7<sup>th</sup>) business day following the date of such honoring that there will be no reinstatement.

Upon an acceleration of the maturity of Bonds due to an event of default under the Indenture, the Trustee will be entitled to draw on the Replacement Letter of Credit, if it is then in effect, to the extent of the aggregate principal amount of the Bonds outstanding, plus up to 48 days' interest accrued and unpaid on the Bonds (less amounts paid in respect of principal or interest for which the Replacement Letter of Credit has not been reinstated).

The Replacement Letter of Credit shall expire on the earliest of: (a) March 26, 2015 (such date, as it may be extended as provided in such Replacement Letter of Credit, the "Scheduled Expiration Date"), (b) four (4) Business Days following the Trustee's receipt of (i) written notice from the Bank that an event of default has occurred under the Reimbursement Agreement or (ii) a Non-Reinstatement Notice, (c) the date that the Trustee informs the Bank that the conditions for termination of the Replacement Letter of Credit as set forth in the Indenture have been satisfied and that the Replacement Letter of Credit has terminated in accordance with its terms, (d) the date that is 15 days after the conversion of the Bonds to an interest rate mode other than a daily rate or a weekly rate pursuant to the Indenture and (e) the date of a final drawing under the Replacement Letter of Credit.

(g) The Company or any Material Subsidiary shall generally not pay its debts as they become due, or admits in writing its inability to pay its debts generally, or makes a general assignment for the benefit of creditors; or any proceeding is instituted by or against the Company or any Material Subsidiary seeking to adjudicate it a bankrupt or insolvent, or seeking liquidation, winding up, reorganization, arrangement, adjustment, protection, relief, or composition of it or its debts under any law relating to bankruptcy, insolvency or reorganization or relief of debtors, or seeking the entry of an order for relief or the appointment of a receiver, trustee, custodian or other similar official for it or for any substantial part of its property and, in the case of any such proceeding instituted against it (but not instituted by it), either such proceeding shall remain undismissed or unstayed for a period of 60 days, or any of the actions sought in such proceeding (including, without limitation, the entry of an order for relief against, or the appointment of a receiver, trustee, custodian or other similar official for, it or for any substantial part of its property) shall occur; or the Company or any Material Subsidiary shall take any corporate action to authorize any of the actions set forth above in this paragraph; or

(h) An ERISA Event has occurred that, when taken together with all other ERISA Events that have occurred, has resulted in, or is reasonably likely to result in, a Material Adverse Effect; or

(i) (i) Berkshire Hathaway Inc. shall fail to own, directly or indirectly, at least 50% of the issued and outstanding shares of common stock of the Company, calculated on a fully diluted basis or (ii) MidAmerican Energy Holdings Company shall fail to own, directly or indirectly, at least 80% of the issued and outstanding shares of common stock of the Company, calculated on a fully diluted basis (each, a “Change of Control”); provided that, in each case, such failure shall not constitute an Event of Default unless and until a Rating Decline has occurred;

(j) Any “Event of Default” under and as defined in the Indenture shall have occurred and be continuing; or

(k) Any approval or order of any Governmental Authority related to any Credit Document or any Related Document shall be (i) rescinded, revoked or set aside or otherwise cease to remain in full force and effect or (ii) modified in any manner that, in the opinion of the Bank, could reasonably be expected to have a material adverse effect on (A) the business, assets, operations, condition (financial or otherwise) or prospects of the Company and its Subsidiaries taken as a whole, (B) the legality, validity or enforceability of any of the Credit Documents or the Related Documents to which the Company is a party, or the rights, remedies and benefits available to the parties thereunder or (C) the ability of the Company to perform its obligations under the Credit Documents or the Related Documents to which the Company is a party; or

expressly waived by the Company and (d) in addition to other rights and remedies provided for in the Reimbursement Agreement or in the Custodian Agreement or otherwise available to the Bank, as holder of the Pledged Bonds or otherwise, exercise all the rights and remedies of a secured party on default under the Uniform Commercial Code in effect in the State of New York at that time; provided that, if an Event of Default described in subpart (g) or (i) under the heading “Events of Default,” above, shall have occurred, automatically, (x) the obligation of the Bank under the Reimbursement Agreement to issue the Replacement Letter of Credit shall terminate, and (y) all Reimbursement Obligations, all interest thereon and all other amounts payable under the Reimbursement Agreement or under any other Credit Document will become due and payable, without presentment, demand, protest, or further notice of any kind, all of which are expressly waived by the Company.

## REMARKETING AGENT

**General.** Wells Fargo Bank, National Association (the “Remarketing Agent”), will continue as remarketing agent for the Bonds. Subject to certain conditions, the Remarketing Agent has agreed to determine the rates of interest on the Bonds and use its best efforts to remarket all tendered Bonds.

In the ordinary course of its business, the Remarketing Agent has engaged, and may in the future engage, in investment banking and/or commercial banking transactions with the Company, its subsidiaries and its other affiliates, for which it has received and will receive customary compensation.

Wells Fargo Bank, National Association (“WFBNA”), the Remarketing Agent for the Bonds, has entered into an agreement (the “Distribution Agreement”) with its affiliate, Wells Fargo Advisors, LLC (“WFA”), for the distribution of certain municipal securities offerings, including the Bonds. Pursuant to the Distribution Agreement, WFBNA will share a portion of its remarketing agent compensation with respect to the Bonds with WFA. WFBNA also utilizes the distribution capabilities of its affiliates, Wells Fargo Securities, LLC (“WFSLLC”) and Wells Fargo Institutional Securities, LLC (“WFIS”), for the distribution of municipal securities offerings, including the Bonds. In connection with utilizing the distribution capabilities of WFSLLC, WFBNA pays a portion of WFSLLC’s expenses based on its municipal securities transactions. WFBNA, WFSLLC, WFIS, and WFA are each wholly-owned subsidiaries of Wells Fargo & Company.

**Special Considerations.** *The Remarketing Agent is paid by the Company.* The Remarketing Agent’s responsibilities include determining the interest rate from time to time and remarketing Bonds that are optionally or mandatorily tendered by the owners thereof (subject, in each case, to the terms of the Indentures and the Remarketing Agreement), all as further described in this Supplement. The Remarketing Agent is appointed by the Company and paid by the Company for its services. As a result, the interests of the Remarketing Agent may differ from those of existing Holders and potential purchasers of Bonds.

*The Remarketing Agent May Purchase Bonds for Its Own Account.* The Remarketing Agent acts as remarketing agent for a variety of variable rate demand obligations and, in its sole discretion, may purchase such obligations for its own account. The Remarketing Agent is

permitted, but not obligated, to purchase tendered Bonds for its own account and, in its sole discretion, may acquire such tendered Bonds in order to achieve a successful remarketing of the Bonds (i.e., because there otherwise are not enough buyers to purchase the Bonds) or for other reasons. However, the Remarketing Agent is not obligated to purchase Bonds, and may cease doing so at any time without notice. The Remarketing Agent may also make a market in the Bonds by purchasing and selling Bonds other than in connection with an optional or mandatory tender and remarketing. Such purchases and sales may be at or below par. However, the Remarketing Agent is not required to make a market in the Bonds. The Remarketing Agent may also sell any Bonds it has purchased to one or more affiliated investment vehicles for collective ownership or enter into derivative arrangements with affiliates or others in order to reduce its exposure to the Bonds. The purchase of Bonds by the Remarketing Agent may create the appearance that there is greater third party demand for the Bonds in the market than is actually the case. The practices described above also may result in fewer Bonds being tendered in a remarketing.

*Bonds May Be Offered at Different Prices on Any Date Including an Interest Rate Determination Date.* Pursuant to each Indenture and Remarketing Agreement, the Remarketing Agent is required to determine the applicable rate of interest that, in its judgment, is the lowest rate that would permit the sale of the Bonds bearing interest at the applicable interest rate at par plus accrued interest, if any, on and as of the applicable interest rate determination date. The interest rate will reflect, among other factors, the level of market demand for the Bonds (including whether the Remarketing Agent is willing to purchase Bonds for its own accounts). There may or may not be Bonds tendered and remarketed on an interest rate determination date, the Remarketing Agent may or may not be able to remarket any Bonds tendered for purchase on such date at par and the Remarketing Agent may sell Bonds at varying prices to different investors on such date or any other date. The Remarketing Agent is not obligated to advise purchasers in a remarketing if it does not have third party buyers for all of the Bonds at the remarketing price. In the event the Remarketing Agent owns any Bonds for its own account, it may, in its sole discretion in a secondary market transaction outside the tender process, offer such Bonds on any date, including the interest rate determination date, at a discount to par to some investors.

*The Ability to Sell the Bonds Other Than Through the Tender Process May Be Limited.* The Remarketing Agent may buy and sell Bonds other than through the tender process. However, it is not obligated to do so and may cease doing so at any time without notice and may require Holders that wish to tender their Bonds to do so through the Trustee with appropriate notice. Thus, investors who purchase the Bonds, whether in a remarketing or otherwise, should not assume that they will be able to sell their Bonds other than by tendering the Bonds in accordance with the tender process.

*The Remarketing Agent May Resign, be Removed or Cease Remarketing the Bonds, Without a Successor Being Named.* Under certain circumstances, the Remarketing Agent may be removed or have the ability to resign or cease its remarketing efforts without a successor having been named, subject to the terms of the Indenture and the Remarketing Agreement.

## TAX EXEMPTION

The opinion of Chapman and Cutler delivered on January 17, 1991 stated that, subject to compliance by the Company and the Issuer with certain covenants made to satisfy pertinent requirements of the Internal Revenue Code of 1954, as amended, and the Internal Revenue Code of 1986, under then-existing law, interest on the Bonds is not includible in gross income of the owners thereof for federal income tax purposes, except for interest on any Bond for any period during which such Bond is owned by a person who is a substantial user of the related project or facilities or any person considered to be related to such person (within the meaning of Section 103(b)(13) of the Internal Revenue Code of 1954), and the interest on the Bonds will not be treated as an item of tax preference in computing the alternative minimum tax for individuals and corporations (because the Prior Bonds were issued prior to August 8, 1986). Such interest will be taken into account, however, in computing an adjustment used in determining the alternative minimum tax for certain corporations. As indicated in such opinions, the failure to comply with certain of such covenants of the applicable Issuer and the Company could cause the interest on the Bonds to be included in gross income retroactive to the date of issuance of the Bonds. Chapman and Cutler LLP (“Bond Counsel”) has made no independent investigation to confirm that such covenants have been complied with.

Bond Counsel will deliver an opinion for the Bonds in connection with delivery of the Letter of Credit, in substantially the form attached hereto as Appendix E, to the effect that the delivery of the Letter of Credit (i) complies with the terms of the Agreement and (ii) will not adversely affect the Tax-Exempt (as defined in the Indenture) status of the Bonds. Except as necessary to render the foregoing opinion, Bond Counsel has not reviewed any factual or legal matters relating to its opinion dated January 17, 1991 subsequent to its issuance other than with respect to the Company in connection with (a) the adjustment of the interest rate on the Bonds described in our opinions dated (i) December 17, 1999 and January 19, 2000, (ii) May 2, 2003 and June 3, 2003 and (iii) June 1, 2010, (b) the execution and delivery of the First Supplemental Trust Indenture, dated as of January 1, 2000, (c) the execution and delivery of the Second Supplemental Trust Indenture, dated as of March 2, 2003, (d) the execution and delivery of the Third Supplemental Trust Indenture and the Second Supplemental Loan Agreement, each dated as of June 1, 2003, (e) the execution and delivery of the Fourth Supplemental Indenture and the Second Supplemental Loan Agreement and the Existing Letter of Credit and (f) the delivery of the Letter of Credit described herein. The opinion delivered in connection with delivery of the Letter of Credit is not to be interpreted as a reissuance of the original approving opinion as of the date of this Supplement to Reoffering Circular.

Ownership of the Bonds may result in collateral federal income tax consequences to certain taxpayers, including, without limitation, corporations subject to either the environmental tax or the branch profits tax, financial institutions, certain insurance companies, certain S Corporations, individual recipients of Social Security or Railroad Retirement benefits and taxpayers who may be deemed to have incurred (or continued) indebtedness to purchase or carry tax-exempt obligations. Prospective purchasers of the Bonds should consult their tax advisors as to applicability of any such collateral consequences.

## MISCELLANEOUS

This Supplement to Reoffering Circular has been approved by the Company for distribution by the Remarketing Agent to current Bondholders and potential purchasers of the Bonds. **THE ISSUER MAKES NO REPRESENTATION WITH RESPECT TO AND HAS NOT PARTICIPATED IN THE PREPARATION OF ANY PORTION OF THIS SUPPLEMENT TO REOFFERING CIRCULAR.**

**REOFFERING CIRCULAR DATED MAY 25, 2010**

## REOFFERING CIRCULAR

### NOT A NEW ISSUE

Book-Entry Only

The opinion of Chapman and Cutler, Bond Counsel, delivered on January 17, 1991, states that, subject to compliance by the Company and the Issuer with certain covenants, in the opinion of Chapman and Cutler, Bond Counsel, under then existing law (a) interest on the Bonds is not includible in gross income of the owners thereof for federal income tax purposes, except for interest on any Bond for any period during which such Bond is owned by a person who is a substantial user of the Project or any person considered to be related to such person (within the meaning of Section 103(b)(13) of the Internal Revenue Code of 1954, as amended), and (b) interest on the Bonds is not treated as an item of tax preference in computing the alternative minimum tax for individuals and corporations. However, such interest is taken into account in computing an adjustment used in determining the alternative minimum tax for certain corporations. Such opinion of Bond Counsel was also to the effect that under then existing law the State of Wyoming imposes no income taxes that would be applicable to interest on the Bonds. Such opinion has not been updated as of the date hereof. See "TAX EXEMPTION" herein for a more complete discussion.

The Bonds described in this Reoffering Circular are limited obligations of the Issuer and, except to the extent payable from Bond proceeds and certain other moneys pledged therefor, are payable solely from and secured by a pledge of payments to be made under the Loan Agreement entered into by the Issuer with, and secured by First Mortgage Bonds issued by,

### **PacifiCorp**

On June 1, 2010, the Bonds will be remarketed and will bear interest at a Weekly Interest Rate payable the first Business Day of each month commencing July 1, 2010. The initial Weekly Interest Rate and each subsequent Weekly Interest Rate to be borne by the Bonds will be determined by the Remarketing Agent. Thereafter, the interest rate on the Bonds may be changed from time to time to Daily, Weekly, Flexible or Term Interest Rates, designated and determined in accordance with the Indenture and, in the case of the Daily and Weekly Interest Rates, as described herein. The Bonds are subject to purchase at the option of the owners thereof and, under certain circumstances, are subject to mandatory purchase in the manner and at the times described herein. The Bonds are subject to optional and mandatory redemption prior to maturity as described herein.

Following the remarketing of the Bonds on June 1, 2010, the payment of the principal of and interest on the Bonds and the payment of the purchase price of the Bonds tendered for purchase and not remarketed will be supported by an irrevocable Letter of Credit issued by Wells Fargo Bank, National Association, to The Bank of New York Mellon Trust Company, N.A., as Trustee, for the benefit of the registered holders of the Bonds.

### **Wells Fargo Bank, National Association**

The Letter of Credit will expire by its terms on June 1, 2011, unless it expires earlier in accordance with its terms. The Letter of Credit may be replaced by an Alternate Credit Facility as permitted under the Indenture and Loan Agreement. Unless the Letter of Credit is extended before its scheduled expiration date, the Bonds will be subject to mandatory tender for purchase prior to such expiration date. THIS REOFFERING CIRCULAR ONLY PERTAINS TO THE BONDS WHILE THEY ARE SECURED BY THE LETTER OF CREDIT PROVIDED BY THE BANK.

The Bonds are issuable as fully registered Bonds without coupons and will be registered in the name of Cede & Co., as registered owner and nominee for The Depository Trust Company, New York, New York. The Bonds are issuable during any Weekly Interest Rate Period in denominations of \$100,000 and any integral multiple thereof (provided that one Bond need not be in a multiple of \$100,000 but may be in such denomination greater than \$100,000 as is necessary to account for any principal amount of the Bonds not corresponding directly with \$100,000 denominations). So long as Cede & Co. is the registered owner of the Bonds, as nominee for DTC, the principal of and premium, if any, and interest on the Bonds will be paid by the Trustee directly to DTC, which will, in turn, remit such amounts to DTC participants for subsequent disbursement to the beneficial owners of the Bonds. See "THE BONDS—Book-Entry System."

## REOFFERING CIRCULAR

**\$45,000,000**

**LINCOLN COUNTY, WYOMING  
POLLUTION CONTROL REVENUE REFUNDING BONDS  
(PACIFICORP PROJECT)  
SERIES 1991**

### INTRODUCTORY STATEMENT

This Reoffering Circular, including the Appendices hereto and the documents incorporated by reference herein, is provided to furnish certain information with respect to the reoffering by Lincoln County, Wyoming (the “*Issuer*”) of \$45,000,000 aggregate principal amount of its Pollution Control Revenue Refunding Bonds (PacifiCorp Project) Series 1991 (the “*Bonds*”).

The Bonds have been issued under a Trust Indenture, dated as of January 1, 1991, as heretofore amended, supplemented and restated (the “*Trust Indenture*”), between the Issuer and The Bank of New York Mellon Trust Company, N.A., as successor trustee (the “*Trustee*”), as further amended and restated by a Fourth Supplemental Trust Indenture, dated as of June 1, 2010, (the “*Fourth Supplemental Indenture*”), between the Issuer and the Trustee, and under a resolution of the governing body of the Issuer. The Trust Indenture, as amended and restated by the Fourth Supplemental Indenture, is sometimes referred to herein as the “*Indenture*.” Pursuant to a Loan Agreement, dated as of January 1, 1991, as heretofore amended, supplemented and restated (the “*Original Loan Agreement*”), between PacifiCorp (the “*Company*”) and the Issuer, as further amended and restated by a Second Supplemental Loan Agreement, dated as of June 1, 2010, between the Company and the Issuer (the “*Second Supplemental Loan Agreement*”), the Issuer has lent the proceeds from the original sale of the Bonds to the Company. The Original Loan Agreement, as amended and restated by the Second Supplemental Loan Agreement, is sometimes referred to herein as the “*Loan Agreement*.”

The proceeds of the Bonds were used, together with certain other moneys of the Company, to refund all of the outstanding \$45,000,000 principal amount of Lincoln County, Wyoming Pollution Control Revenue Bonds 11-1/8% Series due April 1, 2011 (Utah Power & Light Company Project) (the “*Prior Bonds*”). The Prior Bonds were assumed by the Company as the surviving corporation in its 1989 merger with Utah Power & Light Company, a Utah corporation, and PacifiCorp, a Maine corporation. The Prior Bonds were issued to finance certain qualifying air pollution control facilities as described herein. See “THE PROJECT.”

In order to secure the Company’s obligation to repay the loan made to it by the Issuer under the Loan Agreement, the Company has issued and delivered to the Trustee its First Mortgage and Collateral Trust Bonds, Fourth 2003 Series (the “*First Mortgage Bonds*”) in a principal amount equal to the principal amount of the Bonds. The First Mortgage Bonds may be released upon delivery of collateral in substitution for the First Mortgage Bonds provided that certain conditions are met as described below under “THE LOAN AGREEMENT—Loan Payments;

The First Mortgage Bonds.” The First Mortgage Bonds were issued under the Mortgage and Deed of Trust, dated as of January 9, 1989 between the Company and The Bank of New York Mellon Trust Company, N.A., as successor trustee (the “*Company Mortgage Trustee*”), as supplemented and amended by various supplemental indentures, including a Fifteenth Supplemental Indenture, dated as of June 1, 2003 (the “*Fifteenth Supplemental Indenture*”), all collectively hereinafter referred to as the “*Company Mortgage*.” As holder of the First Mortgage Bonds, the Trustee will, ratably with the holders of all other first mortgage bonds outstanding under the Company Mortgage, enjoy the benefit of a lien on properties of the Company. See “THE FIRST MORTGAGE BONDS—Security” for a description of the properties of the Company subject to the lien of the Company Mortgage. The Bonds will not otherwise be secured by a mortgage of, or security interest in, the Project (as hereinafter defined). The First Mortgage Bonds will be registered in the name of and held by the Trustee for the benefit of the “*Owners*” of the Bonds and will not be transferable except to a successor trustee under the Indenture. “*Owner*” means the registered owner of any Bond; *provided, however*, when used in the context of the Tax-Exempt (as hereinafter defined) status of the Bonds, the term “*Owner*” includes each actual purchaser of any Bond (“*Beneficial Owner*”).

The Bonds, together with the premium, if any, and interest thereon, will be limited obligations and not general obligations of the Issuer. None of the Indenture, the Bonds or the Loan Agreement constitutes a debt or gives rise to a general obligation or liability of the Issuer or constitutes an indebtedness under any constitutional or statutory debt limitation. The Bonds will not constitute or give rise to a pecuniary liability of the Issuer thereof and will not constitute any charge against the Issuer’s general credit or taxing powers; nor will the Bonds constitute an indebtedness of or a loan of credit of the Issuer. The Bonds are payable solely from the receipts and revenues to be received from the Company as payments under the Loan Agreement, or otherwise on the First Mortgage Bonds, and from any other moneys pledged therefor. Such receipts and revenues and all of the Issuer’s rights and interests under the Loan Agreement (except as noted under “THE INDENTURE—Pledge and Security” below) are pledged and assigned to the Trustee as security, equally and ratably, for the payment of the Bonds. The payments required to be made by the Company under the Loan Agreement, or otherwise on the First Mortgage Bonds, will be sufficient, together with other funds available for such purpose, to pay the principal of and premium, if any, and interest on the Bonds. Under no circumstances will the Issuer have any obligation, responsibility or liability with respect to the Project, the Loan Agreement, the Indenture, the Bonds or this Reoffering Circular, except for the special limited obligation set forth in the Indenture and the Loan Agreement whereby the Bonds are payable solely from amounts derived from the Company and the Letter of Credit (or Alternate Credit Facility (as hereinafter defined), as the case may be). Nothing contained in the Indenture, the Bonds or the Loan Agreement, or in any other related documents may be construed to require the Issuer to operate, maintain or have any responsibility with respect to the Project. The Issuer has no liability in the event of wrongful disbursement by the Trustee or otherwise. No recourse may be had against any past, present or future commissioner, officer, employee, official or agent of the Issuer under the Indenture, the Bonds, the Loan Agreement or any related document. The Issuer has no responsibility to maintain the Tax-Exempt status of the Bonds under federal or state law nor any responsibility for any other tax consequences related to the ownership or disposition of the Bonds.

The Bonds will be supported by an irrevocable Letter of Credit (the “*Letter of Credit*”) to be issued by Wells Fargo Bank, National Association (the “*Bank*”) in favor of the Trustee, as beneficiary.

Under the Letter of Credit, the Trustee will be entitled to draw, upon a properly presented and conforming drawing, up to an amount sufficient to pay one hundred percent (100%) of the principal amount of the Bonds on the date of the draw (whether at maturity, upon acceleration, mandatory or optional purchase or redemption), plus 48 days’ accrued interest on the Bonds, at a rate of up to the maximum interest rate of twelve percent (12%) per annum calculated on the basis of a year of 365 days for the actual days elapsed, so long as the Bonds bear interest at the Weekly Interest Rate or the Daily Interest Rate. The Company has agreed to reimburse the Bank for drawings made under the Letter of Credit and to make certain other payments to the Bank. The Letter of Credit will expire on June 1, 2011, unless extended or earlier terminated in accordance with its terms. See “THE LETTER OF CREDIT.”

The Bank has also been appointed by the Company as Remarketing Agent with respect to the Bonds (in such capacity, the “*Remarketing Agent*”). The Company will enter into a Remarketing Agreement with the Remarketing Agent with respect to the Bonds to be remarketed by the Remarketing Agent.

Under certain circumstances described in the Loan Agreement, the Letter of Credit may be replaced by an alternate credit facility supporting payment of the principal of and interest on the Bonds when due and for the payment of the purchase price of tendered or deemed tendered Bonds (an “*Alternate Credit Facility*”). The entity or entities, as the case may be, obligated to make payment on an Alternate Credit Facility are referred to herein as the “*Obligor on an Alternate Credit Facility*.” Under certain circumstances, the replacement of the Letter of Credit or an Alternate Credit Facility will result in the mandatory purchase of Bonds. See “THE LOAN AGREEMENT—The Letter of Credit; Alternate Credit Facility.”

Brief descriptions of the Issuer, the Project and the Bank and summaries of certain provisions of the Bonds, the Loan Agreement, the Letter of Credit, the Indenture and the First Mortgage Bonds are included in this Reoffering Circular, including the Appendices hereto. Information regarding the business, properties and financial condition of the Company is included in and incorporated by reference in APPENDIX A hereto. Included as APPENDIX F is a copy of the Continuing Disclosure Agreement that was executed and delivered by the Company on June 2, 2003 (the “*Continuing Disclosure Agreement*”), with respect to the Bonds.

**This Reoffering Circular provides certain information with respect to the Bank, the terms of, and security for the Bonds and other related matters. While certain information relating to the Company is included and incorporated within, the Bonds are being remarketed on the basis of the Letter of Credit and the financial strength of the Bank and are not being remarketed on the basis of the financial strength of the Issuer, the Company or any other security. This Reoffering Circular does not describe the financial condition of the Company and no representation is made concerning the financial status or prospects of the Company or the value or financial viability of the Project.**

*As this Reoffering Circular is being initially circulated in connection with the adjustment to a Weekly Interest Rate Period and the delivery of the Letter of Credit, generally only the Daily and Weekly Interest Rate Periods are described herein.*

#### PAYMENT OF PRINCIPAL AND INTEREST

The principal of and premium, if any, on the Bonds is payable to the Owners upon surrender thereof at the principal office of the Paying Agent. Except when the Bonds are held in book-entry form (see “*Book-Entry System*”), interest is payable (i) by bank check or draft mailed by first class mail on the Interest Payment Date to the Owners as of the Record Date or (ii) in immediately available funds (by wire transfer or by deposit to the account of the Owner of any such Bond if such account is maintained with the Paying Agent), but in respect of any Owner of Bonds in a Daily or Weekly Interest Rate Period only to any Owner which owns Bonds in an aggregate principal amount of at least \$1,000,000 on the Record Date and who has provided wire transfer instructions to the Paying Agent prior to the close of business on such Record Date.

Interest on each Bond is payable on each Interest Payment Date for each such Bond for the period commencing on the immediately preceding Interest Payment Date (or if no interest has been paid thereon, commencing on the date of issuance thereof) to, but not including, such Interest Payment Date. Interest is computed, in the case of any Daily or Weekly Interest Rate Period, on the basis of a 365- or 366-day year, as applicable, for the number of days actually elapsed.

## RATE PERIODS

The term of the Bonds is divided into consecutive Rate Periods, during which such Bonds bear interest at a Daily Interest Rate, Weekly Interest Rate, Flexible Interest Rate or Term Interest Rate.

### WEEKLY INTEREST RATE PERIOD

*Determination of Weekly Interest Rate.* During each Weekly Interest Rate Period, the Bonds bear interest at the Weekly Interest Rate determined by the Remarketing Agent no later than the first day of such Weekly Interest Rate Period and thereafter no later than Tuesday of each week during such Weekly Interest Rate Period, unless any such Tuesday is not a Business Day, in which event the Weekly Interest Rate will be determined by the Remarketing Agent no later than the Business Day next preceding such Tuesday.

The Weekly Interest Rate is the rate determined by the Remarketing Agent (based on an examination of Tax-Exempt obligations comparable to the Bonds known by the Remarketing Agent to have been priced or traded under then prevailing market conditions) to be the lowest rate which would enable the Remarketing Agent to sell the Bonds on the effective date of such rate at a price (without regard to accrued interest) equal to 100% of the principal amount thereof. If the Remarketing Agent has not determined a Weekly Interest Rate for any period, the Weekly Interest Rate will be the same as the Weekly Interest Rate for the immediately preceding week. The first Weekly Interest Rate determined for each Weekly Interest Rate Period applies to the period commencing on the first day of the Weekly Interest Rate Period and ending on the next succeeding Tuesday. Thereafter, each Weekly Interest Rate applies to the period commencing on each Wednesday and ending on the next succeeding Tuesday, unless such Weekly Interest Rate Period ends on a day other than Tuesday, in which event the last Weekly Interest Rate for such Weekly Interest Rate Period applies to the period commencing on the Wednesday preceding the last day of such Weekly Interest Rate Period and ending on such last day. In no event may the Weekly Interest Rate exceed the lesser of 12% per annum or the rate specified in any Letter of Credit or Alternate Credit Facility then in effect (initially 12% per annum).

*Adjustment to Weekly Interest Rate Period.* The interest rate borne by the Bonds may be adjusted to a Weekly Interest Rate upon receipt by the Issuer, the Trustee, the Paying Agent, the Remarketing Agent and the Bank or the Obligor on an Alternate Credit Facility, as the case may be, of a written notice from the Company. Such notice must specify the effective date of such adjustment to a Weekly Interest Rate, which must be a Business Day not earlier than the twentieth day following the third Business Day after the date of receipt by the Trustee and Paying Agent of such notice (or such shorter period after the date of such receipt as is acceptable to the Trustee); *provided, however*, that if prior to the Company's making such election, any Bonds have been called for redemption and such redemption has not theretofore been effected, the effective date of such Weekly Interest Rate Period may not precede such redemption date.

*Notice of Adjustment to Weekly Interest Rate Period.* The Trustee will give notice by mail of an adjustment to a Weekly Interest Rate Period to the Owners not less than 20 days prior to the effective date of such Weekly Interest Rate Period. Such notice must state (a) that the

interest rate on such Bonds will be adjusted to a Weekly Interest Rate (subject to the Company's ability to rescind its election as described below under "*Rescission of Election*"), (b) the effective date of such Weekly Interest Rate Period, (c) that such Bonds are subject to mandatory purchase on such effective date, (d) the procedures for such mandatory purchase, (e) the purchase price of such Bonds on the effective date (expressed as a percentage of the principal amount thereof), and (f) that the Owners of such Bonds do not have the right to retain their Bonds on such effective date.

#### DAILY INTEREST RATE PERIOD

*Determination of Daily Interest Rate.* During each Daily Interest Rate Period, the Bonds bear interest at the Daily Interest Rate determined by the Remarketing Agent either on each Business Day for such Business Day or on the next preceding Business Day for any day that is not a Business Day.

The Daily Interest Rate is the rate determined by the Remarketing Agent (based on an examination of Tax-Exempt obligations comparable to the Bonds known by the Remarketing Agent to have been priced or traded under then-prevailing market conditions) to be the lowest rate which would enable the Remarketing Agent to sell the Bonds on the effective date of such rate at a price (without regard to accrued interest) equal to 100% of the principal amount thereof. If the Remarketing Agent has not determined a Daily Interest Rate for any day by 10:00 a.m., New York time, the Daily Interest Rate for such day will be the same as the Daily Interest Rate for the immediately preceding Business Day. In no event may the Daily Interest Rate exceed the lesser of 12% per annum or the rate specified in any Letter of Credit or Alternate Credit Facility then in effect (initially 12% per annum).

*Adjustment to Daily Interest Rate Period.* The interest rate borne by the Bonds may be adjusted to a Daily Interest Rate upon receipt by the Issuer, the Trustee, the Paying Agent, the Remarketing Agent and the Bank or the Obligor on an Alternate Credit Facility, as the case may be, of a written notice from the Company. Such notice must specify the effective date of the adjustment to a Daily Interest Rate, which must be a Business Day not earlier than the twentieth day following the third Business Day after the date of receipt by the Trustee and Paying Agent of such notice (or such shorter period after the date of such receipt as is acceptable to the Trustee); *provided, however*, that if prior to the Company's making such election, any Bonds have been called for redemption and such redemption has not theretofore been effected, the effective date of such Daily Interest Rate Period may not precede such redemption date.

*Notice of Adjustment to Daily Interest Rate Period.* The Trustee will give notice by mail of an adjustment to a Daily Interest Rate Period to the Owners not less than 20 days prior to the effective date of such Daily Interest Rate Period. Such notice must state (a) that the interest rate on such Bonds will be adjusted to a Daily Interest Rate (subject to the Company's ability to rescind its election as described below under "*Rescission of Election*"), (b) the effective date of such Daily Interest Rate Period, (c) that such Bonds are subject to mandatory purchase on such effective date, (d) the procedures for such mandatory purchase, (e) the purchase price of such Bonds on the effective date (expressed as a percentage of the principal amount thereof), and (f) that the Owners of such Bonds do not have the right to retain their Bonds on such effective date.

#### DETERMINATION CONCLUSIVE

The determination of the interest rates referred to above is conclusive and binding upon the Remarketing Agent, the Trustee, the Paying Agent, the Issuer, the Company and the Owners of the Bonds.

#### RESCISSION OF ELECTION

The Company may rescind any election by it to adjust to a Rate Period prior to the effective date of such adjustment by giving written notice of rescission to the Issuer, the Trustee, the Paying Agent, the Remarketing Agent and the Bank (or the Obligor on an Alternate Credit Facility, as the case may be) prior to such effective date. At the time the Company gives notice of the rescission, it may also elect in such notice to continue the Rate Period then in effect. If the Trustee receives notice of such rescission prior to the time the Trustee has given notice to the Owners of the change in Rate Periods, then such notice of change in Rate Periods is of no force and effect and will not be given to the Owners. If the Trustee receives notice of such rescission after the Trustee has given notice to the Owners of an adjustment or an attempted adjustment from one Rate Period to another Rate Period does not become effective for any other reason, then the Rate Period for the Bonds will automatically adjust to or continue in a Daily Interest Rate Period and the Trustee will immediately give notice thereof to the Owners of the Bonds. If a Daily Interest Rate for the first day of any Daily Interest Rate Period to which a Rate Period is adjusted in accordance with this paragraph is not determined as described in “-Daily Interest Rate Period-Determination of Daily Interest Rate,” the Daily Interest Rate for the first day of such Daily Interest Rate Period will be 80% of the most recent One-Year Note Index theretofore published in *The Bond Buyer* (or, if *The Bond Buyer* is no longer published or no longer publishes the One-Year Note Index, the one-year note index contained in the publication determined by the Remarketing Agent as most comparable to *The Bond Buyer*). The Trustee will immediately give written notice of each such automatic adjustment to a Rate Period as described in this paragraph to the Owners.

Notwithstanding the rescission by the Company of any notice to adjust or continue a Rate Period, if notice has been given to Owners of such adjustment or continuation, the Bonds are subject to mandatory purchase as specified in such notice.

#### OPTIONAL PURCHASE

*Weekly Interest Rate Period.* During any Weekly Interest Rate Period, any Bond (or portions thereof in Authorized Denominations) will be purchased at the option of the owner thereof on any Wednesday, or if such Wednesday is not a Business Day, the next succeeding Business Day at a purchase price equal to 100% of the principal amount thereof plus accrued interest, if any, to the date of purchase upon:

such Bond to be purchased and the date on which such Bond is to be purchased, which date may not be prior to the seventh day next succeeding the date of the delivery of such notice to the Trustee; and

(b) except when the Bond is held in book-entry form, delivery of such Bond, accompanied by an instrument of transfer (which may be the form printed on the Bond) executed in blank by its Owner, with such signature guaranteed by a bank, trust company or member firm of the New York Stock Exchange, Inc. to the Delivery Office of the Trustee at or prior to 1:00 p.m., New York time, on the purchase date specified in such notice.

*Daily Interest Rate Period.* During any Daily Interest Rate Period, any Bond (or portions thereof in Authorized Denominations) will be purchased at the option of the owner thereof on any Business Day at a purchase price equal to 100% of the principal amount thereof plus accrued interest, if any, to the date of purchase upon:

(a) delivery to the Trustee at the Delivery Office of the Trustee and to the Remarketing Agent at the Principal Office of the Remarketing Agent, not later than 11:00 a.m., New York time, on such Business Day, of an irrevocable written or telephonic notice (promptly confirmed by telecopy or other writing), which states the principal amount and certificate number (if the Bonds are not then held in book-entry form) of such Bond to be purchased and the date of such purchase; and

(b) except when the Bond is held in book-entry form, delivery of such Bond, accompanied by an instrument of transfer (which may be the form printed on the Bond) executed in blank by its Owner, with such signature guaranteed by a bank, trust company or member firm of the New York Stock Exchange, Inc. to the Delivery Office of the Trustee at or prior to 1:00 p.m., New York time, on such purchase date.

FOR SO LONG AS THE BONDS ARE HELD IN BOOK-ENTRY FORM, THE BENEFICIAL OWNER OF THE BONDS THROUGH ITS DIRECT PARTICIPANT (AS HEREINAFTER DEFINED) MUST GIVE NOTICE TO THE TRUSTEE TO ELECT TO HAVE SUCH BONDS PURCHASED, AND MUST EFFECT DELIVERY OF SUCH BONDS BY CAUSING SUCH DIRECT PARTICIPANT TO TRANSFER ITS INTEREST IN THE BONDS EQUAL TO SUCH BENEFICIAL OWNER'S INTEREST ON THE RECORDS OF DTC TO THE TRUSTEE'S PARTICIPANT ACCOUNT WITH DTC. THE REQUIREMENT FOR PHYSICAL DELIVERY OF THE BONDS IN CONNECTION WITH ANY PURCHASE PURSUANT TO THE PROVISIONS DESCRIBED ABOVE ARE DEEMED SATISFIED WHEN THE OWNERSHIP RIGHTS IN THE BONDS ARE TRANSFERRED BY DTC PARTICIPANTS ON THE RECORDS OF DTC. SEE "—BOOK-ENTRY SYSTEM."

#### MANDATORY PURCHASE

The Bonds are subject to mandatory purchase at a purchase price equal to 100% of the principal amount thereof, plus accrued interest to the purchase date described below, upon the occurrence of any of the events stated below:

(a) on the effective date of any change in a Rate Period; or

(b) on the Business Day preceding an Expiration of the Term of the Letter of Credit or an Expiration of the Term of an Alternate Credit Facility; or

(c) on the next succeeding Business Day following the day that the Trustee receives notice from the Bank or the Obligor on an Alternate Credit Facility, as the case may be, that, following a drawing on the Letter of Credit or the Alternate Credit Facility on an Interest Payment Date for the payment of unpaid interest on the Bonds, the Letter of Credit or the Alternate Credit Facility will not be reinstated in accordance with its terms.

If the Bonds are subject to mandatory purchase in accordance with the provisions described in subparagraph (b) of the preceding paragraph, the Trustee will give notice by mail to the Remarketing Agent and the Owners of the Bonds of the Expiration of the Term of the Letter of Credit or the Expiration of the Term of an Alternate Credit Facility, as the case may be, not less than 15 days prior to the Expiration of the Term of the Letter of Credit or the Expiration of the Term of an Alternate Credit Facility, as the case may be, which notice must (a) describe generally the Letter of Credit or any Alternate Credit Facility in effect prior to such Expiration, and any Alternate Credit Facility to be in effect upon such Expiration and state the effect date and the name of the provider thereof; (b) state the date of the Expiration; (c) state the rating or ratings, if any, which the Bonds are expected to receive from any rating agency following such Expiration; (d) state that the Bonds are subject to mandatory purchase; (e) state the purchase date; and (f) except when the Bonds are held in book-entry form, state that the Bonds must be delivered to the New York office designated by the Trustee as the "Delivery Office of the Trustee."

If the Bonds are subject to mandatory purchase in accordance with the provisions described in subparagraph (c) of the preceding paragraph, the Trustee will, immediately upon receipt of notice from the Bank or the Obligor on a Alternate Credit Facility, as the case may be, that the Letter of Credit or the Alternate Credit Facility will not be reinstated in accordance with its terms, give notice electronically and notice by overnight mail service to the Remarketing Agent and to the Owners of the Bonds at their addresses shown on the registration books kept by the Registrar, which notice shall (a) describe generally any Letter of Credit or any Alternate Credit Facility in effect prior to such mandatory purchase; (b) state that the Letter of Credit or the Alternate Credit Facility, as the case may be, is not being reinstated in accordance with its terms; (c) state that the Bonds are subject to mandatory purchase; (d) state the purchase date; and (e) except when the Bonds are held in book-entry form, state that the Bonds must be delivered to the Delivery Office of the Trustee.

FOR SO LONG AS THE BONDS ARE HELD IN BOOK-ENTRY FORM, NOTICES OF MANDATORY PURCHASE OF BONDS WILL BE GIVEN BY THE TRUSTEE TO DTC ONLY, AND NEITHER THE ISSUER, THE TRUSTEE, THE COMPANY NOR THE REMARKETING AGENT HAS ANY RESPONSIBILITY FOR THE DELIVERY OF ANY SUCH NOTICES BY DTC TO ANY DIRECT PARTICIPANTS OF DTC, BY ANY DIRECT PARTICIPANTS TO ANY INDIRECT PARTICIPANTS OF DTC OR BY ANY DIRECT PARTICIPANTS OR INDIRECT PARTICIPANTS TO BENEFICIAL OWNERS OF THE BONDS. FOR SO LONG AS THE BONDS ARE HELD IN BOOK-ENTRY FORM, THE REQUIREMENT FOR PHYSICAL DELIVERY OF THE BONDS IN CONNECTION WITH ANY PURCHASE PURSUANT TO THE PROVISIONS DESCRIBED ABOVE ARE DEEMED

SATISFIED WHEN THE OWNERSHIP RIGHTS IN THE BONDS ARE TRANSFERRED BY DIRECT PARTICIPANTS ON THE RECORDS OF DTC. SEE “BOOK-ENTRY SYSTEM.”

#### PURCHASE OF BONDS

On the date on which Bonds are delivered to the Trustee for purchase as specified above under “—Optional Purchase” or “—Mandatory Purchase,” the Trustee will pay the purchase price of such Bonds solely from the following sources in the order of priority indicated, and the Trustee has no obligation to use funds from any other source:

(a) Available Moneys (as hereinafter defined) furnished by the Company to the Trustee for the purchase of Bonds;

(b) proceeds of the sale of such Bonds (other than Bonds sold to the Company, any subsidiary of the Company, any guarantor of the Company, or the Issuer or any “insider” (as defined in the United States Bankruptcy Code) of any of the aforementioned) by the Remarketing Agent;

(c) Available Moneys or moneys provided pursuant to the Letter of Credit or an Alternate Credit Facility, as the case may be, for the payment of the purchase price of the Bonds furnished by the Trustee pursuant to the Indenture for the purchase of Bonds deemed paid in accordance with the defeasance provisions of the Indenture;

(d) moneys furnished pursuant to the Letter of Credit or an Alternate Credit Facility, as the case may be, to the Trustee for the payment of the purchase price of the Bonds; and

(e) any other moneys furnished by the Company to the Trustee for purchase of the Bonds;

*provided, however,* that funds for the payment of the purchase price of defeased Bonds may be derived only from the sources described in (c) above.

“*Available Moneys*” means (a) during such time as a Letter of Credit or an Alternate Credit Facility is in effect, (i) moneys on deposit in trust with the Trustee as agent and bailee for the Owners of the Bonds for a period of at least 123 days prior to and during which no petition in bankruptcy or similar insolvency proceeding has been filed by or against the Company or the Issuer (or any subsidiary of the Company, any guarantor of the Company or any insider (as defined in the United States Bankruptcy Code), to the extent that such moneys were deposited by any of such subsidiary, guarantor or insider) or is pending (unless such petition shall have been dismissed and such dismissal shall be final and not subject to appeal) and (ii)(A) proceeds of the issuance of refunding bonds (including proceeds from the investment thereof), and (B) any other moneys, if, in the written opinion of nationally recognized counsel experienced in bankruptcy matters selected by the Company (which opinion shall be in a form acceptable to the Trustee, to Moody’s, if the Bonds are then rated by Moody’s, and to S&P, if the Bonds are then rated by S&P and shall be delivered to the Trustee at or prior to the time of the deposit of such proceeds

with the Trustee), the deposit and use of such proceeds (referred to in clause (A) above) or other moneys (referred to in clause (B) above) will not constitute a voidable preference under Section 547 of the United States Bankruptcy Code in the event either the Issuer or the Company were to become a debtor under the United States Bankruptcy Code, and (b) at any time that a Letter of Credit or an Alternate Credit Facility is not in effect, any moneys on deposit with the Trustee as agent and bailee for the Owners of the Bonds and proceeds from the investment thereof.

#### REMARKETING OF BONDS

The Remarketing Agent will offer for sale and use its best efforts to remarket any Bond subject to purchase pursuant to the optional or mandatory purchase provisions described above, any such remarketing to be made at a price equal to 100% of the principal amount thereof plus accrued interest, if any, to the purchase date. The Company may direct the Remarketing Agent from time to time to cease and to resume sales efforts with respect to some or all of the Bonds.

Anything in the Indenture to the contrary notwithstanding, at any time during which the Letter of Credit or an Alternate Credit Facility, as the case may be, is in effect, there will be no sales of Bonds as described in the preceding paragraph, if (a) there has occurred and has not been cured or waived an Event of Default described in paragraphs (a), (b) or (c) under the caption “THE INDENTURE—Defaults” of which the Remarketing Agent and the Trustee have actual knowledge or (b) the Bonds have been declared to be immediately due and payable as described under the caption “THE INDENTURE—Remedies” and such declaration has not been rescinded pursuant to the Indenture.

#### OPTIONAL REDEMPTION OF BONDS

Bonds may be redeemed at the option of the Company (but only with consent of the Bank (or, if applicable, by the Obligor on an Alternate Credit Facility, if required by the Alternate Credit Facility)), in whole, or in part by lot, prior to their maturity date on any Business Day during a Daily Interest Rate Period or Weekly Interest Rate Period, at a redemption price equal to 100% of the principal amount thereof plus accrued interest, if any, to the date of redemption.

#### EXTRAORDINARY OPTIONAL REDEMPTION OF BONDS

At any time, the Bonds are subject to redemption at the option of the Company (but only with the consent of the Bank (or, if applicable, by the Obligor on an Alternate Credit Facility, if required by the Alternate Credit Facility)) in whole or in part (and if in part, by lot), at a redemption price equal to 100% of the principal amount thereof plus accrued interest to the redemption date, upon receipt by the Trustee of a written notice from the Company stating that any of the following events has occurred and that the Company therefore intends to exercise its option to prepay the payments due under the Loan Agreement in whole or in part and thereby effect the redemption of the Bonds in whole or in part to the extent of such prepayments:

(a) the Company has determined that the continued operation of the Plant is impracticable, uneconomical or undesirable for any reason; or

(b) the Company has determined that the continued operation of the Project is impracticable, uneconomical or undesirable due to (i) the imposition of taxes, other than ad valorem taxes currently levied upon privately owned property used for the same general purpose as the Project, or other liabilities or burdens with respect to the Project or the operation thereof, (ii) changes in technology, in environmental standards or legal requirements or in the economic availability of materials, supplies, equipment or labor or (iii) destruction of or damage to all or part of the Project; or

(c) all or substantially all of the Project or the Plant has been condemned or taken by eminent domain; or

(d) the operation of the Project or the Plant has been enjoined or has otherwise been prohibited by, or conflicts with, any order, decree, rule or regulation of any court or of any federal, state or local regulatory body, administrative agency or other governmental body.

#### SPECIAL MANDATORY REDEMPTION OF BONDS

The Bonds are subject to mandatory redemption at 100% of the principal amount thereof plus accrued interest, if any, to the date of redemption upon the occurrence of the following events.

The Bonds will be redeemed in whole within 180 days following a “*Determination of Taxability*” as defined below; *provided* that, if in the opinion of nationally recognized bond counsel (“*Bond Counsel*”) delivered to the Trustee, the redemption of a specified portion of the Bonds outstanding would have the result that interest payable on the Bonds remaining outstanding after such redemption would remain Tax-Exempt, then the Bonds will be redeemed in part by lot (in Authorized Denominations) in such amount as Bond Counsel in such opinion has determined is necessary to accomplish that result. A “*Determination of Taxability*” is deemed to have occurred if, as a result of an Event of Taxability (as defined below), a final decree or judgment of any federal court or a final action of the Internal Revenue Service determines that interest paid or payable on any Bond is or was includible in the gross income of an owner of the Bonds for federal income tax purposes under the Code (other than an owner who is a “*substantial user*” or “*related person*” within the meaning of Section 103(b)(13) of the 1954 Code). However, no such decree or action will be considered final for this purpose unless the Company has been given written notice and, if it is so desired and is legally allowed, has been afforded the opportunity to contest the same, either directly or in the name of any owner of a Bond, and until conclusion of any appellate review, if sought. If the Trustee receives written notice from any owner stating (a) that the owner has been notified in writing by the Internal Revenue Service that it proposes to include the interest on any Bond in the gross income of such owner for the reasons described therein or any other proceeding has been instituted against such owner which may lead to a final decree or action as described in the Loan Agreement, and (b) that such owner will afford the Company the opportunity to contest the same, either directly or in

the name of the owner, until a conclusion of any appellate review, if sought, then the Trustee will promptly give notice thereof to the Company, the Insurer, if any, the Bank (or the Obligor on an Alternate Credit Facility, as the case may be), the Issuer and the owner of each Bond then outstanding. If a final decree or action as described above thereafter occurs and the Trustee has received written notice thereof at least 45 days prior to the redemption date, the Trustee will make the required demand for prepayment of the amounts payable under the Loan Agreement for prepayment of the Bonds and give notice of the redemption of the Bonds at the earliest practical date, but not later than the date specified in the Loan Agreement, and in the manner provided by the Indenture. An “*Event of Taxability*” means the failure of the Company to observe any covenant, agreement or representation in the Loan Agreement, which failure results in a Determination of Taxability.

#### PROCEDURE FOR AND NOTICE OF REDEMPTION

If less than all of the Bonds are called for redemption, the particular Bonds or portions thereof to be redeemed will be selected by the Trustee, by lot. In selecting Bonds for redemption, the Trustee will treat each Bond as representing that number of Bonds which is obtained by dividing the principal amount of each Bond by the minimum Authorized Denomination. Any Bonds selected for redemption which are deemed to be paid in accordance with the provisions of the Indenture will cease to bear interest on the date fixed for redemption. Subject to the procedures described below under “—Book-Entry System” for Bonds held in book-entry form, upon presentation and surrender of such Bonds at the place or places of payment, such Bonds will be paid and redeemed. Notice of redemption will be given by mail as provided in the Indenture, at least 30 days and not more than 60 days prior to the redemption date, provided that the failure to duly give notice by mailing to any Owner, or any defect therein, does not affect the validity of any proceedings for the redemption of any other of the Bonds. Such notice will also be sent to the Remarketing Agent, the Bank or the Obligor on an Alternate Credit Facility, as the case may be, the Company Mortgage Trustee, Moody’s (if the Bonds are then rated by Moody’s), S&P (if the Bonds are then rated by S&P), securities depositories and bond information services.

With respect to notice of any optional redemption of the Bonds, as described above, unless upon the giving of such notice, such Bonds are deemed to have been paid within the meaning of the Indenture, such notice may state that such redemption is conditional upon the receipt by the Trustee, on or prior to the date fixed for such redemption, of Available Moneys sufficient to pay the principal of, premium, if any, and interest on such Bonds to be redeemed. If such Available Moneys are not so received, the redemption will not be made and the Trustee will give notice, in the manner in which the notice of redemption was given, that such redemption will not take place.

Notwithstanding the foregoing provisions, Pledged Bonds shall be redeemed prior to any other Bonds.

## SPECIAL CONSIDERATIONS RELATING TO THE BONDS

*The Remarketing Agent is Paid by the Company.* The Remarketing Agent's responsibilities include determining the interest rate from time to time and remarketing Bonds that are optionally or mandatorily tendered by the owners thereof (subject, in each case, to the terms of the Indenture and the Remarketing Agreement), all as further described in this Reoffering Circular. The Remarketing Agent is appointed by the Company and paid by the Company for its services. As a result, the interests of the Remarketing Agent may differ from those of existing Holders and potential purchasers of Bonds.

*The Remarketing Agent May Purchase Bonds for Its Own Accounts.* The Remarketing Agent acts as remarketing agent for a variety of variable rate demand obligations and, in its sole discretion, may purchase such obligations for its own accounts. The Remarketing Agent is permitted, but not obligated, to purchase tendered Bonds for its own accounts and, in its sole discretion, may acquire such tendered Bonds in order to achieve a successful remarketing of the Bonds (i.e., because there otherwise are not enough buyers to purchase the Bonds) or for other reasons. However, the Remarketing Agent is not obligated to purchase Bonds, and may cease doing so at any time without notice. The Remarketing Agent may also make a market in the Bonds by purchasing and selling Bonds other than in connection with an optional or mandatory tender and remarketing. Such purchases and sales may be at or below par. However, the Remarketing Agent is not required to make a market in the Bonds. The Remarketing Agent may also sell any Bonds it has purchased to one or more affiliated investment vehicles for collective ownership or enter into derivative arrangements with affiliates or others in order to reduce its exposure to the Bonds. The purchase of Bonds by the Remarketing Agent may create the appearance that there is greater third party demand for the Bonds in the market than is actually the case. The practices described above also may result in fewer Bonds being tendered in a remarketing.

*Bonds May Be Offered at Different Prices on Any Date Including an Interest Rate Determination Date.* Pursuant to the Indenture and the Remarketing Agreement, the Remarketing Agent is required to determine the applicable rate of interest that, in its judgment, is the lowest rate that would permit the sale of the Bonds bearing interest at the applicable interest rate at par plus accrued interest, if any, on and as of the applicable interest rate determination date. The interest rate will reflect, among other factors, the level of market demand for the Bonds (including whether the Remarketing Agent is willing to purchase Bonds for its own accounts). There may or may not be Bonds tendered and remarketed on an interest rate determination date, the Remarketing Agent may or may not be able to remarket any Bonds tendered for purchase on such date at par and the Remarketing Agent may sell Bonds at varying prices to different investors on such date or any other date. The Remarketing Agent is not obligated to advise purchasers in a remarketing if it does not have third party buyers for all of the Bonds at the remarketing price. In the event the Remarketing Agent owns any Bonds for its own account, it may, in its sole discretion in a secondary market transaction outside the tender process, offer such Bonds on any date, including the interest rate determination date, at a discount to par to some investors.

*The Ability to Sell the Bonds Other Than Through the Tender Process May Be Limited.* The Remarketing Agent may buy and sell Bonds other than through the tender process. However, it is not obligated to do so and may cease doing so at any time without notice and may require Holders that wish to tender their Bonds to do so through the Trustee with appropriate notice. Thus, investors who purchase the Bonds, whether in a remarketing or otherwise, should not assume that they will be able to sell their Bonds other than by tendering the Bonds in accordance with the tender process.

*The Remarketing Agent May Resign, be Removed or Cease Remarketing the Bonds, Without a Successor Being Named.* Under certain circumstances the Remarketing Agent may be removed or have the ability to resign or cease its remarketing efforts, without a successor having been named, subject to the terms of the Indenture and the Remarketing Agreement.

#### BOOK-ENTRY SYSTEM

*The following information in this section concerning The Depository Trust Company, New York, New York (“DTC”), and its book-entry system has been furnished for use in the Reoffering Circular by DTC. None of the Company, the Issuers or the Remarketing Agent take any responsibility for the accuracy of such information.*

DTC will act as securities depository for the Bonds. The Bonds were issued as fully-registered bonds registered in the name of Cede & Co. (DTC’s partnership nominee). One fully-registered Bond certificate will be issued for the Bonds of each issue, in the aggregate principal amount thereof, and will be deposited with DTC. One fully-registered Bond was issued for each issue of the Bonds, in the aggregate principal amount of such issue, and was deposited with DTC.

DTC, the world’s largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC’s participants (“*Direct Participants*”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations and certain other organizations. DTC is a whole-owned subsidiary of The Depository Trust & Clearing Corporation (“*DTCC*”). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S and non-U.S. securities brokers and dealers, banks and trust companies and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant,

either directly or indirectly (“*Indirect Participants*”). DTC has Standard & Poor’s highest rating: AAA. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at [www.dtcc.com](http://www.dtcc.com) and [www.dtc.org](http://www.dtc.org).

Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC’s records. The ownership interest of each Beneficial Owner is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC’s partnership nominee, Cede & Co, or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co., or such other DTC nominee, does not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC’s records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Bonds may wish to take certain steps to augment transmission to them of notices of significant events with respect to the Bonds, such as redemptions, tenders, defaults and proposed amendments to documents. For example, Beneficial Owners of Bonds may wish to ascertain that the nominee holding the Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

While Bonds are in the book-entry system, redemption notices will be sent to DTC. If less than all of the Bonds within an issue are being redeemed, DTC’s practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

As long as the book-entry system is used for the Bonds, redemption notices will be sent to Cede & Co. If less than all of the Bonds of any issue are being redeemed, DTC’s practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor such other DTC nominee) will consent or vote with respect to the Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

As long as the book-entry system is used for the Bonds, principal or purchase price of and premium, if any, and interest payments on, the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of fund and corresponding detailed information from the Issuer or the Trustee, on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Company, the Paying Agent, the Trustee, the Remarketing Agent or the Issuer, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal, purchase price, premium and interest with respect to the Bonds to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Issuer or the Paying Agent, disbursement of such payments to Direct Participants are the responsibility of DTC, and disbursement of such payments to the Beneficial Owners are the responsibility of Direct and Indirect Participants.

A Beneficial Owner must give notice to elect to have its Bonds purchased or tendered, through its Participant, to the Remarketing Agent, and must effect delivery of such Bonds by causing the Direct Participant to transfer the Participant's interest in the Bonds, on DTC's records, to the Remarketing Agent. The requirement for physical delivery of Bonds in connection with an optional tender or a mandatory purchase will be deemed satisfied when the ownership rights in the Bonds are transferred by Direct Participants on DTC's records and followed by a book-entry credit of tendered Bonds to the Remarketing Agent's DTC account.

DTC may discontinue providing its services as securities depository with respect to the Bonds at any time by giving reasonable notice to the Issuer or the Trustee. Under such circumstances, in the event that a successor securities depository is not obtained, Bond certificates are required to be printed and delivered.

The Company may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, Bond certificates will be printed and delivered.

None of the Issuer, the Company, the Remarketing Agent, the Trustee nor the Paying Agent will have any responsibility or obligation to any securities depository, any Participants in the Book-Entry System or the Beneficial Owners with respect to (a) the accuracy of any records maintained by the securities depository or any Participant; (b) the payment by the securities depository or by any Participant of any amount due to any Beneficial Owner in respect of the principal amount or redemption of, or interest on, any Bonds; (c) the delivery of any notice by

the securities depository or any Participant; (d) the selection of the Beneficial Owners to receive payment in the event of any partial redemption of the Bonds; or (e) any other action taken by the securities depository or any Participant.

## THE LETTER OF CREDIT AND THE CREDIT AGREEMENT

### LETTER OF CREDIT

On the date of reoffering of the Bonds, the Bank will issue in favor of the Trustee a Letter of Credit in the form of a direct pay letter of credit. The Letter of Credit will be issued in the aggregate principal amount of the Bonds plus 48 days' interest at 12% per annum, on the basis of a 365 day year (as from time to time reduced and reinstated as provided in the Letter of Credit). The Letter of Credit will permit the Trustee to draw up to an amount equal to the then outstanding principal amount of the Bonds to pay the unpaid principal thereof and accrued interest on the Bonds, subject to the terms, conditions and limitations stated therein. The Letter of Credit for the Bonds will be substantially in the form attached hereto as APPENDIX E.

The Letter of Credit will expire on June 1, 2011, but will be automatically extended, without written amendment, to, and shall expire on, June 1, 2012, unless on or before May 2, 2012, notice is received by the Trustee stating that the Bank elects not to extend such Letter of Credit beyond June 1, 2012. The date on which the Letter of Credit expires as described in the preceding sentence, or if such date is not a Business Day then the first succeeding Business Day thereafter is defined in the Letter of Credit as the Expiration Date. As used in the Letter of Credit, the term "Business Day" means a day on which the San Francisco Letter of Credit Operations Office of the Bank is open for business.

Each drawing honored by the Bank under the Letter of Credit will immediately reduce the available amount thereunder by the amount of such drawing. Any drawing to pay interest will be automatically reinstated on the eighth (8th) Business Day following the date such drawing is honored by the Bank, unless the Company shall have received notice from the Bank no later than seven (7) Business Days after such drawing is honored that there shall be no such reinstatement. Any drawing to pay the purchase price of a Bond shall be reinstated if the Bonds related to such drawing are remarketed and the remarketing proceeds are paid to the Bank prior to the Expiration Date in an amount equal to the sum of (i) the amount paid to the Bank from such remarketing proceeds and (ii) interest on such amount. See APPENDIX E.

(i) an involuntary case or other proceeding shall be commenced against the Company seeking liquidation, reorganization or other relief with respect to it or its debts under any bankruptcy, insolvency or other similar law now or hereafter in effect or seeking the appointment of a trustee, receiver, liquidator, custodian or other similar official of it or any substantial part of its property, and such involuntary case or other proceeding shall remain undismissed and unstayed for a period of 60 days; or an order for relief shall be entered against the Company under the federal bankruptcy laws as now or hereafter in effect;

(j) the Company or any member of the ERISA Group shall fail to pay when due an amount or amounts aggregating in excess of \$25,000,000 which it shall have become liable to pay to the PBGC or to a Plan under Title IV of ERISA; or notice of intent to terminate certain material plans identified in the Credit Agreement (each a "*Material Plan*") shall be filed under Title IV of ERISA by any member of the ERISA Group, any plan administrator or any combination of the foregoing; or the PBGC shall institute proceedings under Title IV of ERISA to terminate, to impose liability in excess of \$25,000,000 (other than for premiums under Section 4007 of ERISA) in respect of, or to cause a trustee to be appointed to administer any Material Plan or a proceeding shall be instituted by a fiduciary of any multiemployer plan (identified in the Credit Agreement) against any member of the ERISA Group to enforce Section 515 or 4219(c)(5) of ERISA in respect of an amount or amounts aggregating in excess of \$25,000,000, and such proceeding shall not have been dismissed within 20 days thereafter; or a condition shall

exist by reason of which the PBGC would be entitled to obtain a decree adjudicating that any Material Plan must be terminated; or there shall occur a complete or partial withdrawal from, or a default, within the meaning of Section 4219(c)(5) of ERISA, with respect to, one or more Multiemployer Plans which would cause one or more members of the ERISA Group to incur a current payment obligation in excess of \$25,000,000;

(k) a judgment or order for the payment of money in excess of \$25,000,000 shall be rendered against the Company and such judgment or order shall continue unsatisfied and unstayed for a period of 30 days;

(l) MidAmerican Energy Holdings Company or any wholly-owned subsidiary thereof that owns common stock of the Company (“*MidAmerican*”) shall fail to own (directly or indirectly through one or more Subsidiaries) at least 80% of the outstanding shares of common stock of the Company; any person or group of persons (within the meaning of Section 13 or 14 of the Securities Exchange Act of 1934, as amended), except Berkshire Hathaway Inc. or any wholly-owned subsidiary thereof, shall acquire a beneficial ownership (within the meaning of Rule 13d-3 promulgated by the Securities and Exchange Commission under said Act) of 35% or more of the outstanding shares of common stock of MidAmerican; or, during any period of 14 consecutive calendar months commencing on or after March 21, 2006, individuals who were directors of the Company on the first day of such period and any new director whose election by the board of directors of the Company or nomination for election by the Company’s shareholders was approved by a vote of at least a majority of the directors then still in office who either were directors at the beginning of the applicable period or whose election or nomination for election was previously so approved, shall cease to constitute a majority of the board of directors of the Company.

Upon the occurrence of any Event of Default under the Credit Agreement, the Administrative Agent shall (i) if requested by the Required Banks, by notice to the Company terminate the Commitments and the obligation of each Syndicate Bank to make Loans thereunder and the obligation of each Issuing Bank to issue any letter of credit thereunder and such obligations to make Loans and issue new letters of credit shall thereupon terminate, and (ii) if requested by the Required Banks, by notice to the Company declare the Loans (together with accrued interest thereon) and any outstanding Reimbursement Obligations in respect of any drawing under a letter of credit issued under the Credit Agreement to be, and the same shall thereupon become, immediately due and payable without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Company; *provided* that in the case of any of the Events of Default specified in clause (h) or (i) above with respect to the Company, without any notice to the Company or any other act by the Administrative Agent or the Syndicate Banks, the Commitments shall thereupon terminate and the Loans (together with accrued interest thereon) and any outstanding Reimbursement Obligations in respect of any drawing under a letter of credit issued under the Credit Agreement shall become immediately due and payable without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Company.

The Company agrees, in addition to the Events of Default provisions above, that upon the occurrence and during the continuance of any Event of Default, it shall, if requested by the Administrative Agent upon the instruction of the Required Banks or any Issuing Bank having an outstanding letter of credit issued under the Credit Agreement, pay to the Administrative Agent an amount in immediately available funds (which funds shall be held as collateral pursuant to arrangements satisfactory to the Administrative Agent) equal to the aggregate amount available for drawing under all letters of credit issued under the Credit Agreement outstanding at such time (or, in the case of a request by an Issuing Bank, all such letters of credit issued by it); provided that, upon the occurrence of any Event of Default specified in clause (h) or (i) above with respect to the Company, and on the scheduled termination date of the Credit Agreement, the Company shall pay such amount forthwith without any notice or demand or any other act by the Administrative Agent, any Issuing Bank or any Syndicate Bank.

## THE LOAN AGREEMENT

### ISSUANCE OF THE BONDS; LOAN OF PROCEEDS

The Issuer issued the Bonds for the purpose of refunding the Prior Bonds, the proceeds of which were used to finance or refinance, as the case may be, a portion of the Company's share of the costs of acquiring and improving the Project. The proceeds of the sale of the Bonds have been used to refund the Prior Bonds.

### LOAN PAYMENTS; THE FIRST MORTGAGE BONDS

As and for repayment of the loan made to the Company by the Issuer, the Company will pay to the Trustee, for the account of the Issuer, an amount equal to the principal of, premium, if any, and interest on the Bonds when due on the dates, in the amounts and in the manner provided in the Indenture for the payment of the principal of, premium, if any, and interest on the Bonds, whether at maturity, upon redemption, acceleration or otherwise ("*Loan Payments*"); *provided, however*, that the obligation of the Company to make any such Loan Payment will be reduced by the amount of any reduction under the Indenture of the amount of the corresponding payment required to be made by the Issuer thereunder; and *provided further* that the obligation of the Company to make any such payment is deemed to be satisfied and discharged to the extent of the corresponding payment made (i) by the Bank to the Trustee under the Letter of Credit, (ii) by the Obligor on an Alternate Credit Facility to the Trustee under such Alternate Credit Facility or (iii) by the Company of principal of or premium, if any, or interest on the First Mortgage Bonds.

The Company's obligation to repay the loan made to it by the Issuer is secured by First Mortgage Bonds delivered to the Trustee equal in principal amount to, and bearing interest at the same rate and maturing on the same date as, the Bonds. The payments to be made by the Company pursuant to the Loan Agreement and the First Mortgage Bonds are pledged under the Indenture by the Issuer to the Trustee, and the Company is to make all payments thereunder and thereon directly to the Trustee. See "THE FIRST MORTGAGE BONDS—General" below.

Pursuant to the Loan Agreement, the Company may provide for the release of its First Mortgage Bonds by delivering to the Trustee collateral in substitution for the First Mortgage Bonds (“*Substitute Collateral*”), but only if the Company, on the date of delivery of such Substitute Collateral, simultaneously delivers to the Trustee (a) an opinion of Bond Counsel stating that delivery of such Substitute Collateral and release of the First Mortgage Bonds complies with the terms of the Loan Agreement and will not adversely affect the Tax-Exempt status of the Bonds; (b) written evidence from the Insurer, if any, and from each Bank to the effect that they have reviewed the proposed Substitute Collateral and find it to be acceptable; and (c) written evidence from Moody’s, if the Bonds are then rated by Moody’s, and from S&P, if the Bonds are then rated by S&P, in each case to the effect that such rating agency has reviewed the Substitute Collateral and that the release of the First Mortgage Bonds and the substitution of the Substitute Collateral for the First Mortgage Bonds will not, by itself, result in a reduction, suspension or withdrawal of such rating agency’s rating or ratings of the Bonds.

#### PAYMENTS OF PURCHASE PRICE

The Company will pay or cause to be paid to the Trustee amounts equal to the amounts to be paid by the Trustee pursuant to the Indenture for the purchase of outstanding Bonds thereunder (see “THE BONDS-Optional Purchase” and “—Mandatory Purchase”), such amounts to be paid to the Trustee as the purchase price for the Bonds tendered for purchase pursuant to the Indenture, on the dates such payments are to be made; *provided, however*, that the obligation of the Company to make any such payment under the Loan Agreement will be reduced by the amount of any moneys held by the Trustee under the Indenture and available for such payment.

From the date of delivery of the Letter of Credit to and including the Interest Payment Date next preceding the Expiration of the Term of the Letter of Credit (or the Expiration of the Term of an Alternate Credit Facility, as the case may be), the Company will provide for the payment of the amounts to be paid by the Trustee for the purchase of Bonds by providing for the delivery of the Letter of Credit (or an Alternate Credit Facility, as the case may be) to the Trustee. The Trustee has been directed to take such actions as may be necessary in accordance with the provisions of the Indenture and the Letter of Credit (or an Alternate Credit Facility, as the case may be), to obtain the moneys necessary to pay the purchase price of Bonds when due.

#### OBLIGATION ABSOLUTE

The Company’s obligation to make payments under the Loan Agreement and otherwise on the First Mortgage Bonds is absolute, irrevocable and unconditional and is not subject to cancellation, termination or abatement, or to any defense other than payment, or to any right of setoff, counterclaim or recoupment arising out of any breach under the Loan Agreement or the Indenture or otherwise by the Company, the Trustee, the Remarketing Agent, any Insurer, the Bank (or the Obligor on an Alternate Credit Facility, as the case may be), or any other party or out of any obligation or liability at any time owing to the Company by any such party.

## EXPENSES

The Company is obligated to pay reasonable compensation and to reimburse certain expenses and advances of the Issuer, the Trustee, the Registrar, the Remarketing Agent, the Paying Agent, Moody's and S&P directly to such entity.

## TAX COVENANTS; TAX-EXEMPT STATUS OF BONDS

The Company covenants that the Bond proceeds, the earnings thereon and other moneys on deposit with respect to the Bonds will not be used in such a manner as to cause the Bonds to be "arbitrage bonds" within the meaning of the Code.

The Company covenants that it has not taken, and will not take, or permit to be taken on its behalf, any action which would adversely affect the Tax-Exempt status of the Bonds and will take, or require to be taken, such action as may, from time to time, be required under applicable law or regulation to continue to cause the Bonds to be Tax-Exempt. See "TAX EXEMPTION."

## OTHER COVENANTS OF THE COMPANY

*Maintenance of Existence; Conditions Under Which Exceptions Permitted.* The Company covenants that it will maintain in good standing its corporate existence as a corporation organized under the laws of one of the states of the United States or the District of Columbia and will remain duly qualified to do business in the State of the Issuer, will not dissolve or otherwise dispose of all or substantially all of its assets and will not consolidate with or merge into another corporation; *provided, however*, that the Company may, without violating the foregoing, undertake from time to time any one or more of the following, if, prior to the effective date thereof, there shall have been delivered to the Trustee an opinion of Bond Counsel stating that the contemplated action will not adversely affect the Tax-Exempt status of the Bonds: (a) consolidate with or merge into another domestic corporation (i.e., a corporation incorporated and existing under the laws of one of the states of the United States or of the District of Columbia), or sell or otherwise transfer to another domestic corporation all or substantially all of its assets as an entirety and thereafter dissolve, *provided* the resulting, surviving or transferee corporation, as the case may be, must be the Company or a corporation qualified to do business in the State of the Issuer as a foreign corporation or incorporated and existing under the laws of the State of the Issuer, which as a result of the transaction has assumed (either by operation of law or in writing) all of the obligations of the Company under the Loan Agreement, the First Mortgage Bonds and the Reimbursement Agreement; or (b) convey all or substantially all of its assets to one or more wholly owned subsidiaries of the Company so long as the Company remains in existence and primarily liable on all of its obligations under the Loan Agreement and such subsidiary or subsidiaries to which such assets are so conveyed guarantees in writing the performance of all of the Company's obligations under the Loan Agreement, the First Mortgage Bonds and the Reimbursement Agreement.

*Assignment.* With the consent of the Bank (or the Obligor on an Alternate Credit Facility), the Company's interest in the Loan Agreement may be assigned in whole or in part by the Company to another entity, subject, however, to the conditions that no assignment will (a)

adversely affect the Tax-Exempt status of the Bonds or (b) relieve (other than as described in “*Maintenance of Existence; Conditions Under Which Exceptions Permitted*” above) the Company from primary liability for its obligations to pay the First Mortgage Bonds or to make the Loan Payments or to make payments to the Trustee with respect to payment of the purchase price of the Bonds or for any other of its obligations under the Loan Agreement; and subject further to the condition that the Company has delivered to the Trustee and the Bank (or the Obligor on an Alternate Credit Facility an opinion of counsel to the Company that such assignment complies with the provisions described in this paragraph and an opinion of Bond Counsel to the effect that the proposed assignment will not impair the validity of the Bonds under the Act, or adversely affect the Tax-Exempt status of the Bonds. The Company must, within 30 days after the delivery thereof, furnish to the Issuer and the Trustee a true and complete copy of the agreements or other documents effectuating any such assignment.

*Maintenance and Repair; Taxes, Etc.* The Company will maintain the Project in good repair, keep the same insured in accordance with standard industry practice and pay all costs thereof. The Company will pay or cause to be paid all taxes, special assessments and governmental, utility and other charges with respect to the Project.

The Company may at its own expense cause the Project to be remodeled or cause such substitutions, modifications and improvements to be made to the Facilities from time to time as the Company, in its discretion, may deem to be desirable for its uses and purposes, which remodeling, substitutions, modifications and improvements are included under the terms of the Loan Agreement as part of the Pollution Control Facilities; *provided, however*, that the Company may not exercise any such right, power, election or option if the proposed remodeling, substitution, modification or improvement would adversely affect the Tax-Exempt status of the Bonds.

The Company will cause insurance to be taken out and continuously maintained in effect with respect to the Pollution Control Facilities in accordance with standard industry practice.

Anything in the Loan Agreement to the contrary notwithstanding, the Company has the right at any time to cause the operation of the Pollution Control Facilities to be terminated if the Company has determined that the continued operation of the Project or the Pollution Control Facilities is uneconomical for any reason.

#### LETTER OF CREDIT; ALTERNATE CREDIT FACILITY

The Company may, at any time, at its option:

(a) provide for the delivery on any Business Day to the Trustee of an Alternate Credit Facility or a Substitute Letter of Credit, but only provided that:

(i) the Company shall deliver to the Trustee, the Remarketing Agent and the Bank (or the Obligor on the Alternate Credit Facility, as the case may be), a notice which (A) states (I) the effective date of the Alternate Credit Facility or Substitute Letter of Credit to be so provided, and (II) the Expiration of the Term

of the Letter of Credit or the Expiration of the Term of the Alternate Credit Facility which is to be replaced (which Expiration shall not be prior to the effective date of the Alternate Credit Facility to be so provided), (B) describes the terms of the Alternate Credit Facility or Substitute Letter of Credit, (C) directs the Trustee to give notice of the mandatory purchase of the Bonds on the Business Day next preceding the Expiration of the Term of the Letter of Credit or the Expiration of the Term of the Alternate Credit Facility which is to be replaced (which Business Day shall be not less than 30 days from the date of receipt by the Trustee of the notice from the Company specified above), in accordance with the Indenture, and (D) directs the Trustee, after taking such actions as are required to be taken to provide moneys due under the Indenture in respect of the Bonds or the purchase thereof, to surrender the Letter of Credit or Alternate Credit Facility, as the case may be, which is to be replaced, to the obligor thereon on the next Business Day after the later of the effective date of the Alternate Credit Facility or the Substitute Letter of Credit to be provided and the Expiration of the Term of the Letter of Credit or Expiration of the Term of the Alternate Credit Facility which is to be replaced and thereupon to deliver any and all instruments which may be reasonably requested by such obligor and furnished to the Trustee (but such surrender shall occur only if the requirement of (ii) below has been satisfied);

(ii) on the date of delivery of the Alternate Credit Facility or the Substitute Letter of Credit (which shall be the effective date thereof), the Company shall furnish to the Trustee simultaneously with such delivery of the Alternate Credit Facility or Substitute Letter of Credit (which delivery must occur prior to 9:30 a.m., New York time, on such date, unless a later time on such date shall be acceptable to the Trustee) an opinion of Bond Counsel stating that the delivery of such Alternate Credit Facility or Substitute Letter of Credit (A) complies with the terms of the Loan Agreement and (B) will not adversely affect the Tax-Exempt status of the Bonds; and

(iii) in the case of the delivery of a Substitute Letter of Credit, the Company has received the written consent of the Bank or the Obligor on an Alternate Credit Facility; or

(b) provide for the termination on any Business Day of the Letter of Credit or any Alternate Credit Facility then in effect, but only provided that:

(i) the Company shall deliver to the Trustee, the Remarketing Agent and the Bank (or the Obligor on the Alternate Credit Facility, as the case may be), a notice which (A) states the Expiration of the Term of the Letter of Credit or the Expiration of the Term of the Alternate Credit Facility which is to be terminated, (B) directs the Trustee to give notice of the mandatory purchase of the Bonds on the Business Day next preceding the Expiration of the Term of the Letter of Credit or the Expiration of the Term of the Alternate Credit Facility which is to be terminated (which Business Day shall be not less than 30 days from the date of

receipt by the Trustee of the notice from the Company specified above), in accordance with the Indenture, and (C) directs the Trustee, after taking such actions as are required to be taken to provide moneys due under the Indenture in respect of the Bonds or the purchase thereof, to surrender the Letter of Credit or Alternate Credit Facility, as the case may be, which is to be terminated, to the obligor thereon on the next Business Day after the Expiration of the Term of the Letter of Credit or the Expiration of the Term of the Alternate Credit Facility which is to be terminated and to thereupon deliver any and all instruments which may be reasonably requested by such obligor and furnished to the Trustee (but such surrender shall occur only if the requirement of (ii) below has been satisfied); and

(ii) on the Business Day next preceding the Expiration of the Term of the Letter of Credit or the Expiration of the Term of the Alternate Credit Facility, which is to be terminated, the Company shall furnish to the Trustee (prior to 9:30 a.m., New York time, on such Business Day, unless a later time on such Business Day shall be acceptable to the Trustee) an opinion of Bond Counsel stating that the termination of such Alternate Credit Facility or Letter of Credit (A) complies with the terms of the Loan Agreement and (B) will not adversely affect the Tax-Exempt status of the Bonds.

#### EXTENSION OF A LETTER OF CREDIT

The Company may, at its election, but only with the written consent of the Bank or the Obligor on an Alternate Credit Facility, as the case may be, at any time provide for one or more extensions of the Letter of Credit or Alternate Credit Facility then in effect, as the case may be, for any period commencing after its then-current expiration date.

#### DEFAULTS

Each of the following events constitute an “Event of Default” under the Loan Agreement:

(a) a failure by the Company to make when due any Loan Payment, any payment required to be made to the Trustee for the purchase of Bonds or any payment on the First Mortgage Bonds, which failure has resulted in an “Event of Default” as described herein in paragraph (a), (b) or (c) under “THE INDENTURE—Defaults;”

(b) a failure by the Company to pay when due any amount required to be paid under the Loan Agreement or to observe and perform any other covenant, condition or agreement on the Company’s part to be observed or performed under the Loan Agreement (other than a failure described in clause (a) above), which failure continues for a period of 60 days (or such longer period as the Issuer, the Bank (or the Obligor on an Alternate Credit Facility, as the case may be) and the Trustee may agree to in writing) after written notice given to the Company and the Bank (or the Obligor on an Alternate Credit Facility, as the case may be) by the Trustee or to the Company, the Bank (or the Obligor on an Alternate Credit Facility, as the case may be and the Trustee by the Issuer;

*provided, however*, that if such failure is other than for the payment of money and cannot be corrected within the applicable period, such failure does not constitute an Event of Default so long as the Company institutes corrective action within the applicable period and such action is being diligently pursued; or

(c) certain events of bankruptcy, dissolution, liquidation or reorganization of the Company.

The Loan Agreement provides that, with respect to any Event of Default described in clause (b) above if, by reason of acts of God, strikes, orders of political bodies, certain natural disasters, civil disturbances and certain other events specified in the Loan Agreement, or any cause or event not reasonably within the control of the Company, the Company is unable in whole or in part to carry out one or more of its agreements or obligations contained in the Loan Agreement (other than certain obligations specified in the Loan Agreement, including its obligations to make when due Loan Payments and otherwise on the First Mortgage Bonds, payments to the Trustee for the purchase of Bonds, to pay certain expenses and taxes, to indemnify the Issuer, the Trustee and others against certain liabilities, to discharge liens and to maintain its existence), the Company will not be deemed in default by reason of not carrying out such agreements or performing such obligations during the continuance of such inability.

#### REMEDIES

Upon the occurrence and continuance of any Event of Default described in (a) or (c) under “Defaults” above, and further upon the condition that, in accordance with the terms of the Indenture, the Bonds have been declared to be immediately due and payable pursuant to any provision of the Indenture, the Loan Payments will, without further action, become and be immediately due and payable. Any waiver of any Event of Default under the Indenture and a rescission and annulment of its consequences will constitute a waiver of the corresponding Event or Events of Default under the Loan Agreement and a rescission and annulment of the consequences thereof. See “THE INDENTURE—Defaults.” Upon the occurrence and continuance of any Event of Default arising from a “Default” as such term is defined in the Company Mortgage, the Trustee, as holder of the First Mortgage Bonds, will, subject to the provisions of the Indenture, have the rights provided in the Company Mortgage. Any waiver made in accordance with the Indenture of a “Default” under the Company Mortgage and a rescission and annulment of its consequences constitutes a waiver of the corresponding Event or Events of Default under the Loan Agreement and a rescission and annulment of the consequences thereof.

Upon the occurrence and continuance of any Event of Default under the Loan Agreement, the Issuer may take any action at law or in equity to collect any payments then due and thereafter to become due, or to seek injunctive relief or specific performance of any obligation, agreement or covenant of the Company under the Loan Agreement and under the First Mortgage Bonds.

Any amounts collected from the Company upon an Event of Default under the Loan Agreement will be applied in accordance with the Indenture.

## AMENDMENTS

The Loan Agreement may be amended subject to the limitations contained in the Loan Agreement and in the Indenture. See “THE INDENTURE—Amendment of the Loan Agreement.”

## THE INDENTURE

### PLEDGE AND SECURITY

Pursuant to the Indenture, the Loan Payments have been pledged by the Issuer to secure the payment of the principal of, and premium, if any, and interest on, the Bonds. The Issuer has also pledged and assigned to the Trustee all its rights and interests under the Loan Agreement (other than its rights to indemnification and reimbursement of expenses and certain other rights), including the Issuer’s right to delivery of the First Mortgage Bonds, and has pledged to the Trustee all moneys and obligations deposited or to be deposited in the Bond Fund established with the Trustee; *provided* that the Trustee, the Remarketing Agent, the Paying Agent and the Registrar will have a prior claim on the Bond Fund for the payment of their compensation and expenses and for the repayment of any advances (plus interest thereon) made by them to effect performance of certain covenants in the Indenture if the Company has failed to make any payment which results in an Event of Default under the Loan Agreement.

### APPLICATION OF PROCEEDS OF THE BOND FUND

The proceeds from the sale of the Bonds, excluding accrued interest, if any, were deposited with the trustee for the Prior Bonds and used to refund the Prior Bonds. There is created under the Indenture a Bond Fund to be held by the Trustee and therein established a Principal Account and an Interest Account. Payments made by the Company under the Loan Agreement and otherwise on the First Mortgage Bonds in respect of the principal of, premium, if any, and interest on, the Bonds and certain other amounts specified in the Indenture are to be deposited in the appropriate account in the Bond Fund. While any Bonds are outstanding and except as provided in a Tax Exemption Certificate and Agreement among the Trustee, the Issuer and the Company (the “*Tax Certificate*”), moneys in the Bond Fund will be used solely for the payment of the principal of, and premium, if any, and interest on, the Bonds as the same become due and payable at maturity, upon redemption or upon acceleration of maturity, subject to the prior claim of the Trustee, the Remarketing Agent, the Paying Agent and the Registrar to the extent described above in “Pledge and Security.”

### INVESTMENT OF FUNDS

Subject to the provisions of the Tax Certificate, moneys in the Bond Fund will, at the direction of the Company, be invested in securities or obligations specified in the Indenture. Gains from such investments will be credited, and any loss will be charged, to the particular fund or account from which the investments were made.

## DEFAULTS

Each of the following events will constitute an “Event of Default” under the Indenture:

(a) subject to the Remarketing Agents efforts to remarket Pledged Bonds, a failure to pay the principal of, or premium, if any, on any of the Bonds when the same becomes due and payable at maturity, upon redemption or otherwise;

(b) subject to the Remarketing Agents efforts to remarket Pledged Bonds, a failure to pay an installment of interest on any of the Bonds for a period of one day after such interest has become due and payable;

(c) a failure to pay amounts due in respect of the purchase price of Bonds delivered to the Trustee for purchase after such payment has become due and payable as provided under the captions “THE BONDS—Optional Purchase” and “—Mandatory Purchase;”

(d) a failure by the Issuer to observe and perform any covenant, condition, agreement or provision contained in the Bonds or the Indenture (other than a failure described in clause (a), (b) or (c) above), which failure continues for a period of 90 days after written notice has been given to the Issuer and the Company by the Trustee, which notice may be given at the discretion of the Trustee and must be given at the written request of the Owners of not less than 25% in principal amount of Bonds then outstanding, unless such period is extended prior to its expiration by the Trustee, or by the Trustee and the Owners of a principal amount of Bonds not less than the principal amount of Bonds the Owners of which requested such notice, as the case may be; *provided, however*, that the Trustee, or the Trustee and the Owners of such principal amount of Bonds, as the case may be, will be deemed to have agreed to an extension of such period if corrective action is initiated by the Issuer, or the Company on behalf of the Issuer, within such period and is being diligently pursued;

(e) an “Event of Default” under the Loan Agreement;

(f) a “Default” under the Company Mortgage; or

(g) the Trustee’s receipt of written notice (which may be given by telefacsimile) from the Bank (or the Obligor on the Alternate Credit Facility, as the case may be) of an event of default under and as defined in the Reimbursement Agreement and stating that such notice is given pursuant to the Indenture.

## REMEDIES

Upon the occurrence (without waiver or cure) of an Event of Default described in clause (a), (b), (c), (f) or (g) under “Defaults” above or an Event of Default described in clause (e) under “Defaults” above resulting from an “Event of Default” under the Loan Agreement as described under clause (a) or (c) of “THE LOAN AGREEMENT—Defaults” herein, and further upon

the conditions that, if (a) in accordance with the terms of the Company Mortgage, the First Mortgage Bonds have become immediately due and payable pursuant to any provision of the Company Mortgage and (b) there has been filed with the Trustee a written direction of the Bank (if its Letter of Credit is in effect and if no Bank Default shall have occurred and be continuing) or the Insurer (if its Insurance Policy is in effect and no Insurer Default has occurred and is continuing), then the Bonds will, without further action, become immediately due and payable and, during the period the Letter of Credit or an Alternate Credit Facility, as the case may be, is in effect, with accrued interest on the Bonds payable on the Bond Payment Date fixed as described in the Indenture and the Trustee will as promptly as practicable draw moneys under the Letter of Credit or an Alternate Credit Facility, as the case may be, to the extent available thereunder, in an amount sufficient to pay principal of and accrued interest on the Bonds payable on the Bond Payment Date established as described in the Indenture; *provided* that any waiver of any “Default” under the Company Mortgage and a rescission and annulment of its consequences will constitute a waiver of the corresponding Event or Events of Default under the Indenture and rescission and annulment of the consequences thereof.

The provisions described in the preceding paragraph are subject further to the condition that if, so long as no Letter of Credit or Alternate Credit Facility is outstanding, after the principal of the Bonds have been so declared to be due and payable and before any judgment or decree for the payment of the moneys due have been obtained or entered as hereinafter provided, the Issuer will cause to be deposited with the Trustee a sum sufficient to pay all matured installments of interest upon all Bonds and the principal of any and all Bonds which have become due otherwise than by reason of such declaration (with interest upon such principal and, to the extent permissible by law, on overdue installments of interest, at the rate per annum specified in the Bonds) and such amount as are sufficient to cover reasonable compensation and reimbursement of expenses payable to the Trustee, and all Events of Default under the Indenture (other than nonpayment of the principal of Bonds which has become due by said declaration) has been remedied, then, in every such case, such Event of Default is deemed waived and such declaration and its consequences rescinded and annulled, and the Trustee will promptly give written notice of such waiver, rescission and annulment to the Issuer and the Company and will give notice thereof to Owners of the Bonds by first-class mail; *provided, however*, that no such waiver, rescission and annulment will extend to or affect any other Event of Default or subsequent Event of Default or impair any right, power or remedy consequent thereon.

The provisions described in the second preceding paragraph are, further, subject to the condition that, if an Event of Default described in clause (g) under “Defaults” above has occurred and if the Trustee thereafter has received written notice from the Bank (or the Obligor on the Alternate Credit Facility, as the case may be) (a) that the notice which caused such Event of Default to occur has been withdrawn and (b) that the amounts available to be drawn on the Letter of Credit (or the Alternate Credit Facility, as the case may be) to pay (i) the principal of the Bonds or the portion of purchase price equal to principal and (ii) interest on the Bonds and the portion of purchase price equal to accrued interest have been reinstated to an amount equal to the principal amount of the Bonds Outstanding plus accrued interest thereon for the applicable Interest Coverage Period at the Interest Coverage Rate, then, in every such case, such Event of Default is deemed waived and its consequences rescinded and annulled, and the Trustee will promptly give written notice of such waiver, rescission and annulment to the Issuer, the

Company, the Bank (or the Obligor on the Alternate Credit Facility, as the case may be) and the Remarketing Agent, and, if notice of the acceleration of the Bonds has been given to the Owners of Bonds, will give notice thereof by Mail to all Owners of Outstanding Bonds; but no such waiver, rescission and annulment will extend to or affect any subsequent Event of Default or impair any right or remedy consequent thereon.

Upon the occurrence and continuance of any Event of Default under the Indenture, the Trustee may, with the consent of the Bank (if its Letter of Credit is in effect and if no Bank Default shall have occurred and be continuing) or the Insurer (if its policy is in effect and no Insurer Default has occurred and is continuing), and upon the written direction of the Owners of not less than 25% in principal amount of the Bonds outstanding and receipt of indemnity to its satisfaction (except against gross negligence or willful misconduct) must, pursue any available remedy to enforce the rights of the Owners of the Bonds and require the Company, the Issuer, the Insurer or the Bank (or the Obligor on an Alternate Credit Facility, as the case may be) to carry out any agreements, bring suit upon the Bonds or enjoin any acts or things which may be unlawful or in violation of the rights of the Owners of the Bonds. So long as an Insurer Default has not occurred and is continuing, upon the occurrence and continuance of an Event of Default, the Insurer is entitled to control and direct the enforcement of all rights and remedies granted to the Owners or the Trustee for the benefit of the Owners under the Indenture. So long as a Bank Default has not occurred and is continuing, upon the occurrence and continuance of an Event of Default, the Bank is entitled to control and direct the enforcement of all rights and remedies granted to the owners or the Trustee for the benefit of Owners under the Indenture. The Trustee is not required to take any action in respect of an Event of Default (other than, in certain circumstances, to declare the Bonds to be immediately due and payable, to notify the Insurer of payments to be made pursuant to the Insurance Policy, to make certain payments with respect to the Bonds and to draw on the Letter of Credit (or Alternate Credit Facility, as the case may be)) or to enforce the trusts created by the Indenture except upon the written request of the Owners of not less than 25% in principal amount of the Bonds then outstanding and receipt of indemnity satisfactory to it.

The Owners of a majority in principal amount of Bonds then outstanding will have the right to direct the time, method and place of conducting all remedial proceedings available to the Trustee under the Indenture or exercising any trust or power conferred on the Trustee upon furnishing satisfactory indemnity to the Trustee (except against gross negligence or willful misconduct) and provided that such direction does not result in any personal liability of the Trustee.

No Owner of any Bond will have any right to institute any suit, action or proceeding in equity or at law for the execution of any trust or power of the Trustee unless such Owner has previously given the Trustee written notice of an Event of Default and unless the Owners of not less than 25% in principal amount of the Bonds then outstanding have made written request of the Trustee so to do, and unless satisfactory indemnity (except against gross negligence or willful misconduct) has been offered to the Trustee and the Trustee has not complied with such request within a reasonable time.

Notwithstanding any other provision in the Indenture, the right of any Owner to receive payment of the principal of, premium, if any, and interest on the Owner's Bond on or after the respective due dates expressed therein, or to institute suit for the enforcement of any such payment on or after such respective dates, will not be impaired or affected without the consent of such Owner of Bonds.

#### DEFEASANCE

All or any portions of Bonds (in Authorized Denominations) will, prior to the maturity or redemption date thereof, be deemed to have been paid for all purposes of the Indenture when:

(a) in the event said Bonds or portions thereof have been selected for redemption, the Trustee has given, or the Company has given to the Trustee in form satisfactory to it irrevocable instructions to give, notice of redemption of such Bonds or portions thereof;

(b) there has been deposited with the Trustee moneys which constitute Available Moneys or moneys drawn under the Letter of Credit or an Alternate Credit Facility;

(c) the moneys so deposited with the Trustee are in an amount sufficient (without relying on any investment income) to pay when due the principal of, premium, if any, and interest due and to become due (which amount of interest to become due is calculated at the Maximum Interest Rate unless the interest rate borne by all of such Bonds is not subject to adjustment prior to the maturity or redemption thereof, in which case the amount of interest is calculated at the rate borne by such Bonds) on said Bonds or portions thereof on and prior to the redemption date or maturity date thereof, as the case may be; *provided, however*, that if such payment is to be made upon optional redemption, such payment is made from Available Moneys;

(d) in the event said Bonds or portions thereof do not mature and are not to be redeemed within the next succeeding 60 days, the Issuer at the direction of the Company has given the Trustee in form satisfactory to it irrevocable instructions to give, as soon as practicable in the same manner as a notice of redemption is given pursuant to the Indenture, a notice to the Owners of said Bonds or portions thereof and to the Insurer that the deposit required by clause (b) above has been made with the Trustee and that said Bonds or portions thereof are deemed to have been paid and stating the maturity or redemption date upon which moneys are to be available for the payment of the principal of and premium, if any, and interest on said Bonds or portions thereof;

(e) the Issuer, the Company, the Trustee, Moody's, if the Bonds are then rated by Moody's, and S&P, if the Bonds are then rated by S&P, and the Insurer have received an opinion of an independent public accountant of nationally recognized standing, selected by the Company (an "*Accountant's Opinion*"), to the effect that the requirements set forth in clause (c) above have been satisfied;

(f) the Issuer, the Company, the Trustee and the Insurer shall have received written evidence from Moody's, if the Bonds are then rated by Moody's, and S&P, if the Bonds are then rated by S&P, that such action will not result in a reduction, suspension or withdrawal of the rating; and

(g) the Issuer, the Company, the Trustee, Moody's, if the Bonds are then rated by Moody's, and S&P, if the Bonds are then rated by S&P, and the Insurer have received an opinion of Bond Counsel to the effect that such deposit will not adversely affect the Tax-Exempt status of the Bonds ("*Bond Counsel's Opinion*").

Moneys deposited with the Trustee as described above may not be withdrawn or used for any purpose other than, and are held in trust for, the payment of the principal of, premium, if any, and interest on said Bonds or portions thereof, or for the payment of the purchase price of Bonds in accordance with the Indenture; *provided* that such moneys, if not then needed for such purpose, will, to the extent practicable, be invested and reinvested in Government Obligations maturing on or prior to the earlier of (a) the date moneys may be required for the purchase of Bonds or (b) the Interest Payment Date next succeeding the date of investment or reinvestment, and interest earned from such investments are paid over to the Company, as received by the Trustee, free and clear of any trust, lien or pledge.

The provisions of the Indenture relating to (a) the registration and exchange of Bonds, (b) the delivery of Bonds to the Trustee for purchase and the related obligations of the Trustee with respect thereto, (c) the mandatory purchase of the Bonds in connection with the Expiration of the Term of the Letter of Credit or the Expiration of the Term for Alternate Credit Facility, as the case may be, and (d) payment of the Bonds from such moneys, will remain in full force and effect with respect to all Bonds until the maturity date of the Bonds or the last date fixed for redemption of all Bonds prior to maturity, notwithstanding that all or any portion of the Bonds are deemed to be paid; *provided, however*, that the provisions with respect to registration and exchange of Bonds will continue to be effective until the maturity or the last date fixed for redemption of all Bonds.

In the event the requirements of the next to the last sentence of the next succeeding paragraph can be satisfied, the preceding three paragraphs will not apply and the following two paragraphs will be applicable.

Any Bond will be deemed to be paid within the meaning of the Indenture when (a) payment of the principal of and premium, if any, on such Bond, plus interest thereon to the due date thereof (whether such due date is by reason of maturity or acceleration or upon redemption as provided in the Indenture) either (i) has been made or caused to be made in accordance with the terms thereof or (ii) has been provided for by irrevocably depositing with the Trustee in trust and irrevocably set aside exclusively for such payment, (A) moneys, which are Available Moneys or moneys drawn under the Letter of Credit or an Alternate Credit Facility, as the case may be, sufficient to make such payment and/or (B) Government Obligations purchased with Available Moneys or moneys drawn under the Letter of Credit or an Alternate Credit Facility, as the case may be, and maturing as to principal and interest in such amount and at such time as will insure, without reinvestment, the availability of sufficient moneys to make such payment;

*provided, however*, that if such payment is to be made upon optional redemption, such payment is made from Available Moneys or from Government Obligations purchased with Available Moneys; (b) all necessary and proper fees, compensation and expenses of the Issuer, the Trustee and the Registrar pertaining to the Bonds with respect to which such deposit is made have been paid or the payment thereof provided for to the satisfaction of the Trustee; and (c) an Accountant's Opinion, to the effect that such moneys and/or Government Obligations will insure, without reinvestment, the availability of sufficient moneys to make such payment, a Bankruptcy Counsel's Opinion to the effect that the payment of the Bonds from the moneys and/or Government Obligations so deposited will not result in a voidable preference under Section 547 of the United States Bankruptcy Code in the event that either the Issuer of the Company were to become a debtor under the United States Bankruptcy Code and a Bond Counsel's Opinion has been delivered to the Issuer, the Company, the Trustee, Moody's, if the Bonds are then rated by Moody's, and S&P, if the Bonds are then rated by S&P. The provisions of this paragraph apply only if (x) the Bond with respect to which such deposit is made is to mature or be called for redemption prior to the next succeeding date on which such Bond is subject to purchase as described herein under the captions "THE BONDS—Optional Purchase" and "—Mandatory Purchase" and (y) the Company waives, to the satisfaction of the Trustee, its right to convert the interest rate borne by such Bond.

Notwithstanding the foregoing paragraph, no deposit under clause (a)(ii) of the immediately preceding paragraph will be deemed a payment of such Bonds as aforesaid until: (a) proper notice of redemption of such Bonds has been previously given in accordance with the Indenture, or in the event said Bonds are not to be redeemed within the next succeeding 60 days, until the Company has given the Trustee on behalf of the Issuer, in form satisfactory to the Trustee, irrevocable instructions to notify, as soon as practicable, the Owners of the Bonds in accordance with the Indenture, that the deposit required by clause (a)(ii) above has been made with the Trustee and that said Bonds are deemed to have been paid in accordance with the Indenture and stating the maturity or redemption date upon which moneys are to be available for the payment of the principal of and the applicable redemption premium, if any, on said Bonds, plus interest thereon to the due date thereof; or (b) the maturity of such Bonds.

#### REMOVAL OF TRUSTEE

With the prior written consent of the Bank or the Obligor on an Alternate Credit Facility, as the case may be (which consent, if unreasonably withheld, will not be required), the Trustee may be removed at any time by filing with the Trustee so removed, and with the Issuer, the Company, the Insurer, if any, the Registrar, the Remarketing Agent and the Bank (or the Obligor on an Alternate Credit Facility, as the case may be), an instrument or instruments in writing executed by (a) the Insurer, if any and if no Insurer Default has occurred and is continuing, or (b) the Owners of not less than a majority in principal amount of the Bonds then outstanding and, if no Insurer Default has occurred and is continuing, the Insurer, if any. The Trustee may also be removed by the Issuer under certain circumstances.

## MODIFICATIONS AND AMENDMENTS

The Indenture may be modified or amended by the Issuer and the Trustee by supplemental indentures without the consent of the Owners of the Bonds, but with the consent of the Bank in certain circumstances, for any of the following purposes: (a) to cure any formal defect, omission, inconsistency or ambiguity in the Indenture; (b) to add to the covenants and agreements of the Issuer contained in the Indenture or of the Company, the Insurer, if any, or the Bank (or the Obligor on an Alternate Credit Facility, as the case may be) contained in any document, other covenants or agreements thereafter to be observed, or to assign or pledge additional security for any of the Bonds, or to surrender any right or power reserved or conferred upon the Issuer or the Company which does not materially adversely affect the interests of Owners of the Bonds; (c) to confirm, as further assurance, any pledge of or lien on any property subjected or to be subjected to the lien of the Indenture; (d) to comply with the requirements of the Trust Indenture Act of 1939, as amended; (e) to modify, alter, amend or supplement the Indenture or any supplemental indenture in any other respect which in the judgment of the Trustee is not materially adverse to the Owners of the Bonds; *provided, however*, that any such modification, alteration, amendment or supplement will not take effect until the Insurer, if any (unless an Insurer Default has occurred and is continuing), and the Bank or the Obligor on an Alternate Credit Facility, as the case may be, has consented in writing to such modification, alteration, amendment or supplement; *provided further* that in determining whether any such modification, alteration, amendment or supplement is materially adverse to the Owners of the Bonds, the Trustee will consider the effect on the Owners as if there were no Insurance Policy with respect to the Bonds; (f) to implement a conversion of the interest rate on the Bonds or to evidence or give effect to or facilitate the delivery and administration under the Indenture of an Alternate Credit Facility or on a Substitute Letter of Credit; (g) to provide for a depository to accept tendered Bonds in lieu of the Trustee; (h) to modify or eliminate the book-entry registration system for any of the Bonds; (i) to provide for uncertificated Bonds or for the issuance of coupons and bearer Bonds or Bonds registered only as to principal, but only to the extent that such would not adversely affect the Tax-Exempt status of the Bonds; (j) to secure or maintain ratings for the Bonds from Moody's and/or S&P in both the highest short-term or commercial paper debt Rating Category (as defined in the Indenture) and also in either of the two highest long-term debt Rating Categories; (k) to provide demand purchase obligations to cause the Bonds to be authorized purchases for investment companies; (l) to provide for any Substitute Collateral and the release of any First Mortgage Bonds; (m) to provide for the appointment of a successor Trustee, Registrar or Paying Agent; (n) to provide the procedures required to permit any Owner to separate the right to receive interest on the Bonds from the right to receive principal thereof and to sell or dispose of such right as contemplated by Section 1286 of the Code; (o) to provide for any additional procedures, covenants or agreements necessary to maintain the Tax-Exempt status of the Bonds; (p) to modify, alter, amend or supplement the Indenture in any other respect, if the effective date of such supplemental indenture or amendment is a date on which all of the Bonds affected thereby are subject to mandatory purchase and are so purchased; and (q) to provide for the delivery to the Trustee of an Insurance Policy or replacement of any Insurer or for an additional Insurer following the occurrence of an Insurer Default or to provide for an additional Insurer following the withdrawal or suspension or reduction below AAA (or its equivalent rating) by S&P and Aaa (or its equivalent rating) by Moody's of the long-term ratings of any Insurer then providing an Insurance Policy with respect

to the Bonds provided that the insurance policy provided by the replacement or additional Insurer would result in a long-term rating on the Bonds equal to AAA (or its equivalent rating) by S&P and Aaa (or its equivalent rating) by Moody's.

Before the Issuer and the Trustee enter into any supplemental indenture as described above, there must be delivered to the Trustee, the Company, the Insurer, if any, and the Bank (or the Obligor on an Alternate Credit Facility, as the case may be) an opinion of Bond Counsel stating that such supplemental indenture is authorized or permitted by the Indenture and will, upon the execution and delivery thereof, be valid and binding upon the Issuer in accordance with its terms, and will not impair the validity under the Act, of the Bonds or adversely affect the Tax-Exempt status of the Bonds.

The Trustee will provide written notice of any Supplemental Indenture to the Insurer, if any, the Bank (or the Obligor on an Alternate Credit Facility, as the case may be), Moody's, S&P and the Owners of all the Bonds then outstanding at least 30 days prior to the effective date of such Supplemental Indenture. Such notice must state the effective date of such Supplemental Indenture, briefly describe the nature of such Supplemental Indenture and state that a copy thereof is on file at the principal office of the Trustee for inspection by the parties mentioned in the preceding sentence.

Except for supplemental indentures entered into for the purposes described above, the Indenture will not be modified, altered, amended supplemented or rescinded without the consent of the Bank (if its Letter of Credit is in effect and no Bank Default has occurred and is continuing) or the Insurer, if any (unless an Insurer Default has occurred and is continuing), together with not less than 60% in the aggregate principal amount of Bonds outstanding, who have the right to consent to and approve any supplemental indenture; *provided* that, unless approved in writing by the Bank (if its Letter of Credit is in effect and no Bank Default has occurred and is continuing) or Insurer, if any (unless an Insurer Default has occurred and is continuing), and the Owners of all the Bonds then affected thereby, there **will not** be permitted (a) a change in the times, amounts or currency of payment of the principal of, or premium, if any, or interest on any Bond, a change in the terms of the purchase thereof by the Trustee, or a reduction in the principal amount or redemption price thereof or the rate of interest thereon, (b) the creation of a claim or lien on or a pledge of the Revenues ranking prior to or on a parity with the claim, lien or pledge created by the Indenture, or (c) a reduction in the aggregate principal amount of Bonds the consent of the Owners of which is required to approve any such supplemental indenture or which is required to approve any amendment to the Loan Agreement. No such amendment of the Indenture will be effective without the prior written consent of the Company.

#### AMENDMENT OF THE LOAN AGREEMENT

Without the consent of or notice to the Owners of the Bonds, the Issuer may, with the consent of the Insurer, if any (unless an Insurer Default has occurred and is continuing), modify, alter, amend or supplement the Loan Agreement, and the Trustee may consent thereto, as may be required (a) by the provisions of the Loan Agreement and the Indenture; (b) for the purpose of curing any formal defect, omission, inconsistency or ambiguity therein; (c) in connection with

any other change therein which in the judgment of the Trustee is not materially adverse to the Owners of the Bonds; *provided, however*, that any such modification, alteration, amendment or supplement will not take effect until the Insurer, if any (unless an Insurer Default has occurred and is continuing), and the Bank or the Obligor on an Alternate Credit Facility, as the case may be, have consented in writing to such modification, alteration, amendment or supplement; *provided further* that in determining whether any such modification, alteration, amendment or supplement is materially adverse to the Owners of the Bonds, the Trustee will consider the effect on the Owners as if there were no Insurance Policy with respect to the Bonds; (d) to secure or maintain ratings for the Bonds from Moody's and/or S&P in both the highest short-term or commercial paper debt Rating Category and also in either of the two highest long-term debt Rating Categories; (e) in connection with the delivery and substitution of any Substitute Collateral and the release of any First Mortgage Bonds; (f) to add to the covenants and agreements of the Issuer contained in the Loan Agreement or of the Company or of any Insurer or the Bank (or the Obligor on an Alternate Credit Facility, as the case may be) contained in any document, other covenants or agreements thereafter to be observed, or to assign or pledge additional security for any of the Bonds, or to facilitate the delivery and administration of an Alternate Credit Facility or a Substitute Letter of Credit, or to surrender any right or power reserved or conferred upon the Issuer or the Company, which does not materially adversely affect the interest of the Owners of the Bonds; (g) to provide demand purchase obligations to cause the Bonds to be authorized purchases for investment companies, (h) to provide the procedures required to permit any Owner to separate the right to receive interest on the Bonds from the right to receive principal thereof and to sell or dispose of such right as contemplated by Section 1286 of the Code; (i) to provide for any additional procedures, covenants or agreements necessary to maintain the Tax-Exempt status of interest on the Bonds; (j) to modify, alter, amend or supplement the Loan Agreement in any other respect, including amendments which would otherwise be described herein, if the effective date of such supplement or amendment is a date on which all of the Bonds affected thereby are subject to mandatory purchase and are so purchased; and (k) to provide for the delivery to the Trustee of an Insurance Policy or replacement of any Insurer or for an additional Insurer following the occurrence of an Insurer Default or to provide for an additional Insurer following the withdrawal or suspension or reduction below AAA (or its equivalent rating) by S&P and Aaa (or its equivalent rating) by Moody's of the long-term ratings of any Insurer then providing an Insurance Policy with respect to the Bonds provided that the insurance policy provided by the replacement or additional Insurer would result in a long-term rating on the Bonds equal to AAA (or its equivalent rating) by S&P and Aaa (or its equivalent rating) by Moody's.

Before the Issuer enters into, and the Trustee consents to, any modification, alteration, amendment or supplement to the Loan Agreement as described in the immediately preceding paragraph, (a) the Trustee will cause notice of such proposed modification, alteration, amendment or supplement to be provided to the Bank, the Insurer, if any, Moody's and S&P, stating that a copy thereof is on file at the office of the Trustee for inspection by the Insurer, if any, Moody's and S&P and (b) there must be delivered to the Bank, the Issuer, the Insurer, if any, and the Trustee an opinion of Bond Counsel stating that such modification, alteration, amendment or supplement is authorized or permitted by the Loan Agreement or the Indenture and the Act, complies with their respective terms, will, upon the execution and delivery thereof,

be valid and binding upon the Issuer in accordance with its terms and will not adversely affect the Tax-Exempt status of the Bonds.

The Issuer will not enter into and the Trustee will not consent to any other amendment, change or modification of the Loan Agreement without the written approval or consent of the Bank (or the Obligor on an Alternate Credit Facility, as the case may be), the Insurer, if any (unless an Insurer Default has occurred and is continuing), and the Owners of not less than 60% in the aggregate principal amount of the Bonds at the time outstanding; *provided, however*, that, unless approved in writing by the Owners of all Bonds affected thereby, nothing in the Indenture may permit, or be construed as permitting, a change in the obligations of the Company to make Loan Payments or payments to the Trustee for the purchase of Bonds or the nature of the obligations of the Company on the First Mortgage Bonds. No amendment of the Loan Agreement will become effective without the prior written consent of the Insurer, if any (unless an Insurer Default has occurred and is continuing), and the Company and under certain circumstances, the Bank (or the Obligor on an Alternate Credit Facility, as the case may be).

Before the Issuer enters into, and the Trustee consents to, any modification, alteration, amendment or supplement to the Loan Agreement as described in the immediately preceding paragraph, there must be delivered to the Issuer, the Bank (or the Obligor on an Alternate Credit Facility, as the case may be), the Insurer, if any, and the Trustee an opinion of Bond Counsel stating that such modification, alteration, amendment or supplement is authorized or permitted by the Loan Agreement or the Indenture and the Act, complies with their respective terms, will, upon the execution and delivery thereof, be valid and binding upon the Issuer in accordance with its terms and will not adversely affect the Tax-Exempt status of the Bonds.

### **THE FIRST MORTGAGE BONDS**

*Pursuant to the provisions of the Indenture and Pledge Agreement, dated as of June 1, 2003 between the Company and the Trustee (the "Pledge Agreement"), the First Mortgage Bonds were issued by the Company to secure its obligations under the Loan Agreement. The following summary of certain provisions of the First Mortgage Bonds and the Company Mortgage referred to below does not purport to be complete and is qualified in its entirety by reference thereto and includes capitalized terms defined in such Mortgages.*

#### **GENERAL**

The First Mortgage Bonds are in the same principal amount and mature on the same dates as the Bonds. In addition, the First Mortgage Bonds are subject to redemption prior to maturity upon the same terms as the Bonds, so that upon any redemption of the Bonds, an equal aggregate principal amount of First Mortgage Bonds will be redeemed. The First Mortgage Bonds bear interest at the same rate, and be payable at the same times, as the Bonds. See "THE LOAN AGREEMENT—Loan Payments; The First Mortgage Bonds" above.

The Company Mortgage provides that in the event of the merger or consolidation of another electric utility company with or into the Company or the conveyance or transfer to the

Company by another such company of all or substantially all of such company's property that is of the same character as Property Additions under the Company Mortgage, an existing mortgage constituting a first lien on operating properties of such other company may be designated by the Company as a Class "A" Mortgage. Any bonds thereafter issued pursuant to such additional mortgage would be Class "A" Bonds and could provide the basis for the issuance of Company Mortgage Bonds (as defined below) under the Company Mortgage.

The Company will receive a credit against its obligations to make any payment of principal of or premium, if any, or interest on the First Mortgage Bonds and such obligations will be deemed fully or partially, as the case may be, satisfied and discharged, in an amount equal to the amount, if any, paid by the Company under the Loan Agreement, or otherwise satisfied or discharged, in respect of the principal of or premium, if any, or interest on the Company Mortgage Bonds. The obligations of the Company to make such payments with respect to the First Mortgage Bonds will be deemed to have been reduced by the amount of such credit.

Pursuant to the provisions of the Indenture, the Loan Agreement and the Pledge Agreement, the First Mortgage Bonds will be registered in the name of and held by the Trustee for the benefit of the Owners and will not be transferable except to a successor trustee under the Indenture. At the time any Bonds cease to be outstanding under the Indenture, the Trustee will surrender to the Company Mortgage Trustee an equal aggregate principal amount of First Mortgage Bonds.

#### SECURITY AND PRIORITY

The First Mortgage Bonds and any other first mortgage bonds now or hereafter outstanding under the Company Mortgage ("*Company Mortgage Bonds*") are or will be, as the case may be, secured by a first mortgage Lien on certain utility property owned from time to time by the Company and by Class "A" Bonds, if any, held by the Company Mortgage Trustee, if any. All Company Mortgage Bonds, including the First Mortgage Bonds, issued and outstanding under the Company Mortgage are equally and ratably secured.

The Lien of the Company Mortgage is subject to Excepted Encumbrances, including tax and construction liens, purchase money liens and certain other exceptions.

There are excepted from the Lien of the Company Mortgage all cash and securities (except those specifically deposited); equipment, materials or supplies held for sale or other disposition; any fuel and similar consumable materials and supplies; automobiles, other vehicles, aircraft and vessels; timber, minerals, mineral rights and royalties; receivables, contracts, leases and operating agreements; electric energy, gas, water, steam, ice and other products for sale, distribution or other use; natural gas wells; gas transportation lines or other property used in the sale of natural gas to customers or to a natural gas distribution or pipeline company, up to the point of connection with any distribution system; the Company's interest in the Wyodak Facility; and all properties that have been released from the discharged Mortgages and Deeds of Trust, as supplemented, of Pacific Power & Light Company and Utah Power & Light Company and that PacifiCorp, a Maine corporation, or Utah Power & Light Company, a Utah corporation, contracted to dispose of, but title to which had not passed at the date of the Company Mortgage.

The Company has reserved the right, without any consent or other action by holders of Bonds of the Eighth Series or any subsequently created series of Company Mortgage Bonds (including the First Mortgage Bonds), to amend the Company Mortgage in order to except from the Lien of the Company Mortgage allowances allocated to steam-electric generating plants owned by the Company, or in which the Company has interests, pursuant to Title IV of the Clean Air Act Amendments of 1990, as now in effect or as hereafter supplemented or amended.

The Company Mortgage contains provisions subjecting after-acquired property to the Lien thereof. These provisions may be limited, at the option of the Company, in the case of consolidation or merger (whether or not the Company is the surviving corporation), conveyance or transfer of all or substantially all of the utility property of another electric utility company to the Company or sale of substantially all of the Company's assets. In addition, after-acquired property may be subject to a Class "A" Mortgage, purchase money mortgages and other liens or defects in title.

The Company Mortgage provides that the Company Mortgage Trustee shall have a lien upon the mortgaged property, prior to the holders of Company Mortgage Bonds, for the payment of its reasonable compensation and expenses and for indemnity against certain liabilities.

#### RELEASE AND SUBSTITUTION OF PROPERTY

Property subject to the Lien of the Company Mortgage may be released upon the basis of:

- (1) the release of such property from the Lien of a Class "A" Mortgage;
- (2) the deposit of cash or, to a limited extent, purchase money mortgages;
- (3) Property Additions, after making adjustments for certain prior lien bonds outstanding against Property Additions; and/or
- (4) waiver of the right to issue Company Mortgage Bonds.

Cash may be withdrawn upon the bases stated in (1), (3) and (4) above. Property that does not constitute Funded Property may be released without funding other property. Similar provisions are in effect as to cash proceeds of such property. The Company Mortgage contains special provisions with respect to certain prior lien bonds deposited and disposition of moneys received on deposited prior lien bonds.

#### ISSUANCE OF ADDITIONAL COMPANY MORTGAGE BONDS

The maximum principal amount of Company Mortgage Bonds that may be issued under the Company Mortgage is not limited. Company Mortgage Bonds of any series may be issued from time to time on the basis of:

- (1) 70% of qualified Property Additions after adjustments to offset retirements;

(2) Class “A” Bonds (which need not bear interest) delivered to the Company Mortgage Trustee;

(3) retirement of Company Mortgage Bonds or certain prior lien bonds; and/or

(4) deposits of cash.

With certain exceptions in the case of clauses (2) and (3) above, the issuance of Company Mortgage Bonds is subject to Adjusted Net Earnings of the Company for 12 consecutive months out of the preceding 15 months, before income taxes, being at least twice the Annual Interest Requirements on all Company Mortgage Bonds at the time outstanding, including the additional Company Mortgage Bonds that are to be issued, all outstanding Class “A” Bonds held other than by the Company Mortgage Trustee or by the Company, and all other indebtedness secured by a lien prior to the Lien of the Company Mortgage. In general, interest on variable interest bonds, if any, is calculated using the rate then in effect.

Property Additions generally include electric, gas, steam and/or hot water utility property but not fuel, securities, automobiles, other vehicles or aircraft, or property used principally for the production or gathering of natural gas.

The issuance of Company Mortgage Bonds on the basis of Property Additions subject to prior liens is restricted. Company Mortgage Bonds may, however, be issued against the deposit of Class “A” Bonds.

#### CERTAIN COVENANTS

The Company Mortgage contains a number of covenants by the Company for the benefit of holders of the Company Mortgage Bonds, including provisions requiring the Company to maintain the Company Mortgaged and Pledged Property as an operating system or systems capable of engaging in all or any of the generating, transmission, distribution or other utility businesses described in the Company Mortgage.

#### DIVIDEND RESTRICTIONS

The Company Mortgage provides that the Company may not declare or pay dividends (other than dividends payable solely in shares of common stock) on any shares of common stock if, after giving effect to such declaration or payment, the Company would not be able to pay its debts as they become due in the usual course of business. Reference is made to the notes to the audited consolidated financial statements included in the Company’s Annual Report on Form 10-K incorporated by reference herein for information relating to other restrictions.

#### FOREIGN CURRENCY DENOMINATED COMPANY MORTGAGE BONDS

The Company Mortgage authorizes the issuance of Company Mortgage Bonds denominated in foreign currencies, *provided, however*, that the Company deposit with the

Company Mortgage Trustee a currency exchange agreement with an entity having, at the time of such deposit, a financial rating at least as high as that of the Company that, in the opinion of an independent expert, gives the Company at least as much protection against currency exchange fluctuation as is usually obtained by similarly situated borrowers. The Company believes that such a currency exchange agreement will provide effective protection against currency exchange fluctuations. However, if the other party to the exchange agreement defaults and the foreign currency is valued higher at the date of maturity than at the date of issuance of the relevant Company Mortgage Bonds, holders of such Company Mortgage Bonds would have a claim on the assets of the Company which is greater than that to which holders of dollar-denominated Company Mortgage Bonds issued at the same time would be entitled.

#### THE COMPANY MORTGAGE TRUSTEE

Affiliates of The Bank of New York Mellon Trust Company, N.A., may act as lenders and as administrative agents under loan agreements with the Company and affiliates of the Company. The Bank of New York Mellon Trust Company, N.A., serves as trustee under indentures and other agreements involving the Company and its affiliates. The Bank of New York Mellon Trust Company, N.A., is the Company Mortgage Trustee.

#### MODIFICATION

The rights of holders of the Company Mortgage Bonds may be modified with the consent of holders of 60% of the Company Mortgage Bonds, or, if less than all series of Company Mortgage Bonds are adversely affected, the consent of the holders of 60% of the series of Company Mortgage Bonds adversely affected. In general, no modification of the terms of payment of principal, premium, if any, or interest and no modification affecting the Lien or reducing the percentage required for modification is effective against any holder of the Company Mortgage Bonds without the consent of such holder.

Unless there is a Default under the Company Mortgage, the Company Mortgage Trustee generally is required to vote Class "A" Bonds held by it, if any, with respect to any amendment of the applicable Class "A" Company Mortgage proportionately with the vote of the holders of all Class "A" Bonds then actually voting.

#### DEFAULTS AND NOTICES THEREOF

Each of the following will constitute a "Default" under the Company Mortgage with respect to the First Mortgage Bonds:

- (1) default in payment of principal;
- (2) default for 60 days in payment of interest or an installment of any fund required to be applied to the purchase or redemption of any Company Mortgage Bonds;

- (3) default in payment of principal or interest with respect to certain prior lien bonds;
- (4) certain events in bankruptcy, insolvency or reorganization;
- (5) default in other covenants for 90 days after notice;
- (6) the existence of any default under a Class “A” Company Mortgage which permits the declaration of the principal of all of the bonds secured by such Class “A” Company Mortgage and the interest accrued thereupon due and payable; or
- (7) an “Event of Default” as described in clauses (a), (b) or (c) under the caption “THE INDENTURE—Defaults” above.

An effective default under any Class “A” Mortgage or under the Company Mortgage will result in an effective default under all such mortgages. The Company Mortgage Trustee may withhold notice of default (except in payment of principal, interest or funds for retirement of Company Mortgage Bonds) if it determines that it is not detrimental to the interests of the holders of the Company Mortgage Bonds.

The Company Mortgage Trustee or the holders of 25% of the Company Mortgage Bonds may declare the principal and interest due and payable on Default, but a majority may annul such declaration if such Default has been cured. No holder of Company Mortgage Bonds may enforce the Lien of the Company Mortgage without giving the Company Mortgage Trustee written notice of a Default and unless the holders of 25% of the Company Mortgage Bonds have requested the Company Mortgage Trustee to act and offered it reasonable opportunity to act and indemnity satisfactory to it against the costs, expenses and liabilities to be incurred thereby and the Company Mortgage Trustee shall have failed to act. The holders of a majority of the Company Mortgage Bonds may direct the time, method and place of conducting any proceedings for any remedy available to the Company Mortgage Trustee or exercising any trust or power conferred on the Company Mortgage Trustee. The Company Mortgage Trustee is not required to risk its funds or incur personal liability if there is reasonable ground for believing that repayment is not reasonably assured.

The Company must give the Company Mortgage Trustee an annual statement as to whether or not the Company has fulfilled its obligations under the Company Mortgage throughout the preceding calendar year.

#### VOTING OF THE FIRST MORTGAGE BONDS

So long as no Event of Default under the Indenture has occurred and is continuing, the Trustee, as holder of the First Mortgage Bonds, shall vote or consent proportionately with what officials of or inspectors of votes at any meeting of bondholders under the Company Mortgage, or the Company Mortgage Trustee in the case of consents without such a meeting, reasonably believe will be the vote or consent of the holders of all other outstanding Company Mortgage Bonds; *provided, however*, that the Trustee shall not vote in favor of, or consent to, any

modification of the Company Mortgage which, if it were a modification of the Indenture, would require approval of the Owners of Bonds.

#### DEFEASANCE

Under the terms of the Company Mortgage, the Company will be discharged from any and all obligations under the Company Mortgage in respect of the Company Mortgage Bonds of any series if the Company deposits with the Company Mortgage Trustee, in trust, moneys or Government Obligations, in an amount sufficient to pay all the principal of, premium (if any) and interest on, the Company Mortgage Bonds of such series or portions thereof, on the redemption date or maturity date thereof, as the case may be. The Company Mortgage Trustee need not accept such deposit unless it is accompanied by an Opinion of Counsel to the effect that (a) the Company has received from, or there has been published by, the Internal Revenue Service a ruling or (b) since the date of the Company Mortgage, there has been a change in applicable federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the holders of such Company Mortgage Bonds or the right of payment of interest thereon (as the case may be) will not recognize income, gain or loss for federal income tax purposes as a result of such deposit, and/or ensuing discharge and will be subject to federal income tax on the same amount and in the same manner and at the same times, as would have been the case if such deposit, and/or discharge had not occurred.

Upon such deposit, the obligation of the Company to pay the principal of (and premium, if any) and interest on such series of Company Mortgage Bonds shall cease, terminate and be completely discharged.

In the event of any such defeasance and discharge of Company Mortgage Bonds of such series, holders of Company Mortgage Bonds of such series would be able to look only to such trust fund for payment of principal of (and premium, if any) and interest, if any, on the Company Mortgage Bonds of such series.

#### REMARKETING

The Remarketing Agent has agreed with the Company, subject to the terms and provisions of the Remarketing Agreement, to be dated May 28, 2010, between the Company and the Remarketing Agent, that the Remarketing Agent will use its best efforts, as remarketing agent, to solicit purchases from potential investors of the Bonds. The Company shall pay the Remarketing Agent, as compensation for its services as remarketing agent, a fee of \$112,500. Pursuant to such Remarketing Agreement, the Company has agreed to indemnify the Remarketing Agent against certain liabilities and expenses, including liabilities arising under federal and state securities laws, and to pay for certain expenses in connection with the reoffering of the Bonds.

In the ordinary course of business, the Remarketing Agent and its affiliates have provided investment banking services or bank financing to the Company, its subsidiaries or affiliates in

the past for which they have received customary compensation and expense reimbursement, and may do so again in the future.

### **CERTAIN RELATIONSHIPS**

Wells Fargo Bank, National Association is serving as both Remarketing Agent and Letter of Credit Provider for the Bonds.

### **TAX EXEMPTION**

In connection with the original issuance and delivery of the Bonds, Chapman and Cutler, as Bond Counsel to the Company, rendered an opinion with respect to the Bonds that subject to compliance by the Company and the Issuer with certain covenants referenced in the opinion, under then existing law, interest on the Bonds would not be includible in the gross income of the Owners thereof for federal income tax purposes, except for interest on any Bond for any period during which such Bond is owned by a person who is a substantial user of the Project or any person considered to be related to such person (within the meaning of Section 103(b)(13) of the 1954 Code) and such interest is not treated as an item of tax preference in computing the federal alternative minimum tax for individuals and corporations. Such interest is taken into account, however, in computing an adjustment used in determining the federal alternative minimum tax for certain corporations.

Bond Counsel also rendered an opinion that, under then existing statutes and laws of Wyoming, Wyoming imposed no income taxes that would be applicable to interest on the Bonds.

*A copy of the opinion letter provided by Bond Counsel in connection with the original issuance and delivery of the Bonds is set forth in APPENDIX C, but inclusion of such copy of the opinion letter is not to be construed as a reaffirmation of the opinion contained therein. The opinion letter speak only as of its date.*

Chapman and Cutler LLP will also deliver an opinion in connection with execution and delivery of the Fourth Supplemental Indenture and the Second Supplemental Loan Agreement relating to the Bonds and the delivery of the Letter of Credit to the effect that (a) such Fourth Supplemental Indenture (i) is authorized or permitted by the Trust Indenture relating thereto and the Act and complies with their respective terms, (ii) upon the execution and delivery thereof, will be valid and binding upon the Issuer in accordance with its terms and (iii) will not adversely affect the Tax-Exempt status of the Bonds, (b) such Second Supplemental Loan Agreement (i) is authorized or permitted by the Original Loan Agreement or Trust Indenture relating thereto and the Act and complies with their respective terms, (ii) will be valid and binding upon the Issuer in accordance with its terms and (iii) will not adversely affect the Tax-Exempt status of the Bonds and (c) the delivery of the Letter of Credit complies with the terms of the Loan Agreement and will not adversely affect the Tax-Exempt status of the Bonds. Except (A) the adjustment of the interest rate on the Bonds on the date hereof and the adjustment of the interest rate described in our opinions dated (I) December 17, 1999 and January 19, 2000 and (II) May 2, 2003 and June 3, 2003, (B) the execution and delivery of the First Supplemental Trust Indenture, dated as of

January 1, 2000, (C) the execution and delivery of the Second Supplemental Trust Indenture, dated as of March 2, 2003 (D) the execution and delivery of the Third Supplemental Trust Indenture and the Second Supplemental Loan Agreement, each dated as of June 1, 2003, and (E) as necessary to render the foregoing opinion, Chapman and Cutler has not reviewed any factual or legal matters relating to the prior opinion of Bond Counsel or the Bonds subsequent to their date of issuance. The proposed form of such opinion is set forth in APPENDIX D.

### **CONTINUING DISCLOSURE**

In connection with the remarketing of the Bonds and five other series of pollution control revenue refunding bonds, the proceeds of which were loaned to the Company by the issuers thereof (collectively, the “*Related Bonds*”), on June 2, 2003, the Company executed and delivered the Continuing Disclosure Agreement, a copy of which is attached hereto as APPENDIX F, for the benefit of the holders and beneficial owners of the Related Bonds as was then required by Section (b)(5)(i) of the Securities and Exchange Commission Rule 15c2-12 under the Securities and Exchange Act of 1933, as amended (the “*Rule*”). While not obligated to do so while the Bonds bear interest in the Weekly Interest Rate Period, the Company determined not to terminate its obligations with respect to the Bonds under the Continuing Disclosure Agreement. The Continuing Disclosure Agreement has not been amended since its execution and will not be amended in connection with the remarketing of the Bonds.

A failure by the Company to comply with the Continuing Disclosure Agreement will not constitute a default under the Indenture and beneficial owners of the Bonds are limited to the remedies described in the Continuing Disclosure Agreement. A failure by the Company to comply with the Continuing Disclosure Agreement must be reported in accordance with the Rule and must be considered by any broker, dealer or municipal securities dealer before recommending the purchase or sale of the Bonds in the secondary market. Consequently, such a failure may adversely affect the transferability and liquidity of the Bonds and their market price. See “CONTINUING DISCLOSURE AGREEMENT” attached hereto as APPENDIX F for the information to be provided, the events which will be noticed on an occurrence basis and the other terms of the Continuing Disclosure Agreement, including termination, amendment and remedies.

*The Company is in compliance with each and every undertaking previously entered into by it pursuant to the Rule.*

### **CERTAIN LEGAL MATTERS**

Certain legal matters in connection with the remarketing will be passed upon by Chapman and Cutler LLP, as Bond Counsel to the Company. Certain legal matters will be passed upon for the Company by Paul J. Leighton, Esq., as counsel for the Company. Certain legal matters will be passed upon for the Remarketing Agent by King & Spalding LLP. The validity of the Letter of Credit will be passed upon for the Bank by in-house counsel to the Bank.

Re: \$45,000,000 Pollution Control Revenue Refunding Bonds (PacifiCorp Project) Series 1991 of Lincoln County, Wyoming

We hereby certify that we have examined certified copy of the proceedings of record of the Board of County Commissioners of Lincoln County, Wyoming (the "*Issuer*"), a political subdivision of the State of Wyoming, preliminary to the issuance by the Issuer of its Pollution Control Revenue Refunding Bonds (PacifiCorp Project) Series 1991, in the aggregate principal amount of \$45,000,000 (the "*Bonds*"). The Bonds are being issued pursuant to the provisions of Sections 15-1-701 to 15-1-710, inclusive, Wyoming Statutes (1977), as amended and supplemented (the "*Act*"), for the purpose of refunding the Issuer's \$45,000,000 Pollution Control Revenue Bonds, 11-1/8% Series due April 1, 2011 (Utah Power & Light Company Project) (the "*Refunded, Bonds*"). The Refunded Bonds were issued for the purpose of financing a portion of the cost of air pollution control facilities (the "*Project*") at the Naughton generating plant (the "*Station*") in Lincoln County, Wyoming, for use by Utah Power & Light Company, a Utah corporation which, subsequent to the issuance of the Refunded Bonds, merged with PacifiCorp, an Oregon corporation (the "*Company*"). The proceeds of the Bonds, together with other moneys provided by the Company, have been deposited with the trustee for the Refunded Bonds to provide for the payment of the Refunded Bonds.

The Bonds mature on January 1, 2016, bear interest from time to time computed as set forth in each of the Bonds and are subject to redemption prior to maturity at the times, in the manner and upon the terms set forth in each of the Bonds. The Bonds are issuable in Authorized Denominations as provided in the hereinafter-defined Indenture, only as fully-registered Bonds without coupons.

From such examination of the proceedings of the Board of County Commissioners of the Issuer referred to above and from an examination of the Act, we are of the opinion that such proceedings show lawful authority for said issue of Bonds under the laws of the State of Wyoming now in force.

## CHAPMAN AND CUTLER

Pursuant to a Loan Agreement, dated as of January 1, 1991 (the "*Loan Agreement*"), by and between the Company and the Issuer, the Issuer has agreed to loan the Proceeds from the sale of the Bonds to the Company for the purpose of refunding the Refunded Bonds, and the Company has agreed to pay amounts at least sufficient to pay the Principal of, premium, if any, and interest on the Bonds when due, whether at stated maturity, call for redemption or acceleration. The Loan Agreement (an executed counterpart of which has been examined by us) has, in our opinion, been duly authorized, executed and delivered by the Issuer, and, assuming the due authorization, execution and delivery by the Company, is a valid and binding obligation of the Issuer, enforceable in accordance with its terms, subject to the qualification that the enforcement thereof may be limited by bankruptcy, insolvency, reorganization and other similar laws relating to the enforcement of creditors' rights generally or usual equity principles in the event equitable remedies should be sought.

We have also examined an executed counterpart of the Trust Indenture, dated as of January 1, 1991 (the "*Indenture*"), by and between the Issuer and The First National Bank of Chicago, as Trustee (the "*Trustee*"), securing the Bonds and setting forth the covenants and undertakings of the Issuer in connection with the Bonds and making provision under certain conditions for the remarketing of the Bonds by a Remarketing Agent (the "*Remarketing Agent*"), for the fixing of Floating Interest Rates (as defined in the Indenture) to be borne by the Bonds, which Floating Interest Rates may be a Daily Interest Rate, a Weekly Interest Rate, a Monthly Interest Rate or Flexible Rates (each as defined in the Indenture), and for the conversion of the interest rate borne by the Bonds to a different Floating Interest Rate or to a Term Interest Rate under certain conditions. The Indenture provides that the Bonds bear interest at Flexible Rates until conversion to a different Floating Interest Rate or to a Term Interest Rate. Under the Indenture, the revenues derived by the Issuer under the Loan Agreement, together with certain of the rights of the Issuer thereunder, are pledged and assigned to the Trustee as security for the Bonds. From such examination, we are of the opinion that the proceedings of the Board of County Commissioners of the Issuer referred to above show lawful authority for the execution and delivery of the Indenture, that the Indenture is a valid and binding obligation of the Issuer, enforceable in accordance with its terms, subject to the qualification that the enforcement thereof may be limited by bankruptcy, insolvency, reorganization and other similar laws relating to the enforcement of creditors' rights generally or usual equity principles in the event equitable remedies should be sought, that the Bonds have been validly issued under the Indenture, and that all requirements under the Indenture precedent to delivery of the Bonds have been satisfied.

In connection with the Company's obligation to make payments to the Issuer under the Loan Agreement, the Company has caused to be delivered to the Trustee an irrevocable Letter of Credit (the "*Letter of Credit*") of Union Bank of Switzerland, Los Angeles Branch (the "*Bank*"), under which the Trustee is permitted under certain conditions to draw up to (a) an amount equal to the principal of the outstanding Bonds (i) to pay the principal of the Bonds when due upon redemption or acceleration or (ii) to enable the Trustee to pay the purchase price or portion of the purchase price equal to the principal amount of Bonds delivered to the Trustee for purchase and not remarketed, plus (b) an amount equal to 294 days' accrued interest on the outstanding Bonds (i) to pay interest on the Bonds or (ii) to enable the Trustee to pay the portion of the purchase price of the Bonds delivered to the Trustee equal to the accrued interest, if any, on such Bonds.

## CHAPMAN AND CUTLER

Delivery of the Letter of Credit, however, does not release the Company from its payment obligation under the Loan Agreement. The stated expiration date of the Letter of Credit is January 31, 1994, subject to the provisions of the Letter of Credit.

We further certify that we have examined the form of bond prescribed in the Indenture and find the same in due form of law and in our opinion the Bonds, to the amount named, are valid and legally binding upon the Issuer according to the import thereof and, as provided in the Indenture and the Bonds, are payable by the Issuer solely out of payments to be made by the Company under the Loan Agreement, except to the extent paid from moneys drawn by the Trustee under the Letter of Credit.

Subject to the condition that the Company and the Issuer comply with certain covenants made to satisfy pertinent requirements of the Internal Revenue Code of 1954, as amended (the "1954 Code"), and the Internal Revenue Code of 1986, we are of the opinion that under present law interest on the Bonds is not includible in gross income of the owners thereof for federal income tax purposes, except for interest on any Bond for any period during which such Bond is owned by a person who is a substantial user of the Project or any person considered to be related to such person (within the meaning of Section 103(b)(13) of the 1954 Code), and the interest on the Bonds will not be treated as an item of tax preference in computing the alternative minimum tax for individuals and corporations (because the Refunded Bonds were issued prior to August 8, 1986). Interest on the Bonds will be taken into account, however, in computing an adjustment used in determining the alternative minimum tax for certain corporations. Failure to comply with certain of such Issuer and Company covenants could cause the interest on the Bonds to be included in gross income retroactive to the date of issuance of the Bonds. Ownership of the Bonds may result in other federal tax consequences to certain taxpayers; we express no opinion regarding any such collateral consequences arising with respect to the Bonds. In rendering this opinion, we have relied upon a certificate of even date herewith of the Company relating to the Station, the Project and the application of the proceeds of the Refunded Bonds and the proceeds of the Bonds with respect to certain material facts solely within the knowledge of the Company.

In our opinion, under present Wyoming law, the State of Wyoming imposes no income taxes which would be applicable to interest on the Bonds.

We are not passing upon the Letter of Credit or action taken by the Bank in connection therewith. Opinions of counsel to the Bank of even date herewith have been delivered with respect to the validity of the Letter of Credit.

Stoel Rives Boley Jones & Grey, counsel to the Company, has delivered an opinion of even date herewith concerning the obligations of the Company under the Loan Agreement. In rendering this opinion, we have relied upon said opinion with respect to, among other things: (i) the due organization of the Company, (ii) the good standing or existence of the Company in the States of Wyoming and Oregon, (iii) the approval of the execution and delivery by the Company of the Loan Agreement by all necessary regulatory authorities exercising jurisdiction over the Company, (iv) the corporate power of the Company to enter into, and the due execution by the

CHAPMAN AND CUTLER

Company of, the Loan Agreement, and (v) the binding effect of the Loan Agreement on the Company.

Dennis L. Sanderson, counsel to the Issuer, has delivered an opinion of even date herewith with respect to the obligations of the Issuer under the Bonds, the Loan Agreement and the Indenture.

The opinions described above are in form satisfactory to us, both in scope and content.

We express no opinion as to the title to, the description of, or the existence of any liens, charges or encumbrances on the Project or the Station.

Re: \$45,000,000  
Lincoln County, Wyoming  
Pollution Control Revenue Refunding Bonds  
(PacifiCorp Project) Series 1991 (the “*Bonds*”)

Ladies and Gentlemen:

This opinion is being furnished in accordance with (a) Sections 12.02(c)(ii) and 12.06 of that certain Trust Indenture, dated as of January 1, 1991, as amended and restated as of June 1, 2003 (the “*Original Indenture*”), between Lincoln County, Wyoming (the “*Issuer*”) and The Bank of New York Mellon Trust Company, N.A., as successor trustee (the “*Trustee*”), (b) Section 4.03(a) of that certain Loan Agreement, dated as of January 1, 1991, as amended and restated as of June 1, 2003 (the “*Original Loan Agreement*”), between the Issuer and PacifiCorp (the “*Company*”) and (c) Section 5(e)(3)(B) of that certain Remarketing Agreement, dated May \_\_, 2010, between the Company and Wells Fargo Bank, National Association, as remarketing agent. Prior to the date hereof, payment of principal and purchase price of and interest on the Bonds was secured only by certain first mortgage bonds of the Company. In connection with the adjustment to a weekly interest rate period on the date hereof, the Company desires to deliver a Letter of Credit (the “*Letter of Credit*”) to be issued by Wells Fargo Bank, National Association (the “*Bank*”), for the benefit of the Trustee. In order to provide for the delivery of the Letter of Credit and to make certain other permitted changes in connection therewith to the Original Indenture and the Original Loan Agreement, (a) the Company, pursuant to Section 12.02 of the Original Indenture, has requested the Issuer and the Trustee to enter into the Fourth

Supplemental Trust Indenture, dated as of June 1, 2010 (the “*Fourth Supplemental Indenture*”), in order to amend and restate the Original Indenture and (b) the Company and the Issuer, pursuant to Section 12.06 of the Original Indenture and Section 9.04 of the Original Loan Agreement, have determined to enter into the Second Supplemental Loan Agreement, dated as of June 1, 2010 (the “*Second Supplemental Loan Agreement*”), to amend and restate the Original Loan Agreement. It has been represented to us that the Owners of all of the Bonds have consented to the execution and delivery of the Fourth Supplemental Indenture and the Second Supplemental Loan Agreement.

We have examined the law and such documents and matters as we have deemed necessary to provide this opinion letter. As to questions of fact material to the opinions expressed herein, we have relied upon the provisions of the Original Indenture and related documents, and upon representations, including regarding the consent of the Owners, made to us without undertaking to verify the same by independent investigation.

The terms used herein denoted by initial capitals and not otherwise defined shall have the meanings specified in the Indenture.

Based upon the foregoing and as of the date hereof, we are of the opinion that:

1. The form of the restated bond prescribed in the Fourth Supplemental Indenture (the “*Restated Bonds*”) satisfies the requirements of the Act and the Original Indenture and the authentication of the Restated Bonds will not adversely affect the Tax-Exempt status of the Bonds.
2. The Fourth Supplemental Indenture is authorized or permitted by the Original Indenture and the Act and complies with their respective terms.
3. The modification, alteration, amendment and supplement of the Original Loan Agreement by the Second Supplemental Loan Agreement is authorized or permitted by the Original Loan Agreement or the Original Indenture and the Act and complies with their respective terms.
4. The Fourth Supplemental Indenture and the Second Supplemental Loan Agreement will, upon execution and delivery thereof, be valid and binding obligations of the Issuer, enforceable in accordance with their respective terms, subject to the qualification that the enforcement thereof may be limited by bankruptcy, insolvency, reorganization and other similar laws relating to the enforcement of creditors’ rights generally or usual equitable principals in the event equitable remedies should be sought.
5. The delivery of the Letter of Credit complies with the terms of the Original Loan Agreement.
6. The (a) execution and delivery of the Fourth Supplemental Indenture and the Second Supplemental Loan Agreement and (b) the delivery of the Letter of Credit will not adversely affect the Tax-Exempt status of the Bonds.

At the time of the issuance of the Bonds, we rendered our approving opinion relating to, among other things, the validity of the Bonds and the exclusion from federal income taxation of interest on the Bonds. We have not been requested, nor have we undertaken, to make an independent investigation to confirm that the Company and the Issuer have complied with the provisions of the Original Indenture, the Original Loan Agreement, the Tax Certificate (as defined in the Original Indenture) and other documents relating to the Bonds, or to review any other events that may have occurred since we rendered such approving opinion other than with respect to the Company in connection (a) the adjustment of the interest rate on the Bonds on the date hereof and the adjustment of the interest rate described in our opinions dated (i) December 17, 1999 and January 19, 2000 and (ii) May 2, 2003 and June 3, 2003, (b) the execution and delivery of the First Supplemental Trust Indenture, dated as of January 1, 2000, (c) the execution and delivery of the Second Supplemental Trust Indenture, dated as of March 2, 2003 (d) the execution and delivery of the Third Supplemental Trust Indenture and the Second Supplemental Loan Agreement, each dated as of June 1, 2003, and (e) the execution and delivery of the Fourth Supplemental Indenture and the Second Supplemental Loan Agreement and the delivery of the Letter of Credit described herein. Accordingly, we do not express any opinion with respect to the Bonds, except as described above.

Our opinion represents our legal judgment based upon our review of the law and the facts that we deem relevant to render such opinion and is not a guarantee of a result. This opinion is given as of the date hereof and we assume no obligation to review or supplement this opinion to reflect any facts or circumstances that may hereafter come to our attention or any changes in law that may hereafter occur.

In rendering this opinion as Bond Counsel, we are passing only upon those matters set forth in this opinion and are not passing upon the adequacy, accuracy or completeness of any information furnished to any person in connection with any offer or sale of the Bonds.

Respectfully submitted,

This Letter of Credit expires at our Letter of Credit Operations Office in San Francisco, California on June 1, 2011, but shall be automatically extended, without written amendment, to, and shall expire on, June 1, 2012 unless on or before May 2, 2011 you have received written notice from us sent by express courier or registered mail to your address above, or by facsimile transmission to your Fax number (312) 827-8542, that we elect not to extend this Letter of Credit beyond the June 1, 2011. (The date on which this Letter of Credit expires pursuant to the preceding sentence, or if such date is not a Business Day then the first (1st) succeeding Business Day thereafter, will be hereinafter referred to as the "Expiration Date".) To be effective, the notice from us described in the first sentence of this paragraph must be received by you on or before May 2, 2011.

As used herein the term "Business Day" shall mean a day on which our San Francisco Letter of Credit Operations Office is open for business.

The amount of any demand presented hereunder will be the amount inserted in numbered Paragraph 4 of said demand. By honoring any such demand we make no representation as to the correctness of the amount demanded.

We hereby agree with you that each demand presented hereunder in full compliance with the terms hereof will be duly honored by our payment to you of the amount of such demand, in immediately available funds of Wells Fargo Bank, National Association:

If the remittance instructions included with any demand presented under this Letter of Credit require that payment is to be made by transfer to an account with us or with another bank, we and/or such other bank may rely solely on the account number specified in such instructions even if the account is in the name of a person or entity different from the intended payee.

With respect to any demand that is honored hereunder, the total amount of this Letter of Credit shall be reduced as follows:

- (A) With respect to each A Drawing paid by us, the total amount of this Letter of Credit shall be reduced by the amount of such A Drawing with respect to all demands presented to us after the time we receive such A Drawing; provided, however, that the amount of such A Drawing shall be automatically reinstated on the eighth (8th) Business Day following the date such A Drawing is honored by us, unless (i) you shall have received notice from us sent to you at your above address by express courier or registered mail, or by facsimile transmission to your Fax number (312) 827-8542, no later than seven (7) Business Days after such A Drawing is honored by us that there shall be no such reinstatement, or (ii) such eighth (8th) Business Day falls after the Expiration Date;
- (B) With respect to each B Drawing paid by us, the total amount of this Letter of Credit shall be reduced with respect to all demands presented to us after the time we receive such B Drawing by the sum of (1) the amount inserted as principal in paragraph 5(A) of the B Drawing plus (2) the **greater** of (a) the amount inserted as interest in paragraph 5(B) of the B Drawing and (b) interest on the amount

inserted as principal in paragraph 5(A) of the B Drawing calculated for 48 days at the rate of twelve percent (12%) per annum based on a year of 365 days (with any fraction of a cent being rounded upward to the nearest whole cent), and no part of such sum shall be reinstated;

With respect to each C Drawing paid by us, the total amount of this Letter of Credit shall be reduced with respect to all demands presented to us after the time we receive such C Drawing by the sum of (1) the amount inserted as principal in paragraph 5(A) of the C Drawing plus (2) the **greater** of (a) the amount inserted as interest in paragraph 5(B) of the C Drawing and (b) interest on the amount inserted as principal in paragraph 5(A) of the C Drawing calculated for 48 days at the rate of twelve percent (12%) per annum based on a year of 365 days (with any fraction of a cent being rounded upward to the nearest whole cent); provided, however, that if the Bonds related to such C Drawing are remarketed and the remarketing proceeds are paid to us prior to the Expiration Date, then on the day we receive such remarketing proceeds the amount of this Letter of Credit shall be reinstated by an amount which equals the sum of (i) the amount paid to us from such remarketing proceeds and (ii) interest on such amount calculated for the same number of days, at the same interest rate, and on the basis of a year of the same number of days as is specified in (2)(b) of this paragraph (C) (with any fraction of a cent being rounded upward to the nearest whole cent), with such reinstatement and its amount being promptly advised to you; provided, however, that in no event will the total amount of all C Drawing reinstatements exceed the total amount of all Letter of Credit reductions made pursuant to this paragraph (C) Upon presentation to us of a D Drawing in compliance with the terms of this Letter of Credit, no further demand whatsoever may be presented hereunder.

No more than one A Drawing which we honor shall be presented to us during any consecutive twenty-seven (27) calendar day period. No A Drawing which we honor shall be for an amount more than U.S. \$710,137.

It is a condition of this Letter of Credit that the amount available for drawing under this Letter of Credit shall be decreased automatically without amendment upon our receipt of each reduction authorization in the form of Annex E to this Letter of Credit (with all instructions therein in brackets being complied with) sent to us (1) in its signed and dated original form at the Presentation Office, or (2) by facsimile transmission of such signed and dated original form to our facsimile number specified after our signature on this Letter of Credit, or (3) by authenticated SWIFT transmission of the completed wording of such Annex E to our SWIFT address specified after our signature on this Letter of Credit.

This Letter of Credit is subject to, and engages us in accordance with the terms of, the Uniform Customs and Practice for Documentary Credits (2007 Revision), Publication No. 600 of the International Chamber of Commerce (the "UCP"); provided, however, that if any provision of the UCP contradicts a provision of this Letter of Credit such provision of the UCP will not be applicable to this Letter of Credit, and provided further that Article 32, the second sentence of Article 36, and subsection (e) of Article 38 of the UCP shall not apply to this Letter of Credit. Furthermore, as provided in the first sentence of Article 36 of the UCP, we assume no liability or responsibility for consequences arising out of the interruption of our business by Acts of God, riots, civil commotions, insurrections, wars, acts of terrorism, or by any strikes or lockouts, or any other causes beyond our control. covered by the UCP will be governed by the laws of the State of California, including, without limitation, the Uniform Commercial Code as in effect in the State of California, except to the extent such laws are inconsistent with the provisions of the UCP or this Letter of Credit.

Transfers may be effected without charge to the transferor and only through ourselves and only upon presentation to us at the Presentation Office of a duly executed instrument of transfer in the form attached hereto as Annex F. Any transfer of this Letter of Credit as aforesaid must be endorsed by us on the reverse hereof and may not change the place of presentation of demands from our Letter of Credit Operations Office in San Francisco, California.

All payments hereunder shall be made from our own funds.

This Letter of Credit sets forth in full our undertaking, and such undertaking shall not in any way be modified, amended, amplified or limited by reference to any document, instrument or agreement referred to herein (including, without limitation, the Bonds and the Indenture), except the UCP to the extent the UCP is not inconsistent with or made inapplicable by this Letter of Credit; and any such reference shall not be deemed to incorporate herein by reference any document, instrument or agreement except the UCP.

Any such amendment shall satisfy, unless otherwise permitted by the Rule, the following conditions:

(i) The amendment may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law or change in the identity, nature or status of the Company or type of business conducted;

(ii) This Agreement, as amended, would have complied with the requirements of the Rule at the time of the primary offering, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(iii) The amendment does not materially impair the interests of Bondholders, as determined either by parties unaffiliated with the Company (such as nationally recognized bond counsel) or by approving vote of Bondholders pursuant to the terms of the Indenture at the time of the amendment.

The initial Annual Financial Information after the amendment shall explain, in narrative form, the reasons for the amendment and the effect of the change, if any, in the type of operating data or financial information being provided.

(c) The Company shall not transfer its obligations under this Agreement unless the transferee agrees to assume all obligations of the Company hereunder or to execute a continuing disclosure undertaking under the Rule.

**Section 7.** Any failure by the Company to perform in accordance with this Agreement shall not constitute an Event of Default with respect to the Bonds. If the Company fails to comply herewith, any Bondholder or beneficial owner may take such actions as may be necessary and appropriate, including seeking specific performance by court order, to cause the Company to comply with its obligations hereunder.

Re: \$45,000,000  
Lincoln County, Wyoming  
Pollution Control Revenue Refunding Bonds  
(PacifiCorp Project) Series 1991

Ladies and Gentlemen:

This opinion is being furnished in accordance with Section 4.03(b) of that certain Loan Agreement, dated as of January 1, 1991, as amended and restated as of June 1, 2010 (the "*Loan Agreement*"), between Lincoln County, Wyoming (the "*Issuer*") and PacifiCorp (the "*Company*"). Prior to the date hereof, payment of principal and purchase price of and interest on the \$45,000,000 Lincoln County, Wyoming Pollution Control Revenue Refunding Bonds (PacifiCorp Project), Series 1991 (the "*Bonds*") was secured by an Irrevocable Letter of Credit issued by Wells Fargo Bank, National Association (the "*Existing Letter of Credit*"). On the date hereof, the Company desires to deliver a Letter of Credit (the "*Letter of Credit*") to be issued by The Bank of Nova Scotia, New York Agency (the "*Bank*"), for the benefit of the Trustee (defined below).

We have examined the law and such documents and matters as we have deemed necessary to provide this opinion letter. As to questions of fact material to the opinions expressed herein, we have relied upon the provisions of that certain Trust Indenture, dated as of January 1, 1991, as amended and restated as of June 1, 2010 (the "*Indenture*"), between the Issuer and The Bank of New York Mellon Trust Company, N.A., as trustee (the "*Trustee*"), and related documents, and upon representations, including regarding the consent of the Owners, made to us without undertaking to verify the same by independent investigation.

The terms used herein denoted by initial capitals and not otherwise defined shall have the meanings specified in the Indenture.

Based upon the foregoing and as of the date hereof, we are of the opinion that:

1. The delivery of the Letter of Credit complies with the terms of the Loan Agreement.
2. The delivery of the Letter of Credit will not adversely affect the Tax-Exempt status of the Bonds.

At the time of the issuance of the Bonds, we rendered our approving opinion relating to, among other things, the validity of the Bonds and the exclusion from federal income taxation of interest on the Bonds. We have not been requested, nor have we undertaken, to make an independent investigation to confirm that the Company and the Issuer have complied with the provisions of the Indenture, the Loan Agreement, the Tax Certificate (as defined in the Indenture) and other documents relating to the Bonds, or to review any other events that may have occurred since such approving opinion was rendered other than with respect to the Company in connection with (a) the adjustment of the interest rate on the Bonds on the date hereof and the adjustment of the interest rate described in our opinions dated (i) December 17, 1999 and January 19, 2000 and (ii) May 2, 2003 and June 3, 2003, (b) the execution and delivery of the First Supplemental Trust Indenture, dated as of January 1, 2000, (c) the execution and delivery of the Second Supplemental Trust Indenture, dated as of March 2, 2003, (d) the execution and delivery of the Third Supplemental Trust Indenture and the Second Supplemental Loan Agreement, each dated as of June 1, 2003, and (e) the execution and delivery of the Fourth Supplemental Indenture and the Second Supplemental Loan Agreement and the delivery of the Existing Letter of Credit, described in our opinion dated June 1, 2010 and (f) the delivery of the Letter of Credit described herein. Accordingly, we do not express any opinion with respect to the Bonds, except as described above.

Our opinion represents our legal judgment based upon our review of the law and the facts that we deem relevant to render such opinion and is not a guarantee of a result. This opinion is given as of the date hereof and we assume no obligation to review or supplement this opinion to reflect any facts or circumstances that may hereafter come to our attention or any changes in law that may hereafter occur.

In rendering this opinion as Bond Counsel, we are passing only upon those matters set forth in this opinion and are not passing upon the adequacy, accuracy or completeness of any information furnished to any person in connection with any offer or sale of the Bonds.

Respectfully submitted,
