**BEFORE THE WASHINGTON STATE UTILITIES AND TRANSPORTATION
COMMISSION**

In re Application of:

ALLSTAR MOVERS, LLC.,
n/k/a 5 STAR MOVERS AND
DELIVERY, LLC
(THG-62885)

DOCKET TV-071039

AFFIDAVIT OF COMPLIANCE

2008 SEP 15 AM 10:22

STATE OF WASHINGTON)
County of Pierce : ss)

1. Our names are James Lucas, Ryan Needham, and Bruce Ellis. We are the members of 5 Star Movers and Delivery, LLC, formerly Allstar Movers, LLC. We make this affidavit to show our compliance with the Commission's Order of June 5, 2008 (the "Order").
2. The Order required us to change our name from Allstar Movers, LLC.
3. Attached is a copy of the Secretary of State website which prove that we have changed our name to 5 Star Movers and Delivery, LLC.
4. The Order required that the references to the former name were removed from materials and equipment, and included the categories of advertising, truck markings, letterhead, business cards, phone directory listings, and Internet website.

- 1 5. Attached are copies of our advertising materials, photographs of our trucks, a copy
2 of our letterhead, a template of our business cards, copies of the recently printed
3 Yellow Book telephone directory, and printouts of the Dex Online website which
4 indicate that there is no match for our former name on the directory.
5 6. We have also attached sample manifest and billing invoice.
6 7. We have done everything possible to comply with the Order and believe that we
7 have done so fully.
8 8. The process has been frustrating because Ryan hand-delivered much of this
9 material to our main contact person, Tina Leipski, in August. His name should
10 appear on the sign-in log at the WUTC.
11 9. It was a complete surprise when our attorney contacted us to inform us that the
12 WUTC was threatening to cancel our authority because we supposedly hadn't
13 complied with the order.
14 10. We want the commission to know that we have always had, and currently do have,
15 every intention of complying with the Order and obtaining permanent authority. We
16 take this matter very seriously and submit these materials to show our compliance
17 with the Order.

Testimonials

Listen to what customers are saying about 5 Star Movers and Delivery. The satisfaction of our customers is the reason we've experienced such tremendous growth.

From Jane in Tacoma, Wa 10/23/2007

To Whom It May Concern:

I recently purchased a large bedroom set of 'Intercon' mission style side tables, mirror, and large dresser from you (I love them) when I made the order, you recommended that I get in touch with 5 Star Movers to deliver them to me at my home. Not only are the pieces very large, the dresser alone weighed in excess of 400 pounds. In addition, I live down a long, steep flight of stairs, consisting of about 120 steps. And if that wasn't bad enough, it was very rainy and extremely windy come delivery day. Anyway, I just wanted to comment on their expert and professional staff. They were very polite, courteous, thorough, and did a great job. I apologized to all of them for the 'hill of death', but they just laughed and made it look easy. Needless to say, all the furniture arrived in perfect condition, and they helped me to assemble it and placed it correctly in the room. You should recommend that they do all of your deliveries. I will certainly use them again in the future for any of my moving needs.

Sincerely,
Jane
