Re: Quarter 2 Activity Report of TracFone Wireless Inc., Docket No. UT-093012

Dear Ms. Maxwell:

SafeLink regularly files its Quarterly activity report with the Washington Utilities and Transportation Commission.

While SafeLink routinely makes this filing without issue, SafeLink wanted to inform the Commission that its scheduled submission for the above report will be made later than the expected July 30 deadline. Because of the recent acquisition of SafeLink and resulting internal business changes, SafeLink is still working to obtain final reporting figures and aims to file the second quarter report by **August 30, 2023**. In support of this delay, SafeLink notes that granting the subject request will have no negative impact on service and will not otherwise prejudice customers.

On behalf of the Company, I appreciate your understanding of this delay in reporting.

Please feel free to contact me at (786) 513-7065 or [stephen.athanson@verizon.com](mailto:stephen.athanson@verizon.com) or Sharyn Zimmerman ([sharyn.zimmerman@verizon.com](mailto:sharyn.zimmerman@verizon.com) or 786-742-7439) if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Stephen Athanson".
