Re: TG-140560, WUTC v. Waste Control, Inc. Confirmation of Extension of Time to File Reply to Staff Response to Motion for Temporary Rates

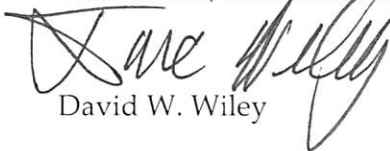

Dear Mr. King:

This is to confirm the agreement of the parties for an extension of time for the Company to file its Reply to the Staff Response to the Motion for Temporary Rates. As the presiding officer and counsel are now aware, the Company's CPA, Jackie Davis, is in the midst of the March 16<sup>th</sup> corporate tax return filing deadline. She is thus unable to review the Staff's proposed price out until Tuesday morning, March 17, 2015. We are in turn intending to file our Reply by noon on Wednesday, March 18, 2015 per discussion of the parties at Wednesday's hearing. I anticipate that Reply being limited to discussion of the workpapers and spreadsheet supporting the Staff's proposed price out and am thus not anticipating much, if any, legal argument in Reply.

Please contact me should you have any questions or concerns about this and I will also advise Tuesday if the midday Wednesday deadline appears to be premature after consulting with Ms. Davis that morning. This is to also assure that the Company is attempting to avoid further delay of resolution of its Motion and appreciates the Commission and counsel's indulgence therein.

Yours truly,

WILLIAMS, KASTNER & GIBBS PLLC
