Re: Public Utility Regulatory Policies Act, Obligations of the Utility to Qualifying Facilities, WAC 480-107, Docket U-161024

TO ALL INTERESTED PERSONS:

The Washington Utilities and Transportation Commission (Commission) has adopted new WAC Chapter 480-106, Electric Companies—Purchases of Electricity from Qualifying Facilities, and revisions to WAC Chapter 480-107, Electric Companies—Purchases of Electricity. The Commission filed its Adoption Order with the Code Reviser on June 12, 2019. The Rules will be effective on July 13, 2019.

The Adoption Order and rules are available for inspection on the Commission's website at www.utc.wa.gov/161024. If you are unable to access the Commission's website and would like a copy of these documents emailed to you, please contact the Commission's Records Center at (360) 664-1234, or email the Commission at records@utc.wa.gov. When contacting the Commission, please refer to Docket U-161024.

RCW 34.05.325 requires that the Commission prepare and provide to commenters a concise explanatory statement about an adopted rule. To avoid unnecessary duplications, the Commission has designated the discussion in the Adoption Order as its concise explanatory statement. The Order provides a complete but concise explanation of the agency's actions and its reasons for taking those actions.
