University of Washington in forest engineering and watershed hydrology. Most recently, I completed a MBA from Seattle University.

I have worked for PSE for 16 years and have held progressively responsible positions over that time. I started as a hydrologist working on hydro relicensing and progressed to Manager, Hydro Contracts and Manager, Special Projects where I worked on Mid-C resources and the White River Project disposition, respectively. As Manager, Resource Development, I led the development of the Lower Snake River Wind Project. As Director, I have held several roles in hydro and wind generation operations, asset management, and finance. I have been in my current role as Director, Energy Supply Merchant since May, 2016.
