Re: Washington Utilities & Transportation Commission vs. Puget Sound Energy, Inc.
Docket Nos. UE-060266 and UG-060267

Dear Ms. Washburn:

This letter submits for filing the original and eleven copies of **Exhibit A** (Attorney Agreement) signed by Paula E. Pyron of the Northwest Industrial Gas Users, pertaining to the **Protective Order** regarding the above-referenced docket.

This office previously filed the Protective Order with two Exhibit A pages executed by attorneys Edward A. Finklea and Chad M. Stokes, and an Exhibit B page (Expert Agreement Concerning Confidential Information) executed by Donald W. Schoenbeck, of RCS, Inc.

This Exhibit A page has also been transmitted to you via electronic mail, in PDF format. The WUTC's request for Word format as well as PDF is normally honored by this office. However, as the sole purpose of this page is to convey a signature signifying compliance with the Protective Order, a Word version would transmit only the text originally prepared by the WUTC. Paper copies will be mailed to all on the WUTC's current Service List.

Thank you for your assistance.

Very truly yours,

Edward A. Finklea
