**NOTICE OF OPPORTUNITY TO OBJECT TO PETITION TO  
INTERVENE**

RE: In the Matter of Verizon Northwest Inc.'s Terms and Conditions Regarding  
Microwave Entrance Facilities, Docket No. UT-011219

TO THE PARTIES:

On September 3, 2002, the Commission received a Petition to Intervene filed in this proceeding on behalf of Integra Telecom of Washington, Inc. The Petition was served on all of the current parties to the proceeding. Integra indicates that it is a facilities-based telecommunications company authorized by the WUTC to provide intraexchange and interexchange telecommunications services in the state of Washington. Integra states it has entered an Interconnection Agreement with Verizon. Finally, Integra states that a grant of the Petition will not broaden the scope of nor delay the hearing.

**NOTICE IS HEREBY GIVEN that the parties should file any objections they may have to the granting of Integra's Petition to Intervene by September 16, 2002.**

Sincerely,

THEODORA M. MACE
