**NOTICE OF FURTHER SUSPENSION
OF PROCEDURAL SCHEDULE**

RE: In re Application No. GA-079178 of Blaine-Bay Refuse, Inc. For Extension of Authority Under Certificate No. G-145, for a Certificate of Public Convenience and Necessity to Operate Motor Vehicles in Furnishing Solid Waste Collection Service, Docket No. TG-030831.

TO ALL PARTIES:

On January 13, 2004, the Commission suspended the procedural schedule in this proceeding to April 29, 2004, to allow the resolution of a Motion to Amend Commission Order in related Docket No. TG-031817. Pursuant to status reports filed by the parties, the Commission extended the suspension of the procedural schedule to May 28, 2004, and to June 28, 2004.

On June 28, 2004, Commission Staff filed a status report recommending that the Commission continue to hold Docket No. TG-030831 in abeyance until Docket No. TG-031817 is resolved. Commission Staff notes that the Commission entered an Initial Order in Docket No. TG-031817 on June 15, 2004. Staff observes that if the Commission orders that Certificate No. G-145 be amended as set forth in the initial order, the resulting certificate will reflect the same authority Blaine-Bay has applied for in Docket No. TG-030831, and the issues in Docket No. TG-030831 will be rendered moot.

Staff reports that there is no new impact on the parties caused by its recommendation since a temporary certificate was issued in Docket No. TG-030831 to maintain the operational *status quo*, and nothing in Staff's recommendation would change the *status quo* while Docket No. TG-031817 proceeds to a final order.

The Commission finds Staff's recommendation to hold Docket No. TG-030831 in abeyance until the Commission enters a final order in Docket No. TG-031817 a reasonable one. Accordingly, the Commission extends the suspension of the procedural schedule in this proceeding until the Commission enters a final order in Docket No. TG-031817.

Sincerely,

KAREN M. CAILLÉ
