## Biography

Mr. Starkey currently serves as the President and Founding Partner of QSI Consulting, Inc. QSI is a consulting firm concentrating primarily on regulated markets including the telecommunications industry. QSI assists its clients in the areas of regulatory policy, business strategy, financial and econometric analysis and inter-carrier issues involving rates and charges assessed by incumbent carriers. Prior to founding QSI Mr. Starkey served as the Senior Vice President of Telecommunications Services at Competitive Strategies Group, Ltd. in Chicago, Illinois.

Mr. Starkey's consulting career began in 1996 shortly before the passage of the Telecommunications Act of 1996. Since that time, Mr. Starkey has advised some of the world's largest companies (e.g., AT&T, MCI, Time Warner, Covad Communications, Comcast, Siemens Corporation, etc.) on a broad spectrum of issues including the most effective manner by which to interconnect competing networks. Mr. Starkey's experience spans the landscape of competitive telephony including interconnection agreement negotiations, mediation, arbitration, and strategies aimed at maximizing new technology. Mr. Starkey's experience is often called upon as an expert witness. Mr. Starkey has since 1991 provided testimony in greater than 150 proceedings before approximately 40 state commissions, the FCC and courts of varying jurisdiction.

Mr. Starkey's expertise with competitive communications issues is rooted not only in his consulting experience, but also in his previous employment. Mr. Starkey has worked for the Missouri, Illinois and Maryland public utility commissions, including his most recent position as Director of the Maryland Commission's Telecommunications Division (and as the Senior Policy Analyst for the Illinois Commission's Office of Policy and Planning and Senior Economist with the Missouri Public Service Commission).

## Educational Background

Bachelor of Science, Economics, International Marketing  
Southwest Missouri State University, Cum Laude Honor Graduate

Graduate Coursework, Finance  
Lincoln University

Numerous telecommunications industry training courses
