RE: *In the Matter of the Petition of Cascade Natural Gas Corporation for an Accounting Order Authorizing Deferred Accounting Treatment of Expenses Related to the Environmental Remediation of the Old Bremerton Gas Works and Sesko Property Site, Docket UG-100589*

TO ALL PARTIES:

On September 16, 2010, the Washington Utilities and Transportation Commission (Commission) entered Order 01 Granting Accounting Petition (Order 01) in docket UG-100589. Order 01, among other things, required Cascade Natural Gas Corporation (Cascade or Company) to file semi-annual reports for its environmental remediation deferral project.

Cascade filed its first report on March 1, 2011, and semi-annually thereafter through February 28, 2018, with a supplemental filing on March 5, 2018.

On March 7, 2018, Commission staff (Staff) filed a letter informing the Commission that Staff had reviewed all of the reports and found that the Company has continuously complied with the requirements of Order 01, and that Staff intends to propose that Order 01 be modified to reduce Cascade's reporting requirement to an annual, rather than semi-annual, reporting period.

The Commission accepts the reports filed from March 1, 2011, through and including March 5, 2018, as in compliance with Order 01.
