RE: T-Mobile – ETC Service Area List  
Docket No. UT-101060

Dear Mr. Danner:

Per Commission's Staff's request, enclosed for electronic filing is an amended description of T-Mobile's Eligible Telecommunications Carrier ("ETC") designated service area in the State of Washington. Non-substantive changes have been made at the request of Staff to some of the wire center and/or exchange names in an effort to be consistent with the naming conventions utilized by the Incumbent Local Exchange Carriers for the areas included in T-Mobile's ETC designated service area. These changes have no impact on the Universal Service Fund high cost support that T-Mobile is eligible to receive as a result of its designation as an ETC.

Very truly yours,

Davis Wright Tremaine LLP
