RE: *Washington Utilities and Transportation Commission v. Grasshopper Group, LLC.*
Docket UT-132153

TO ALL PARTIES:

On April 16, 2014, the Washington Utilities and Transportation Commission (Commission) brought a complaint against Grasshopper Group, LLC. (Grasshopper). The complaint alleges that Grasshopper filed an inaccurate 2012 Annual Report and paid incorrect regulatory fees, in violation of RCW 80.04.080 and WAC 480-120-382. The complaint alleges that Grasshopper did not correct its filing until August 9, 2013, a period of 101 days after the May 1, 2013, deadline for filing annual reports. The Commission convened a prehearing conference in this docket on May 8, 2014, and adopted a procedural schedule for this proceeding, including setting an evidentiary hearing for June 17, 2014.

On June 16, 2014, Commission Staff (staff) on behalf of the parties filed with the Commission a settlement agreement and narrative that would resolve all issues in this docket. Staff requests that the Commission suspend the procedural schedule, pending Commission consideration and decision regarding the settlement.

The Commission finds good cause to suspend the procedural schedule and therefore grants the parties' request.

THE COMMISSION GIVES NOTICE That the procedural schedule in this matter is suspended, and cancels the evidentiary hearing scheduled for June 17, 2014.
