RE: *In the Matter of the Investigation of, and Penalty Assessment Against, James Moseley d/b/a You Got it Movers, Dockets TV-190808 & TV-190809 (Consolidated)*

TO ALL PARTIES:

On November 20, 2019, the Washington Utilities and Transportation Commission (Commission) entered Order 01, Consolidating Dockets; Approving Safety Management Plan, Extending Provisional Period; Imposing and Suspending Penalties (Order 01) in Dockets TV-190808 and TV-190809. Order 01 assessed a \$3,200 penalty against James Moseley d/b/a You Got It Movers (You Got It Movers or Company), a \$2,000 portion of which was suspended subject to the conditions that (a) the Company not incur any repeat violations of critical regulations upon re-inspection, (b) the Company maintain a conditional safety rating, (c) Company owner and assistant manager attend Commission-sponsored household goods carrier trainings, and (d) the Company timely pay the \$1,200 portion of the penalty that was not suspended.

On February 15, 2022, Staff filed a letter informing the Commission that You Got It Movers had timely paid the unsuspended portion of the penalty, that the Company owner and assistant manager had attended Commission-sponsored household goods training, and that the Company had not incurred any repeat violations of critical regulations and had maintained a conditional safety rating. In its letter, Staff states that it believes the Company has complied with all the conditions of Order 01.

The Commission finds that You Got It Movers has complied with the conditions of Order 01. The \$2,000 portion of the penalty that was suspended is now waived, and these dockets are closed.
