Re: Washington Utilities & Transportation Commission v. Avista Utilities
Docket Nos. UE-080416 and UG-080417

Dear Mr. Danner:

Enclosed please find the Offer of Public Testimonial Exhibit No. 6 on behalf of Public Counsel for filing in the above-entitled dockets. The exhibit consists of letters, e-mails, written comments collected at public hearings, and other written materials submitted by the public to provide comment on Avista Utilities' general rate case (Docket Nos. UE-080416 and UG-080417). The full exhibit is provided on CD.

A voluminous number of public comments were received by the Commission, many via e-mail and internet, for which there are no original hard copies to submit. Commission Consumer Protection and Communications Staff entered these comments into a database, which includes all comments received by the Commission. Text of the comments was either directly input into the database, or in the case of comments received via mail, the document was scanned into one of thirty six different .pdf formatted files or that file was referenced in the database. The output from this database has been included in .pdf format on the enclosed CD, and this one (1) file, along with the thirty six (36) files with scanned comments, provide all comments submitted to the Commission. The CD also contains two (2) files in .pdf format with comments received by Public Counsel.

Sincerely,
