Re: Docket No. UT-100203 Assurance Wireless USA, L.P.

Dear Mr. Johnson:

Pursuant to the requirement included in the Commission's Final Order in UT-100203, Assurance Wireless USA, L.P. ("Assurance Wireless") notifies the Commission of a change to an existing Washington Lifeline offering. As of July 15, 2021, Assurance Wireless will no longer offer a voice-only plan of 1000 domestic voice minutes and unlimited texts to new customers. Existing Lifeline smartphone customers on a voice-only plan will receive Assurance Wireless' bundled plan offering which includes 4.5 GB of data, 1000 minutes and unlimited texts at no charge to the customer. Customers will continue to receive the same amount of voice minutes and unlimited texts under the bundled plan offering as they did on the voice-only offering with the added benefit of 4.5 GB of data at no charge.

Please contact me if you have any questions regarding this matter.

Sincerely,

A handwritten signature in black ink that reads "Teri Ohta".
