DOCKET UE-200115

PETITION TO INTERVENE OF
PORTLAND GENERAL ELECTRIC
COMPANY

1 Pursuant to WAC § 480-07-355, Portland General Electric Company ("PGE") submits this petition to intervene in this proceeding as an intervenor with full party status, as described in WAC § 480-07-340. The business address of PGE is:

Portland General Electric Company
121 SW Salmon Street
Portland, OR 97204

2 All documents relating to this proceeding should be served on PGE's attorneys at the following address:

Email: doug.tingey@pgn.com

PGE does not request paper service, unless required by WUTC rules or law.

The administrative rules at issue are WAC 480-07-340 and WAC 480-07-355.

3 PGE is a corporation created and organized under the laws of the State of Oregon with its headquarters located in Portland, Oregon. PGE is an investor-owned public utility company engaged in, among other things, the business of generating, transmitting, and distributing electric power to retail customers in Oregon.

4 PGE is a 20 percent owner in Colstrip Units 3 and 4 and is a party to the Ownership and Operation Agreement between and amongst the owners, which governs the ownership and operation of Colstrip Units 3 and 4. Similarly, PGE is an owner of the Colstrip Transmission System and is a party to the Colstrip Project Transmission Agreement, which governs the ownership and operation of the Colstrip Transmission System. PGE therefore has a substantial interest in Puget Sound Energy's ("PSE") proposed sale of its interest in Colstrip Unit 4 and certain of PSE's interests in the Colstrip Transmission System. PSE's sale of such interests could substantially and directly affect PGE and PGE's customers. PGE has not yet taken a position on the issues presented in PSE's Application in this proceeding; however, PGE is not proposing to broaden the issues in this proceeding. Accordingly, PGE requests leave to intervene in this proceeding.

5 As described above, PGE has a direct and substantial interest in this proceeding that will not be adequately represented by any other party, and may be affected by any Commission determination made in connection with this proceeding. PGE's participation will not unnecessarily broaden the issues or burden the record in this proceeding. Thus, it is in the public interest to allow PGE to intervene in this proceeding.

6

WHEREFORE, PGE respectfully petitions the Commission for leave to intervene in this proceeding.

DATED this 10th day of March, 2020.

Respectfully submitted,
