RE: *Washington Utils. and Transp. Comm'n v. Puget Sound Energy*
Docket UG-230393

Dear Mr. Killip:

On April 24, 2024, the Washington Utilities and Transportation Commission (Commission) entered Order 07 in Docket UG-230393. Order 07, among other things, rejected the initial tariff proposals by Puget Sound Energy (PSE) and required PSE to make a compliance filing consistent with the Order.

On May 3, 2024, PSE made the compliance filing required by Order 07 by filing revised tariff sheets for Natural Gas Tariff WN U-2. The revisions reflect the \$42.6 million increase in natural gas revenue requirement for Tacoma Liquefied Natural Gas Facility, a \$2 million decrease in the revenue requirement of the four-mile pipe, and a refund to customers of \$2.8 million related to the decreased revenue requirement of the four-mile pipe, as ordered by the Commission.

Commission Staff (Staff) has reviewed the Company's compliance filing. Staff believes that the revised tariff sheets, filed on May 3, 2024, comply with Order 07, entered April 24, 2024. The tariff sheets are dated to become effective May 11, 2024.

Sincerely,

/s/ *Jeff Roberson*, WSBA No. 45550
