**Re: 2006 Puget Sound Energy, Inc. General Rate Case
Docket Nos. UE-060266 and UG-060267 (consolidated)**

Dear Ms. Washburn:

In reviewing the materials that were filed in this proceeding on February 15, 2006, Puget Sound Energy, Inc. ("PSE") has discovered a number of minor errors to certain prefiled direct testimony and exhibits that we would now like to correct for the record. Therefore, please find enclosed an original and nineteen (19) copies of the following material:

- Revised prefiled direct testimony of Janet K. Phelps, Exhibit No. ___(JKP-1CT). This revision corrects errors in the pagination of revisions previously filed in this proceeding on April 3, 2006 that were caused by a printing error during the production of the April 3, 2006 revisions. Although the pagination errors affected only pages 27, 33, 34, and 35, PSE is providing the entire prefiled direct testimony to avoid confusion. These revisions are consistent with PSE's motion filed on April 3, 2006.
- Revised prefiled direct testimony of John H. Story, Exhibit No. ___(JHS-1T). This revision reflects minor changes to make Mr. Story's testimony consistent with the revised prefiled direct testimony of Janet K. Phelps, Exhibit No. ___(JKP-1CT), which was filed in this proceeding on April 3, 2006.
- Revised prefiled direct testimony of Karl R. Karzmar, Exhibit No. ___(KRK-1T). This revision reflects minor changes to make Mr. Karzmar's testimony consistent with the revised prefiled direct testimony of Janet K. Phelps, Exhibit No. ___(JKP-1CT), which was filed in this proceeding on April 3, 2006.

- Revised prefiled direct testimony of Susan McLain, Exhibit No. ___(SML-1CT). These revisions reflect corrections to the classification of projects discussed by Ms. McLain as between gas and electric fuels and project categories, inclusion of final year-end 2005 data, and a correction to a rounding error in 2006 data.
- Revised third exhibit to the prefiled direct testimony of Susan McLain, Exhibit No. ___(SML-4C). This revision reflects corrections to the classification of projects discussed by Ms. McLain as between gas and electric fuels and project categories, inclusion of final year-end 2005 data, and a correction to a rounding error in 2006 data.
- Revised eighth exhibit to the prefiled direct testimony of James A. Heidell, Exhibit No. ___(JAH-9). This revision reflects corrections to make Mr. Heidell's testimony consistent with data provided in the third exhibit to the prefiled direct testimony of Calvin E. Shirley, Exhibit No. ___(CES-4)
- Revised prefiled direct testimony of Roger A. Morin, Exhibit No. ___(RAM-1T). This revision corrects a reference in Dr. Morin's original testimony to the Value Line 5000 index rather than the reference to the S & P 500 stock market index that Dr. Morin intended to make.
- Revised confidential workpapers of Ronald J. Amen. This revised set is copied on yellow paper, consistent with the Protective Order. Please shred or otherwise securely dispose of the version of Mr. Amen's workpapers that was provided with PSE's original filing.

Additionally, enclosed please find a CD-ROM containing electronic versions of the above-referenced materials and a separate CD-ROM containing various revised workpapers. Thank you for your assistance in this matter.

Very truly yours,

Kirstin S. Dodge
