- 1 -

That the Weyerhaeuser Timber Company has received payment in full for all claims or damages of any kind which may have heretofore accrued by reason of the laying out, construction, and maintenance of said wagon road as herein described.

- 2 -

That all of the timber on the lands of the party of the first part hereinbefore described, over and across which the said right-of-way runs, has been cut down which is necessary or advisable to be cut down at this time in the judgment of the party of the second part, for the purpose of utilizing the right-of-way as herein granted, and that no other timber on said lands shall be cut, damaged or destroyed without permission in writing
