4 **COLIN P. CROWLEY**

5 **Q. Please state your name and business address.**

6 A. My name is Colin P. Crowley. My business address is Puget Sound Energy, Inc.,
7 P.O. Box 97034, Bellevue, Washington 98009-9734.

8 **Q. By whom are you employed and in what capacity?**

9 A. I am employed by Puget Sound Energy (“PSE”) as Manager Resource
10 Acquisition for the Resource Acquisitions team.

11 **Q. What are your duties as Manager Resource Acquisitions?**

12 A. As the Manager of Resource Acquisitions, I am responsible for administration of
13 PSE’s All-Source RFP and management of: (i) the acquisition of electric
14 resources for PSE; and (ii) contracts for long-term electric supply.

15 **Q. Briefly describe your education and relevant employment experience.**

16 A. I graduated from the University of Massachusetts with a Bachelor of Science in
17 Finance. My continued education includes training in energy trading and financial
18 swaps and options from Paradigm Energy Training, as well as a certificate in
19 Utility Management from Willamette University.

1 Prior to assuming my current role as Manager, Resource Acquisitions, I was a
2 Commercial Acquisitions Manager for PSE from January 2020 to September
3 2020. In that role, I supported and led negotiations and due diligence for the short
4 list resource selections from the 2018 All Source RFP.

5 From June 2019 to January 2020, I was Origination and Structuring Manager for
6 PSE. In that role, I administered a short-term RFP and coordinated energy
7 modeling valuations to respond to resource opportunities, including Mid-C hydro
8 auctions.

9 From 2015 to 2019, I was Manager of Power Supply Operations for PSE. In that
10 role, I managed the trade floor as PSE joined the CAISO Energy Imbalance
11 Market. I also led key merchant functions such as energy trading and energy
12 analytics.

13 From 2013 to 2015, I was Manager of Portfolio Hedging. In that role, I managed
14 the administration of PSE's hedging programs for power and gas.

15 From 2005 to 2013, I held several individual contributor Energy Trader and
16 Energy Scheduling positions at PSE. I was responsible for asset optimization of
17 PSE resources, execution of financial and physical transactions, and delivery of
18 energy supply to serve PSE customers.

19 From 1999 to 2005, I participated as a co-founder in a technology startup and
20 performed business and industry due diligence for Sunbelt Business Brokers.
