RE: UE-031658 - *In the Matter of the Petition of Pacific Power & Light Company, For An Accounting Order Regarding Treatment of Environmental Remediation Costs.*

Dear Mr. Johnson:

On May 15, 2019, Pacific Power & Light Company (Pacific or company) filed its annual Environmental Remediation compliance report for the year 2018. In Order 03 of the above referenced docket, the Commission amended its Order 01 to allow the company to report annually versus semiannually the status of its environmental remediation projects to include beginning and ending deferral balances, as well as annual expenditures.

Staff has reviewed the company's compliance report. For 2018, Pacific has complied fully with the reporting requirements contained in Order 03.

Sincerely,

David C. Gomez  
Assistant Power Supply Manager, Energy Regulation
