Re: *WUTC v. Weyerhaeuser*  
Docket No. PG-040984

Dear Judge Caille:

The parties met today, Thursday, September 8, 2005, to discuss resolution of this case through settlement. Based on the discussions, the parties believe that settlement is probable. For that reason, the parties request that the procedural schedule in this matter be suspended so that the parties may complete the settlement negotiation process. The parties expect to file a settlement agreement and narrative by October 14, 2005. If the parties fail to reach a settlement, the parties will inform you as soon as possible, and no later than October 14, 2005. Thank you for your consideration of this request.

Sincerely,

CHRISTOPHER SWANSON  
Assistant Attorney General
