Dear Mr. Wiley,

Your correction is noted. I won't send out a revised notice as this is more of an "internal" scheduling matter, that is, it does not affect the hearing schedule. But the parties should be advised that November 2, 2007 is the date the second set of discovery requests will be sent, not the date responses are due.

Thank you.

Administrative Law Judge

Thanks for this. Just to clarify, the November 2, 2007 date that Ms. McNeill and I agreed to will be the date the second set of discovery responses are to be propounded by, not the date the second set of data requests responses are due which is an extension of Judge Mace's original date of October 26 in her Prehearing Conference Order No. 1. I'm sure that is what your letter intended, I just wanted to clear up any potential misunderstanding of the November 2 date Ms. McNeill and I agreed to. Dave Wiley.
