IV. I am admitted to practice, in good standing, before the Supreme Court of the State of California.

V. FEA maintains military installations and civilian activities within the State of Washington that receive electrical service from Respondent. As a large user of electrical service provided by Respondent, the FEA has a significant interest in this proceeding and would be substantially affected by its outcome. FEA's participation can assist in the development of a sound record and is not expected unduly to broaden the issues or delay the proceedings.

IV. FEA wishes to reserve the ability to submit written testimony and exhibits in hearing. FEA anticipates it will cross-examine witnesses called by other parties and submit written arguments and/or motions.

WHEREFORE, the FEDERAL EXECUTIVE AGENCIES seek leave to intervene and to be treated as a party to this proceeding.

Respectfully submitted,
