Mr. Alvarado:

Attached above are the available tariff sheets, per your request:

B&N Sanitary Certificate Number G-122 in Pend Oreille County Item 260 and 265 Drop Box Service rates that were last requested.

Excess Disposal Inc. Certificate Number G-000107 in Pend Oreille County first page of tariff accurately depicting the area tariff applies to.

It appears that Robert L. Nichols dba B & N Sanitary, G-122, has never had drop box service. I have attached their Index pages to support this. I looked in their previous Tariff No. 1, and it also concurs.

Also, fyi, all of the *current* solid waste tariffs are available on our website. You will find them under the Regulated Industries tab; Solid Waste Collection; Regulated Company Tariffs (Rates, Terms and Conditions).

If you have any questions, please respond to this e-mail or telephone me.

Thank you.

I was not sure what size of containers you were interested in providing service. The status at this point will be a hearing with a Judge to determine the public convenience and necessity for the service and if the current certificated company is not providing service to the satisfaction of the commission.

Hi Penny,

Thank you so much for your interest in this matter, I appreciate your reply. Yes I was aware of their front and rear load container rates. It is their roll-off container rates that I was referring to, those being 10, 20, 25, 30 and 40 yard containers.

I am only interested in providing service with roll off containers that is where I see a need. I was container specific in my request to obtain authority when I filled out the application. B&N has no published rates for roll off containers which I assumed meant that particular service was not being offered in the mentioned service area referenced in Permit-No. 122

Once again thank you for your findings and I look forward to your reply.

Respectfully,

Dave Alvarado

Dave,

The commission posts all solid waste tariffs on-line for the public to review. Below is a link to B & N's

tariff. In our conversation yesterday, you thought that B & N did not have container rates in their tariff. From looking at the tariff, the company has had approved rates since 2003 for 1-8 yard containers. See page 29, Item 240 in the tariff.
