**Re: UG-110199: For an accounting order authorizing deferred accounting treatment of certain costs associated with environmental remediation.**

Dear Mr. Johnson:

Enclosed for filing in the above-referenced docket is a copy of Northwest Natural Gas Company's Motion to Amend Order 01. An electronic copy of this filing will be e-mailed to the parties on the service list.

Please do not hesitate to contact me if you have any questions about this filing.

Very truly yours,
