RE: *In the Matter of Determining the Proper Carrier Classification of, and Complaint for Penalties against: Cheryl Ball d/b/a Acme Moving Labor*
Docket TV-161206

TO ALL PARTIES:

On December 19, 2016, the Washington Utilities and Transportation Commission (Commission) entered Order 01, Order Instituting Special Proceeding; Complaint Seeking to Impose Penalties; Notice of Hearing (Order 01) in Docket TV-161206. Order 01 required Cheryl Ball d/b/a Acme Moving Labor (Acme Moving Labor or Company) to appear before the Commission at a group classification proceeding set for January 25, 2017, at 9 a.m. On January 26, 2017, the Commission rescheduled the hearing for March 6, 2017, at 9:30 a.m.

On February 28, 2017, Commission staff (Staff) notified the Commission that the parties have reached a settlement in principle, but request additional time to memorialize their agreement. Staff requests, on behalf of the parties, that the remaining procedural schedule in this matter be suspended and that the parties be permitted to file a settlement agreement or a report on the status of their settlement negotiations no later than March 14, 2017.

The Commission finds good cause to suspend the procedural schedule and therefore grants the parties' request. The parties must file both a settlement agreement and supporting documentation or a report on the status of their settlement negotiations by March 14, 2017.

THE COMMISSION GIVES NOTICE That the procedural schedule in this matter is suspended. The parties must file both a settlement agreement and supporting documentation or a status report of their negotiations no later than March 14, 2017.
