COMMISSION

Dear Ms. Maxwell:

Puget Sound Energy (“PSE”), in consultation with Commission staff, is submitting this filing to revise the prefiled direct testimony of Ms. Susan E. Free filed on April 30, 2021, in the above-referenced docket. These revisions, made to page 11 of Exh. SEF-1T, are the result of recalculating the percentage used to establish the change to the Schedule 139 credit for Phase 1 Green Direct customers. The change to the Schedule 139 credit relates to November and December 2020 when Phase 1 customers were no longer included in the PCA mechanism. Page four of Exh. SEF-3 is also revised to reflect the correct percentage. Although Exh. SEF-6 would also require a revision to reflect the revised Schedule 139 credit, PSE has not made that revision with this filing and instead, once Commission approval is received, will make a filing using the corrected percentage to change the Schedule 139 credit effective December 1, 2021. Revised work papers are also being provided.

PSE is filing revised versions of the prefiled direct testimony and exhibit listed below:

1. Prefiled Direct Testimony of Susan E. Free, Exh. SEF-1Tr (revisions at page 11), and
2. Exh. SEF-3r, PCA Annual Report (revisions at Tab: SEF 3 Page 4 Bands)
