TO ALL PARTIES OF RECORD:

Re: Docket No. TC-90-0407  
Evergreen Trails, Inc., vs. Shuttle Express  
Change in brief due-date to August 7, 1990

Complainant's attorney Clyde MacIver today requested a one-week delay in the due-date for briefs. Mr. MacIver stated he has not yet received the transcripts in this matter, although he expects to have them by July 18.

I have granted the request for change in briefing date, based on the lateness of the transcripts.

Briefs will now be due by close of business on August 7.

Very truly yours,

Alice L. Haenle  
Senior Administrative Law Judge
