**Subject: INTERCONNECTION AGREEMENT BETWEEN VERIZON NORTHWEST INC. and
XO COMMUNICATIONS SERVICES, INC.
Docket No. UT-990378**

To whom it may concern:

Please substitute the enclosed amendment document and Request for Approval form for the one previously submitted under my cover letter of June 10, 2009.

As explained in that letter, the submitted document was a replacement Amendment 6 to an interconnection agreement between Verizon Northwest Inc. and XO Communications Services Inc. The Commission approved the previously filed Amendment 6 on March 27, 2009. The companies discovered a substantive error in the amendment; the threshold billing amount in Section 7.7.1 is corrected in the replacement document. The parties took the opportunity also to reformat Section 6 and add a defined term (see the current 7.5) for clarification. Per the request of Commission Staff, for tracking purposes the document and form enclosed with this letter refer to the filing as the 7th amendment to the agreement.

Verizon Northwest requests that the Commission approve this amendment expeditiously.

Please call me at 425-261-5006 if you have any questions.

Very truly yours,

Richard E. Potter
