**NOTICE SUSPENDING PROCEDURAL SCHEDULE**

RE: *Washington Utilities and Transportation Commission v. Waste Management of Washington, Inc.*, Docket TG-210689

On November 15, 2021, the Washington Utilities and Transportation Commission (Commission), through Commission staff (Staff), issued a complaint against Waste Management of Washington, Inc., (Waste Management or Company) for violations of state law and administrative rule when the Company missed yard waste and recycling pickups in Kitsap County in July and August 2021 and seeking monetary penalties against Waste Management (Complaint). Also, on that date and along with the Complaint, the Commission issued a Notice of Virtual Prehearing Conference set for December 14, 2021, at 2 p.m.

On December 17, 2021, the Commission issued Order 01, Prehearing Conference Order (Order 01). Order 01 scheduled an evidentiary hearing for February 17, 2022.

On February 10, 2022, counsel for Staff contacted the presiding officer via email and submitted a letter to this docket indicating that the Parties had reached a full settlement. Staff requested that the Commission suspend the procedural schedule and allow the parties to file their settlement by February 18, 2022.

The Commission finds good cause to cancel the evidentiary hearing scheduled for February 17, 2022, and to suspend the procedural schedule pending the Commission's review of the Parties' settlement, which must be filed by the Parties by 5 p.m. on February 18, 2022.

**THE COMMISSION GIVES NOTICE That the evidentiary hearing set for February 17, 2022, in Docket TG-210689 is cancelled, and the procedural schedule is suspended until further notice. The Parties are required to file their settlement with the Commission in this docket by 5 p.m. on February 18, 2022.**
