NOTICE OF MODIFICATION OF SCHEDULE

RE: WUTC v. Inland Telephone Company
Docket No. UT-050606

TO ALL PARTIES:

On October 5, 2005, the parties requested a slight modification to the schedule for this proceeding. They requested that the settlement conference previously scheduled for September 20, 2005 be moved to October 28, 2005. The request was made due to the cancellation of the September 20, 2005 conference because of a family emergency on the part of one of the attorneys involved in the proceeding.

The parties have shown good cause for the requested change in the schedule and it is granted.

NOTICE IS GIVEN That the settlement conference previously scheduled for September 20, 2005 will now take place on October 28, 2005 at a time and place to be arranged by the parties.

Sincerely,

THEODORA M. MACE
Administrative Law Judge
