Re: AT&T v. Verizon, Docket No. UT-020406

Dear Ms. Washburn:

Pursuant to Administrative Law Judge Schaer's prehearing requirements in the above-referenced proceeding, AT&T Communications of the Pacific Northwest, Inc. ("AT&T") provides the following estimates of cross-examination for witnesses at the evidentiary hearings:

Orville D. Fulp (Verizon)	120 minutes
David G. Tucek (Verizon)	15 minutes
Terry R. Dye (Verizon)	30 minutes
Nancy Heuring (Verizon)	15 minutes
Carl R. Danner (Verizon)	60 minutes

AT&T does not anticipate having cross examination for any witnesses other than Verizon's witnesses. In addition, AT&T designates the following additional cross-examination exhibits, copies of which will be distributed at the prehearing conference on May 1, 2003:

Fulp
Verizon Response to AT&T DR 34
Verizon Response to AT&T DR 70
Verizon Response to AT&T DR 71
Verizon Advice No. 3076
Verizon Long Distance Price List filing in Docket No. UT-030532

Friedman Billings Ramsey Technology Industry Update, *Bells – More Negatives Than Positives* (January 14, 2003)

AT&T also plans to use portions of Verizon's intraLATA toll price list and Verizon Long Distance's intraLATA toll price list, but does not intend to ask for their admission into the evidentiary record unless necessary to do so for the Commission to consider their contents.

Please contact me if you have any questions about this information.

Sincerely,

DAVIS WRIGHT TREMAINE LLP
