

Docket No. UT-040788 – General Rate Case
Verizon Supplemental Responses to Public Counsel, AARP, & WeBTEC
Data Request Nos. PC 108 - 214
September 23, 2004

DATA REQUEST NO. PC-162:

Does the Company or any of its affiliates maintain records of the revenues, directly attributable expenses or gross profit margins that are earned by individual telephone directories published in Washington? If affirmative, please describe all information that is maintained and provide specimen copies of reports that are available containing the information that is maintained.

RESPONSE: *(filed July 22, 2004)*

The revenues and expenses associated with directory publishing are reflected in the financials of Verizon Directories Corp (VDC). As such, VZ NW does not have the information requested.

VDC does not maintain this type of information by individual telephone directory.
