NOTICE SUSPENDING PROCEDURAL SCHEDULE

and

NOTICE REQUIRING FILING OF SETTLEMENT DOCUMENTS
(By September 22, 2023)

RE: *In the Matter of the Revised Clean Energy Implementation Plan Filed by PacifiCorp d/b/a Pacific Power & Light Company,*
Dockets UE-210829

TO ALL PARTIES:

On March 13, 2023, the PacifiCorp d/b/a Pacific Power & Light Company (PacifiCorp or Company) filed a Revised Clean Energy Implementation Plan (Revised CEIP).

On May 18, 2023, the Commission issued Order 03, Prehearing Conference Order; Notice of Hearing, which established a procedural schedule including, among other things, an evidentiary hearing on February 13, 2024, continued if needed to February 14, 2024.

On August 21, 2023, counsel for Commission staff (Staff) contacted the presiding officer on behalf of the parties to inform the Commission that the parties (Settling Parties), with the exception of the Public Counsel Unit of the Attorney General's Office (Public Counsel) and the Alliance of Western Energy Consumers (AWEC) have reached a settlement in principle, and intend to file a settlement agreement and testimony in support thereof by September 22, 2023. Counsel for Staff noted that Public Counsel was considering whether to join the settlement, and while AWEC will not join the settlement, it does not intend to oppose it. The Settling Parties requested that the Commission suspend the procedural schedule.

The Commission finds good cause to suspend the procedural schedule, with the exception of the public comment hearing set for September 28, 2023. The Settling Parties must file a settlement

agreement and supporting documentation by September 22, 2023. At that time, the Commission will determine what additional process is necessary in light of the parties' respective positions.

THE COMMISSION GIVES NOTICE That the procedural schedule in this matter is suspended with the exception of the public comment hearing set for September 28, 2023.

THE COMMISSION GIVES FURTHER NOTICE That the Settling Parties must file a settlement agreement and supporting documentation no later than September 22, 2023.
