RE: UT-041629

Please file the following email from MCI with the attached California rule under E911 Rulemaking Docket UT-041629. This document was referenced but not attached to MCI's comments of February 2, 2005.

Thank you,
Rebecca Beaton
WUTC

Then check the box next to "Revenue and Taxation Code" and search "41136." That should pull up the relevant code sections.

STATE OF CALIFORNIA

REVENUE AND TAXATION CODE

SECTION 41135-41142

41136. Funds in the State Emergency Telephone Number Account shall, when appropriated by the Legislature, be spent solely for the following purposes:

(a) To pay refunds authorized by this part.

(b) To pay the State Board of Equalization for the cost of the administration of this part.

(c) To pay the Department of General Services for its costs in administration of the "911" emergency telephone number system.

(d) To pay bills submitted to the Department of General Services by service suppliers or communications equipment companies for the installation of, and ongoing expenses for, the following communications services supplied to local agencies in connection with the "911" emergency phone number system:

(1) A basic system.

(2) A basic system with telephone central office identification.

(3) A system employing automatic call routing.

(4) Approved incremental costs.

(e) To pay claims of local agencies for approved incremental costs, not previously compensated for by another governmental agency.

(f) To pay claims of local agencies for incremental costs and amounts, not previously compensated for by another governmental agency, incurred prior to the effective date of this part, for the installation and ongoing expenses for the following communication services supplied in connection with the "911" emergency phone number system:

(1) A basic system.

(2) A basic system with telephone central office identification.

(3) A system employing automatic call routing.

(4) Approved incremental costs. Incremental costs shall not be allowed unless the costs are concurred in by the Division of Telecommunications of the Department of General Services.

(g) To pay the Division of Telecommunications of the Department of General Services for the costs associated with the pilot program authorized by Article 6.5 (commencing with Section 53125) of Chapter 1 of Part 1 of Division 2 of Title 5 of the Government Code.
