Description	<p>Re: TR-070696 (BSNF petition to close Hickox Rd, Mount Vernon, WA)</p> <p>I am extremely concerned and in oppositin to the closure of Hickox Road. We recently experienced a major fire at the property next door to ours and it was only through timely response from the local fire district that the fire was contained to only one building. Hickox Road is the shortest access route between the Cedardale Fire District station and our area.</p> <p>Furthermore Hickox Rd is at a major freeway interchange which makes it the logical access for our area as opposed to either Blackburn or Stackpole roads.</p> <p>I am not in opposition to the BNSF expansion plans but rather any proposed closure of Hickox Road.</p> <p>Sincerely,</p> <p>Tom Karsh, Resident [REDACTED] Mount Vernon, WA 98273</p>
