Re: **2010 ETC Certification** – UT-101313

Dear Mr. Danner:

Through transmittal dated August 20, 2010, Washington RSA No. 8 Limited Partnership (d/b/a Inland Cellular) ("Company") submitted its map files (.shp format) to be included in its 2010 ETC Certification filing. In error, the correspondence did not indicate that these map files were to be held "Confidential". To correct this error, we are resubmitted the map files.

Attached are the "Confidential" map files (.shp format) for Washington RSA No. 8 Limited Partnership to be included in its 2010 ETC Certification filing. Since this information was prepared by an engineer and the Company lacks the software to read or alter these files, the files should be marked as "Confidential".

If you should have any questions, please call me at (509) 649-2500

Sincerely,

A handwritten signature in blue ink, appearing to read "James K. Brooks".
