RE: TC-140399 – Request for Reversal and Stay of Certificate Issuance

Dear Mr. King:

Shuttle Express wishes to request a temporary reversal on the authority granted in certificate C-65615 and a stay of action until such time as a final order is in place and the docket is formally closed. Shuttle Express feels the basis for this request is just as there currently is a pending order and request for review of Order 03 under the Secretary's delegation. As the Secretary is currently delegated for the decision, the authority is maintained by RCW 80.01.030 to reverse the actions taken and stay further decisions until the review process is completed.

We look forward to your review of our request.

Please feel free to contact me directly if there are any questions or concerns.
