Subject: Newaukum Letter of Acceptance of UTC Proposed Rate

On February 4, 2015, the undersigned Newaukum Chairman of the Board and Board Member George McKay met with Jim Ward (UTC) to discuss the billing rate to Newaukum Water System customers. The rate that has been agreed between the Washington State Utilities Commission and Newaukum Water System, Inc. is \$48 per month.

The UTC analysis's calculated rate was \$48.46, but Newaukum requested that the billing rate be in whole dollars to simplify accounting and billing.

Sincerely,

Maurice Kurtz
Chairman of the Board
