Subject: docket #U-200281
Date: Thursday, June 25, 2020 9:06:43 PM

Hello,

I am writing to ask you to please put short- and long-term protections in place for utility customers. I support an indefinite moratorium on utility shut-offs and the erasure of utility debt for poor and low-income households.

Thank you! This is in regards to docket #U-200281.

Best regards,
Brooke Ike
