**NOTICE OF OPPORTUNITY TO FILE ANSWER TO MOTION
(By Friday, March 1, 2013, 3:00 p.m.)**

Re: *In the Matter of the Application of WASTE MANAGEMENT, INC., d/b/a WM HEALTHCARE SOLUTIONS OF WASHINGTON For an Extension of Certificate G-237 For a Certificate of Public Convenience and Necessity to Operate Motor Vehicles in Furnishing Solid Waste Collection Services, Docket TG-120033*

TO ALL PARTIES:

On February 14, 2013, the Washington Utilities and Transportation Commission (Commission) entered Order 07, Initial Order Granting Application in the above matter.

On February 26, 2013, counsel for Stericycle of Washington, Inc., (Stericycle) and counsel for the other protestants filed with the Commission a Joint Motion for Extension of Time to File Petitions for Administrative Review (Motion). The Motion requests a three-week delay in the deadline for filing Petitions for Administrative Review until March 28, 2013. The Motion states that good cause exists to extend the deadline due to the need of newly associated counsel to fully review the proceedings in this matter and to unexpected family medical circumstances and prior vacation plans of the attorneys representing Stericycle.

Pursuant to WAC 480-07-375(4), a party who opposes a written motion may file a written response within five business days after the motion is served. Given the shortness of time between the filing of the motion and the current deadline for filing a petition for administrative review, it is necessary to shorten the time for any responses.

NOTICE IS HEREBY GIVEN That parties may file a response to the Motion by 3:00 p.m., Friday, March 1, 2013.
