Note: We adjusted our payroll schedule approach to align with Staff's approach on previous wage per hour (column E). We then obtained a payroll report for the test period and determ the number of overtime hours. This information was used to determine the restated test pe Next we multiplied the pay by the wage increase that the employee will receive in the rate y beginning 11/1/2023. Since employees received pay raises in April 2023 all their hours during capture test period wages and forward look wages in one calculation.
