RE: *In the Matter of the Application of Jammie's Environmental, Inc., for Authority to Operate as a Solid Waste Collection Company in Washington, and Basin Disposal, Inc., v. Jammie's Environmental, Inc.*  
Dockets TG-220243 & TG-220215 (*Consolidated*)

TO ALL PARTIES:

On March 29, 2022, Basin Disposal, Inc., (Basin) filed with the Washington Utilities and Transportation Commission (Commission) a formal complaint (Complaint) against Jammie's Environmental, Inc., (Jammie's) in Docket TG-220215 requesting the Commission find that Jammie's violated Revised Code of Washington (RCW) 81.77.040 by engaging in the collection and transportation of solid waste without first obtaining certificated authority from the Commission required to conduct such operations.

On April 1, 2022, Jammie's filed with the Commission an application for authority to operate as a solid waste collection company in Washington (Application) in Docket TG-220243, and on April 6, 2022, the Commission issued a notice of pending application, allowing affected parties 30 days to protest the Application.

On April 20, 2022, Basin filed a protest to the Application. On April 25, 2022, the Washington Refuse and Recycling Association (WRRRA) petitioned to intervene in Docket TG-220243. On May 18, 2022, the Packaging Corporation of America (PCA) filed a petition to intervene.

On May 24, 2022, the Commission convened a prehearing conference in both dockets before Administrative Law Judge Michael Howard.

On June 8, 2022, the Commission entered Order 01, Consolidating Dockets; Granting Petitions

to Intervene; Prehearing Conference Order; Notice of Hearing (Order 01). The Commission consolidated Docket TG-220243, the Application proceeding, and Docket TG-220215, the Complaint proceeding. The Commission noticed an evidentiary hearing for November 15, 2022, at 9:30 a.m., and granted the petitions to intervene filed by WRRRA and PCA.

On November 15, 2022, the Commission convened an evidentiary hearing in this consolidated proceeding. The Commission allowed for opening statements and cross-examination by the parties, but the parties were not able to complete their planned cross-examinations. The Commission proposed, and no party objected, to continue the evidentiary hearing on December 7, 2022, continuing if necessary to December 8, 2022. The Commission also proposed, and no party objected, to continuing the deadlines for initial and reply post-hearing briefs proportionately.
