Re: Cross Examination Statement of ELI for UT-063038

Dear Ms. Washburn,

Pursuant to the ALJ Mace's ruling in her Notice dated April 4, 2007, Electric Lightwave, LLC provides the following cross-examination estimates:

ELI will have no cross for CLEC witnesses

ELI cross of Staff Witness Williamson 30 minutes

ELI cross of Qwest Witness Brotherson 60 minutes

ELI cross of Qwest Witness Linse 30 minutes

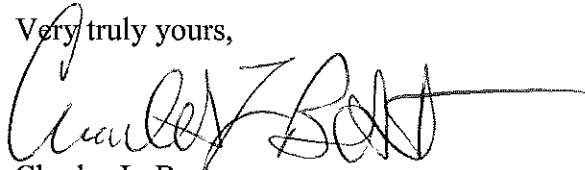

ELI cross of Qwest Witness Fitzsimmons 15 minutes

With respect to the order of witnesses, ELI believes Qwest should go first since it is the complainant followed by Staff. The only issue that ELI has regarding CLEC witnesses is that ELI Witness Robins is unavailable on Friday, April 27, 2007 if the hearing goes that long. If possible, ELI would like Mr. Robins to be called prior to April 27th.

ELI will not be introducing new exhibits into the record on cross examination. However, ELI may refer to exhibits which have been previously filed by the parties and public documents subject to judicial notice. Finally, ELI requests access to an easel and paper or a white board large enough to be viewed by the participants in the hearing room.
