NOTICE OF REVISED PROCEDURAL SCHEDULE

RE: *In the Matter of the Application of Jammie's Environmental, Inc., for Authority to Operate as a Solid Waste Collection Company in Washington, and Basin Disposal, Inc., v. Jammie's Environmental, Inc.*
Dockets TG-220243 & TG-220215 (Consolidated)

TO ALL PARTIES:

On March 29, 2022, Basin Disposal, Inc., (Basin) filed with the Washington Utilities and Transportation Commission (Commission) a formal complaint (Complaint) against Jammie's Environmental, Inc., (Jammie's) in Docket TG-220215 requesting the Commission find that Jammie's violated Revised Code of Washington (RCW) 81.77.040 by engaging in the collection and transportation of solid waste without first obtaining certificated authority from the Commission required to conduct such operations.

On April 1, 2022, Jammie's filed with the Commission an application for authority to operate as a solid waste collection company in Washington (Application) in Docket TG-220243, and on April 6, 2022, the Commission issued a notice of pending application, allowing affected parties 30 days to protest the Application.

On April 20, 2022, Basin filed a protest to the Application. On April 25, 2022, the Washington Refuse and Recycling Association (WRRRA) petitioned to intervene in Docket TG-220243. On May 18, 2022, the Packaging Corporation of America (PCA) filed a petition to intervene.

On May 24, 2022, the Commission convened a prehearing conference in both dockets before Administrative Law Judge Michael Howard.

On June 8, 2022, the Commission entered Order 01, Consolidating Dockets; Granting Petitions to Intervene; Prehearing Conference Order; Notice of Hearing (Order 01). The Commission consolidated Docket TG-220243, the Application proceeding, and Docket TG-220215, the Complaint proceeding. The Commission noticed an evidentiary hearing for November 15, 2022, at 9:30 a.m., and granted the petitions to intervene filed by WRRRA and PCA.

On November 15, 2022, the Commission convened an evidentiary hearing in this consolidated proceeding. The Commission allowed for opening statements and cross-examination by the parties, but the parties were not able to complete their planned cross-examinations. The Commission proposed, and no party objected, to continue the evidentiary hearing on December 7, 2022, continuing if necessary to December 8, 2022. The Commission also proposed, and no party objected, to continuing the deadlines for initial and reply post-hearing briefs proportionately. On November 21, 2022, the Commission issued a Notice memorializing the revised procedural schedule.

On December 5, 2022, PCA contacted the presiding officer to inform the Commission that PCA's counsel was ill and would likely be unable to participate in the hearing as scheduled and requested that the Commission continue the hearing to a later date. Later the same day, PCA informed the presiding officer that PCA had conferred with the other parties and that all parties were available on December 19 and 20, 2022, and consented to continue the hearing to those dates.

The Commission finds good cause to continue the hearing as requested by PCA and consented to by the other parties. Further, the Commission finds good cause to extend the remaining deadlines in the procedural schedule proportionately to the revised hearing date.

THE COMMISSION GIVES NOTICE That the evidentiary hearing in this proceeding will continue at 9:30am on Monday, December 19, 2022, continuing, if necessary, on Tuesday, December 20, 2022. To participate by phone, please call (253) 215 8782, enter the Conference ID 859 4787 3725#, and use passcode 467596#.
